To the Board of Trustees
BlueWater Federal Solutions, Inc. 401(k) Plan
Chantilly, Virginia

We have conducted a DOL limited-scope audit of the financial statements of the Bluewater Federal Solutions, Inc. 401(k) Plan (the Plan) for the year ended December 31, 2019, and have issued our report thereon dated August 26, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administration instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the trustee, in accordance with the auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with the information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 19, 2020.

Professional standards also require that we communicate to you the following information related to our audit.

- **Qualitative Aspects of Accounting Practices**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

MEMBER OF CPAMERICA INTERNATIONAL, AN AFFILIATE OF CROWE GLOBAL
MEMBER OF THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS' PRIVATE COMPANIES PRACTICE SECTION

We noted one new standard that will be adopted at the respective required implementation date. SAS No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA* is effective for plan years ending on or after December 15, 2021.

The standard addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans (EBPs) subject to the Employee Retirement Income Security Act of 1974 (ERISA). It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. Early implementation is not permitted.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The disclosures in the financial statements are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

- **Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

- **Discussions Prior to Retention**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

- **Management Representations**

We have requested certain representations from management that are included in the management representation letter dated August 26, 2020.

- **Corrected and Uncorrected Misstatements**

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We noted no such misstatements during our audit.

- **Disagreements with Management**

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

- **Management Consultations with Other Independent Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

This information is intended solely for the use of the Board of Trustees and management of the BlueWater Federal Solutions, Inc. 401(k) Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

1. DESCRIPTION OF THE PLAN

The following description of the Bluewater Federal Solutions, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan is a defined contribution plan covering all employees of Bluewater Federal Solutions, Inc. (the Company). The Plan was effective as of January 1, 2008 and qualifies under the Internal Revenue Code as a 401(k) Pension Plan. The Plan was amended and restated effective January 1, 2015, and was further amended during 2016 and 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act.

Contributions -

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan, and subject to IRS limitations. All participants who are eligible to make elective deferral contributions may also elect to designate all or any portion of their future elective deferral contributions as Roth elective deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company contributes an amount equal to 50% of employee contributions, to a maximum of 3% of employee compensation on a semi-monthly basis. The Company may make discretionary non-elective profit sharing contributions to employees with at least one year of service. There were no profit sharing contributions during the years ended December 31, 2019 and 2018.

Participants direct the investment of contributions into various investment options offered by the Plan.

Participant accounts -

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contributions (if any) and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -

Employees are immediately 100% vested in all salary deferral and rollover contributions.

Employees are vested in the Company matching and profit sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	50%
2	100%

Notes receivable from participants -

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance.

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018**

1. DESCRIPTION OF THE PLAN (Continued)

Notes receivable from participants (continued) -

The loans are secured by the balance in the participant's account. Interest on participant loans is based on current rates for similar loans from commercial lending institutions. For the years ended December 31, 2019 and 2018, the interest rate on all outstanding participant loans range from 4.25%-6.50%.

Payment of benefits -

Participants are entitled to receive distributions of their vested account in the Plan upon termination of their employment, retirement, death or disability, or termination of the Plan without the establishment of a successor plan. Distributions from the Plan will be paid in a single lump sum.

Distributions will be made as soon as administratively feasible following severance of employment. Participants with vested account balances of less than \$5,000 have their distribution paid automatically upon severance of employment.

The Plan allows participants to make hardship withdrawals, provided that they have an immediate and severe financial need. The amount of any such withdrawal is limited to the amount of the financial need. Further contributions to the Plan are not allowed for a period of six months following a hardship withdrawal.

In-service distributions may be made to a participant who has not separated from service provided that the participant has attained age 59 1/2.

Forfeitures -

Forfeited balances of terminated participants' non-vested accounts may be used to reduce the Plan's administrative expenses and employer contributions.

During the year ended December 31, 2019, forfeitures of \$4,044 were added and \$2,024 were used. During the year ended December 31, 2018, forfeitures of \$10,488 were added and \$41,179 were used.

Forfeited, non-vested balances totaled \$2,032 and \$12 as of December 31, 2019 and 2018, respectively.

