NOTE A – DESCRIPTION OF PLAN

The following description of the Sun and Sands Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Specific inquiries regarding Plan provisions should refer to the summary Plan description. Copies of this publication are available from Sun and Sands Enterprises, Inc. (the "Plan Sponsor").

General

The Plan is a defined contribution plan (401(k)), effective January 1, 1997, as restated January 1, 2015, covering all eligible employees of Sun and Sands Enterprises, Inc. (the "Company") who have been credited with one month of service for elective deferrals, six months of service for profit-sharing, one year of service for matching, and who have attained 21 years of age. Employees of the Company who are nonresident aliens or leased employees are not eligible for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, eligible participants may make salary deferrals up to the maximum amount allowed by the Internal Revenue Service under IRC Section 402(g). The Company makes traditional basic safe harbor matching contributions (100% of the first 3% plus 50% from 3% to 5% of participant contributions) and may elect to make additional discretionary matching or profit-sharing contributions to all eligible participants. Participants who have attained age 50 by the last day of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans.

Participant Accounts

Each participant's account is credited with (a) the participant's salary deferral contribution and related employer matching contribution, (b) an allocation of the Company's discretionary profit-sharing contribution, if any, and (c) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant eligible compensation or account balances, as defined under the Plan. The participant eligible for a distribution of their account balance under the Plan is entitled to no more than their vested account balance.

Vesting

Participants are immediately vested in their salary deferral contributions and safe harbor matching contributions plus earnings thereon. Vesting in the Company's non-elective profit-sharing contributions and plus earnings thereon is based on a five-year graduated vesting schedule. A participant is fully vested after five years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct their entire account balance among any of the pre-selected investment options offered by the Plan.

Distribution of Benefits

The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account. Benefits may be distributed to participants upon termination of service by reason of retirement, disability, death or other separation from service. Upon reaching 59½ Years of age, participants may elect to receive in-service withdrawals. The Plan also maintains a provision for hardship withdrawals.

NOTE A – DESCRIPTION OF PLAN (Continued)

Forfeited Accounts
Forfeitures of terminated participants' non-vested accounts are used to reduce employer contributions or administrative fees. Forfeitures totaled $14,088 and $1,529 for the plan year ended December 31, 2019 and 2018, respectively.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes must be repaid within five years unless it is for the purchase of a primary residence. The participant loans are secured by the vested balance in the participant's account and bear an interest rate equal to 1% over the prime interest rate. Principal and interest payments are made through payroll deductions.

Participant loans are measured at the participant loans' unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications
Certain items in the prior year financial statements have been reclassified to conform to current year presentation. These reclassifications had no effect on the Statement of Changes in Net Assets Available for Benefits or State of Net Assets of the Plan.

Investment Valuation
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Fair Value of Plan Assets and Liabilities.

Income Recognition
Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (Continued)

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are not reflected within the financial statements. Fees related to the administration of a Plan service for a participant are assessed directly to that participant's account. Investment related expenses are included in net appreciation/(depreciation) of the fair value of investments.

Payment of Benefits
Benefits are recorded when paid.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE D – TAX STATUS

The Plan adopted a standardized form of prototype plan sponsored by The Rose Financial Group, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service dated December 1, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there is currently no audit for any tax period in progress. Plan tax filings are subject to examination for three years.

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires a plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

- Level 1 – Quoted prices in active markets for identical assets or liabilities

- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018, respectively.

Non-register accounts: Participant loans are valued at their outstanding balances, which approximates fair value.

Pooled separate accounts: Are valued at the net asset value (NAV) based on units of the pooled separate accounts. The NAV is provided by the trustee and is used a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Redemptions are permitted daily with no restrictions or notice periods. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Pooled Separate Accounts are measured at net asset value.

