Independent Auditor's Report

Plan Committee and Participants
Sunland Fire Protection, Inc. Employee Savings Retirement Plan
High Point, North Carolina

We were engaged to audit the accompanying financial statements of Sunland Fire Protection, Inc. Employee Savings Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 (liquidation basis) and 2018 (going concern basis), and the related statements of changes in net assets available for benefits for the year ended December 31, 2019 (liquidation basis) and 2018 (going concern basis) and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Alerus Financial, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Plan Termination and Merger and Use of Liquidation Basis of Accounting

As described in Notes 2 and 6 to the financial statements, on January 3, 2020, the Plan was terminated and merged into the API Group, Inc. 401(k) Safe Harbor Plan, and management determined that liquidation was imminent. Accordingly, the Plan has changed its basis of accounting from the going concern basis used in presenting the Plan's 2018 financial statements to the liquidation basis used in presenting the Plan's 2019 financial statements. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule, as listed in the accompanying table of contents, as of or for the year ended December 31, 2019, is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

1. Description of Plan

The following description of the Sunland Fire Protection, Inc. (the “Company” or “Employer”) Employee Savings Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement or summary plan description for a more complete description of the Plan’s provisions.

Effective November 1, 2017, the Company was acquired by American Fire Protection Group. This transaction had no impact on Plan operations through 2019. See Notes 2, 6 and 10.

General

The Plan is a defined contribution plan available to eligible employees of the Company. To be eligible to participate in the Plan, an employee must have attained the age of 21 and completed one year of service with more than 1,000 hours. Employees may begin participation as of January 1, April 1, July 1 or October 1 of the year in which they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Participants may elect to contribute a percentage of their pre-tax or after-tax annual compensation, as defined in the Plan, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). For 2019 and 2018, the Company matched 50% of the first 6% of base compensation that each participant contributed to the Plan. The Company may also make a discretionary profit sharing contribution to be determined annually by the Board of Directors. The profit sharing contribution is allocated to participants based upon the percentage of their compensation to total compensation for all eligible participants. Participants must complete 1,000 hours of service and be employed on the last day of the plan year in order to receive any Company contributions. There was no discretionary profit sharing contribution in 2019 or 2018.

Upon enrollment in the Plan, a participant may direct participant and Company contributions in any of the investment options offered through the Plan. Participants may change their investment options at any time. Participants may change their deferral percentages quarterly on January 1, April 1, July 1 and October 1.

Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings and administrative expenses. Allocations are based upon participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

See accompanying independent auditor’s report.

Sunland Fire Protection, Inc. Employee Savings Retirement Plan

Notes to Financial Statements

1. Description of Plan (Concluded)

Vesting

Participants are immediately vested in their voluntary contributions, plus any income or loss thereon. Vesting in the Company's discretionary matching and profit sharing contributions, plus any income or loss thereon, is based on years of continuous service according to the following schedule:

Years of Continuous Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service due to death, disability, retirement or separation, a participant may elect to receive a lump-sum payment or installment payments. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Forfeitures

Forfeitures from non-vested participant accounts may be used to offset plan administrative expenses or future Company contributions. During 2019 and 2018, forfeitures of \$6,614 and \$3,668 were used to offset administrative expenses. Forfeitures of \$2,969 were available as of December 31, 2019.

Administrative Expenses

The Company absorbs certain expenses incidental to the administration of the Plan, including internal administrative costs. Distribution and loan fees are paid from affected participant accounts. Other fees, including trustee, recordkeeping and asset fees, are paid by the Plan.

See accompanying independent auditor's report.

Sunland Fire Protection, Inc. Employee Savings Retirement Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on a liquidation basis, in accordance with accounting principles generally accepted in the United States of America ("GAAP"). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. As a result of the Plan termination and merger effective January 3, 2020, the Plan's financial statements as of December 31, 2019 and for the year then ended have been prepared on the liquidation basis and the December 31, 2018 financial statements have been prepared on a going concern basis, in accordance with GAAP. There were no material changes to the 2019 financial statements as a result of the change to the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

New Accounting Standards

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820) – Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The ASU modifies the disclosure requirements for the fair value measurements in Topic 820, including the elimination, modification to, and addition of certain disclosures. The ASU is effective for fiscal years beginning after December 15, 2019. The provisions of the ASU are not expected to have a material impact on the Plan's financial statements.

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through September 17, 2020, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements, other than as disclosed in Note 6.

See accompanying independent auditor's report.

Sunland Fire Protection, Inc. Employee Savings Retirement Plan

Notes to Financial Statements

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule as of December 31, 2019 and 2018, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2019 and 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Alerus Financial, N.A. (“Alerus”).

4. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

5. Income Tax Status

The Plan has adopted a prototype plan document sponsored by Alerus. The IRS has determined and informed Alerus by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

6. Plan Termination and Merger

In January 2020, the Plan was terminated and merged into the API Group Inc. 401(k) Safe Harbor Plan (“API Plan”). As a result, participant accounts became fully vested and nonforfeitable and were rolled over to the API Plan. Employees were eligible to participate immediately in the API Plan.

7. Party-in-Interest Transactions

Administrative fees paid by the Plan to Alerus for administrative services amounted to \$13,773 and \$9,395 for 2019 and 2018. Alerus is the trustee and recordkeeper of the Plan. As such, these transactions qualify as party-in-interest.

See accompanying independent auditor’s report.

Sunland Fire Protection, Inc. Employee Savings Retirement Plan

Notes to Financial Statements

8. Fair Value Measurements

The Plan has adopted Accounting Standards Codification 820, “Fair Value Measurements and Disclosures” (“ASC 820”) which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurements

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018.

Mutual funds: Valued at net asset value (“NAV”) of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2019.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,460	\$ -	\$ -	\$ 2,460
	\$ 2,460	\$ -	\$ -	\$ 2,460