Plan termination -

Although it has not expressed any intentions to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Employee Retirement Income Security Act. In the event of Plan termination, participants become fully vested in their accrued benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

New accounting pronouncement (not yet adopted) -

In 2019, the Accounting Standards Board issued SAS No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. The standard is effective for plan years ending on or after December 15, 2021.

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New accounting pronouncement (not yet adopted) (continued) -

The standard addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans (EBPs) subject to the Employee Retirement Income Security Act of 1974 (ERISA). It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. Early implementation is not permitted. The Plan will implement the required standard at the effective date.

Method of accounting -

The financial statements are prepared on the accrual basis of accounting and in accordance with FASB ASC 962, *Plan Accounting Defined Contribution Pension Plans*.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement -

The Plan adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Plan accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

Investment valuation and income recognition -

Investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See for discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's losses and gains on investments bought and sold as well as held during the year.

The common/collective trust is reported at net asset value (NAV).

Notes receivable from participants -

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit payments -

Benefit payments are recorded when paid.

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative expenses -

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses of the Plan, such as loan administration fees, withdrawal processing fees and distribution processing fees, are charged directly to participant accounts. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

3. INCOME TAX STATUS

The Internal Revenue Service has ruled, in a letter dated March 31, 2014, that the form of the volume submitter plan document under which the Plan is designed is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees.

The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. TRUSTEE CERTIFICATIONS

Reliance Trust Company issued a certification statement certifying the completeness and accuracy of the financial information furnished to the Plan Administrator for the year ended December 31, 2019, as presented in the accompanying Statements of Net Assets Available for Benefits and Statements of Changes in Net Assets Available for Benefits. Reliance Trust Company and American United Life Insurance Company issued certification statements certifying the completeness and accuracy of the financial information furnished to the Plan Administrator for the year ended December 31, 2018, as presented in the accompanying Statements of Net Assets Available for Benefits and Statements of Changes in Net Assets Available for Benefits.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy.

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018**

6. FAIR VALUE MEASUREMENT (Continued)

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Statements of Net Assets Available for Benefits are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Plan has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2019.

- *Registered investment companies* - Valued at quoted market prices. These funds calculate net asset value per share, and are marked to market at the close of each trading day.
- *Common/collective trusts* - These accounts are valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of each of the respective common collective trusts. The underlying assets are valued based on the NAV as provided by the investment account manager.

The Plan uses net asset value (NAV) per share, or its equivalent, as a practical expedient: Certain investments that are measured at fair value using the NAV (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy; however, the fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of December 31, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Investments Measured at NAV</u>	<u>Total</u>
Asset Class:					
Registered investment companies	\$ 12,043,785	\$ -	\$ -	\$ -	\$ 12,043,785

BLUEWATER FEDERAL SOLUTIONS, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS

6. FAIR VALUE MEASUREMENT (Continued)

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of December 31, 2018:

Asset Class:	Level 1	Level 2	Level 3	Investments Measured at NAV	Total
Registered investment companies	\$ 8,411,949	\$ -	\$ -	\$ -	\$ 8,411,949

TOTAL INVESTMENTS	\$ 8,411,949	\$ -	\$ -	\$ 532,287	\$ 8,944,236

Transfers between levels are recorded at the end of the reporting period, if applicable. There were no transfers between levels in the fair value hierarchy during the years ended December 31, 2019 and 2018.

The following is a summary of the investments valued using NAV as a practical expedient and the related unfunded commitments and redemption restrictions associated with each major category at December 31, 2019 and 2018:

	2019 Net Asset Value	2018 Net Asset Value	Redemption Frequency	Full Redemption Notice Period
MetLife Wilmington Stable Value Fund	\$ 823,661	\$ 532,287	Daily	30 Days

There were no unfunded commitments as of December 31, 2019 and 2018.

7. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through August 26, 2020, the date the financial statements were issued.

On March 11, 2020, the World Health Organization (WHO) declared the Coronavirus disease (COVID-19) a global pandemic. As a result of the spread of COVID-19, economic uncertainties have arisen. Other potential financial or operational impacts from COVID-19 are unknown at this time.