December 31, 2019	Level 1	Level 2	Level 3	Total
Non-Register Accounts	-	-	128,012	128,012
Total Assets in the Fair Value Hierarchy	$ -	-	128,012	$ 128,012
Pooled Separate Accounts				9,352,990
Total Investments Measured at Fair Value				$ 9,481,002

December 31, 2018	Level 1	Level 2	Level 3	Total
Non-Register Accounts	-	-	152,207	152,207
Total Assets in the Fair Value Hierarchy	$ -	-	152,207	$ 152,207
Pooled Separate Accounts				8,292,310
Total Investments Measured at Fair Value				$ 8,444,517

NOTE (G) – STABLE VALUE ACCOUNT

The Plan assets in the Stable Value Account are invested in a group annuity contract, which is a benefit-responsive investment contract with Lincoln Financial Group Trust Company (LFGTC) totaling $1,630,731 for 2019 and $1,539,280 for 2018. LFGTC maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Stable Value Account provides a guaranteed fixed rate of return with no risk of loss of principal except as subject to charges upon withdrawal as described in the contract. The credit rates are not based on actual performance of the underlying securities in the Stable Value Account, but rather determined in the contract. Crediting interest rates are reset at least as frequently as annually. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The Stable Value Account that meets the criteria of a fully benefit-responsive investment contract and therefore is reported at contract value which is the most reasonable estimate of fair value. Contract value is the relevant measure for the fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transaction under the terms of the Plan. Contract value represents contributions made, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet it contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant

NOTE (G) – STABLE VALUE ACCOUNT (Continued)

withdrawal for the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the plan to transact at contract value with the contract issuers and the also would limit the ability of the plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of the material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY LINCOLN FINANCIAL

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Lincoln Financial Group Trust Company, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule of assets (held at the end of year).

The trustee has supplied the plan administrator with a certification as to the completeness and accuracy of certain investment information presented in the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, and the statement of changes in net assets available for benefits for the years ended December 31, 2019 and 2018 and the supplemental schedule of assets held at end of years as of December 31, 2019 and 2018.

NOTE H – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – PARTY-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, and person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose employees are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons. Accordingly, loans to participants and the management of investments held by the trustee are considered party-in-interest transactions.

NOTE I – PARTY-IN-INTEREST (Continued)

The Plan invests in certain funds of Lincoln Financial Group Trust Company who serves as the plan trustee.

NOTE J – SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 16, 2020, the date these financial statements were issued. As a result of the spread of the COVID-19 coronavirus pandemic, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions for Plan year 2020. Other financial impact could occur through such potential impact is unknow at this time.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and will require significant changes to plan administration and recordkeeping.

General Instructions

What's New

The June 2011 version of Form 5558 required a signature for extensions of time to file Form 8955-SSA. A signature is no longer required for an extension to file Form 8955-SSA. As under the June 2011 version of Form 5558, a signature is also not required to extend the time to file Form 5500 series; however, a signature is still required to extend the time to file Form 5330.

The June 2011 version of the Form 5558 provided space for the names of three plans; as a result a single Form 5558 could be used to extend the time to file returns for three plans. The Form 5558 now limits the extension to a single plan. Applications for extensions of other plans must be submitted on additional Forms 5558. As under current rules, lists of other plans should not be attached to a Form 5558. Lists attached to Form 5558 will not be processed. Only the plan listed on Form 5558 will be processed.

A new checkbox has been added for recently adopted plans that are requesting an extension of time to file a Form 5500 series return/report where a Form 5500 series return/report is being filed for that plan for the first time.

Future Developments

For the latest information about developments related to Form 5558 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/form5558*.

Purpose of Form

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Annual Return/Report of Employee Benefit Plan; Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan; Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan); Form 8955-SSA, Annual Registration Statement Identifying Separated Participants With Deferred Vested Benefits; or Form 5330, Return of Excise Taxes Related to Employee Benefit Plans.

To avoid processing delays, the most recent version of this Form 5558 should always be used. For example, this Form 5558 (Rev. August 2012) should be used instead of the June 2011 version or any other prior version. To determine the most recent version of this Form, go to IRS.gov/retirement.

