NOTE A – DESCRIPTION OF PLAN

The Cone Distributing, Inc. 401(k) Plan (the Plan) agreement was amended on August 1, 2018 when the assets of the Plan were transferred to Fidelity Management Trust Company. The amendment also changed many provisions of the Plan and the following description provides only general information about the amended Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of Cone Distributing, Inc. (the Company) who have 3 months of service and are age twenty-one or older. Once these eligibility requirements have been met, eligible employees are enrolled on the first day of each month; however, eligible employees may opt-out of enrollment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Inception of the plan was January 1, 2000.

Contributions - Each year, participants may make pretax and Roth contributions from 1% to 75% of eligible compensation, as defined in the Plan, subject to the limitations provided by the Internal Revenue Code, which was $19,000 for those under age 50 during 2019 and $18,500 for 2018, and $25,000 for those age 50 or over during 2019 and $24,500 for 2018. Participants direct their investment of all contributions credited to their accounts into various investment securities offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make annual matching and/or basic contributions to the Plan at the option of the Company's Administrative Committee. The Company elected to match 100% of the first 2% and 25% for 3%-6% of employee contributions during 2019.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings/(losses), and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances with certain limitations. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant becomes 100% vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their accounts up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined quarterly by the plan administrator, which was between 5.75% and 6.50% for 2019. Loan terms range from one to five years. Principal and interest are paid ratably through payroll deductions.

NOTE A – DESCRIPTION OF PLAN (concluded)

Payment of Benefits - On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in partial payments or systematic installments as elected by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts - If participants end employment before they are 100% vested in the Company's contribution portion of their accounts, the non-vested portion of the account is forfeited. Forfeitures are reallocated as additional Company contributions to the participants remaining in the Plan. Forfeited non-vested amounts of $21,585 were used to reduce the Employer contributions for the year ended December 31, 2019. The forfeited non-vested account amounted to $3,287 and $4,634 as of December 31, 2019 and 2018, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies, utilizing information provided by investment advisors and custodian. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019 and 2018, respectively.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - All expenses of maintaining the Plan are paid by the Company. These expenses do not include indirect fees charged by service providers.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and significant to fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan's investments consist of mutual funds and a common collective trust as of December 31, 2019 and 2018, which are valued using Level 1 inputs. No Level 2 or Level 3 inputs were available to the Plan.

Fair values of assets measured on a recurring basis of December 31, 2019 and 2018, were as follows:

	Fair Value	Level 1	Level 2	Level 3
December 31, 2019:				
Mutual funds	$6,872,136	$6,872,136	$ -	$ -
Common collective trust	1,088,666	1,088,666	-	-
Total assets	$ 7,960,802	$ 7,960,802	$ -	$ -
December 31, 2018:				
Mutual funds	$5,016,132	$5,016,132	$ -	$ -
Common collective trust	1,127,471	1,127,471	-	-
Total assets	$ 6,143,603	$ 6,143,603	$ -	$ -

NOTE D – INVESTMENTS

The Plan's investments in mutual funds and a common collective trust (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $1,200,025 for the year ended December 31, 2019.

NOTE E – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Investments, the custodian of the Plan.

NOTE E – RELATED PARTY TRANSACTIONS (concluded)

The Plan incurred administrative expenses of $74,861 for the year ended December 31, 2019. Of this amount, $63,145 was paid by the Plan and $11,716 was paid and/or accrued by the Company, a party-in-interest.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified as complete and accurate by the custodian as of and for the year ended December 31, 2019:

Mutual fund and common collective trust accounts	$7,960,802
Net appreciation in fair value of assets	$1,200,025

NOTE H – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

Net increase per statements	$ (1,944,912)
Employer contributions receivable	2,264
Net increase per Form 5500	$ (1,942,648)

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – SUBSEQUENT EVENT

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The COVID-19 pandemic has created economic disruptions throughout the country causing significant declines in the financial markets and economic activity overall. The Plan's operations are considered essential services and have not been negatively impacted by the COVID-19 outbreak as of September 10, 2020; however, the ultimate effect of the COVID-19 outbreak is expected to be significant and is not quantifiable at this time.

Subsequent events were evaluated through September 10, 2020, which is the date the financial statements were available to be issued.

NOTE A – DESCRIPTION OF PLAN

The Cone Distributing, Inc. 401(k) Plan (the Plan) agreement was amended on August 1, 2018 when the assets of the Plan were transferred to Fidelity Management Trust Company. The amendment also changed many provisions of the Plan and the following description provides only general information about the amended Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of Cone Distributing, Inc. (the Company) who have 3 months of service and are age twenty-one or older. Once these eligibility requirements have been met, eligible employees are enrolled on the first day of each month; however, eligible employees may opt-out of enrollment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Inception of the plan was January 1, 2000.

Contributions - Each year, participants may make pretax and Roth contributions from 1% to 75% of eligible compensation, as defined in the Plan, subject to the limitations provided by the Internal Revenue Code, which was $19,000 for those under age 50 during 2019 and $18,500 for 2018, and $25,000 for those age 50 or over during 2019 and $24,500 for 2018. Participants direct their investment of all contributions credited to their accounts into various investment securities offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make annual matching and/or basic contributions to the Plan at the option of the Company's Administrative Committee. The Company elected to match 100% of the first 2% and 25% for 3%-6% of employee contributions during 2019.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings/(losses), and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances with certain limitations. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant becomes 100% vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their accounts up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined quarterly by the plan administrator, which was between 5.75% and 6.50% for 2019. Loan terms range from one to five years. Principal and interest are paid ratably through payroll deductions.

NOTE A – DESCRIPTION OF PLAN (concluded)

Payment of Benefits - On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in partial payments or systematic installments as elected by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts - If participants end employment before they are 100% vested in the Company's contribution portion of their accounts, the non-vested portion of the account is forfeited. Forfeitures are reallocated as additional Company contributions to the participants remaining in the Plan. Forfeited non-vested amounts of $21,585 were used to reduce the Employer contributions for the year ended December 31, 2019.