Where To File

File Form 5558 with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Private delivery services. You can use certain private delivery services designated by the IRS to meet the "timely mailing treated as timely filing/paying" rule for tax returns and payments. If you use a private delivery service designated by the IRS (rather than the U.S. Postal Service) to send your return, the postmark date generally is the date the private delivery service records in its database or marks on the mailing label. The private delivery service can tell you how to get written proof of this date.

The following are designated private delivery services:

- DHL Express (DHL): DHL Same Day Service.
- Federal Express (FedEx): FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2 Day, FedEx International Priority, and FedEx International First.
- United Parcel Service (UPS): UPS Next Day Air, UPS Next Day Air Saver, UPS 2nd Day Air, UPS 2nd Day Air A.M., UPS Worldwide Express Plus, and UPS Worldwide Express.

Specific Instructions

Part I. Identification

A. Name and Address

Enter your name and address in the heading if you are requesting an extension of time to file the Form 5500, Form 5500-SF, Form 5500-EZ and/or Form 8955-SSA or Form 5330.

The plan sponsor (generally, the employer for a single-employer plan) or plan administrator listed on the application should be the same as the plan sponsor or plan administrator listed on the annual return/report filed for the plan.

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

If the entity's address is outside the United States or its possessions, or territories, enter in the space for city or town, state, and ZIP code, the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If your mailing address has changed since you filed your last return, use Form 8822, Change of Address, to notify the IRS of the change. A new address shown on Form 5558 will not update your record.

B. Filer's Identifying Number

Employer identification number (EIN). Enter the nine-digit EIN in an XX-XXXXXXX format, assigned to the employer for all applications filed for the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA. Also enter the EIN for applications filed for Form 5330 (see *Social security number (SSN)* next for exceptions).

If the employer does not have an EIN, the employer must apply for one. An EIN can be applied for:

- Online by clicking the Online EIN Application link at IRS.gov. The EIN is issued immediately once the application information is validated.

Note. The online application process is not yet available for corporations with addresses in foreign countries.

- By telephone at 1-800-829-4933.
- By fax using the FAX-TIN numbers for your state listed in the Instructions for Form SS-4.
- Employers who do not have an EIN may apply for one by attaching a completed Form SS-4, Application for Employer Identification Number, to this form.

Social security number (SSN). If you made excess contributions to a section 403(b)(7)(A) custodial account or you are a disqualified person other than an employer, and you are applying for an extension of time to file Form 5330, enter your nine-digit SSN in an XXX-XX-XXXX format. Do not enter your SSN for Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

C. Plan Information

Complete the plan name, plan number, and plan year ending for the plan included on this Form 5558.

Part II. Extension of Time To File Form 5500 Series and/or Form 8955-SSA

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

Do not include the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) or the Form 8955-SSA with this form.

Exception: Form 5500, Form 5500-SF, Form 5500-EZ, and Form 8955-SSA filers are automatically granted extensions of time to file until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if both of the following conditions are met: (1) the plan year and the employer's tax year are the same; and (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA. An extension granted under this exception cannot be extended further by filing a Form 5558 after the normal due date of the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

An extension of time to file a Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA does not operate as an extension of time to file the PBGC (Pension Benefit Guaranty Corporation) Form 1, Annual Premium Payment.

How to file. A separate Form 5558 must be used for each plan for which an extension is requested. For example, if an employer maintains a defined benefit plan and a profit-sharing plan, a separate Form 5558 must be filed for each plan. A single Form 5558 may, however, be used to extend the time to file a plan's Form 5500 series return/report and its Form 8955-SSA.

Lists of other plans should not be attached to a Form 5558. Only the plan listed on Form 5558 will be processed. Lists attached to the Form 5558 will not be processed.

When to file. To request an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, file Form 5558 on or before the return/report's normal due date. The normal due date is the date the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA would otherwise be due, without extension.

Applications for extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA that are filed on or before the return/report's normal due date on a properly completed Form 5558 will be automatically approved to the date that is no later than the 15th day of the third month after the return/report's normal due date.

Note. If the filing date falls on a Saturday, Sunday, or a legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or a legal holiday.

Approved copies of Form 5558 requesting an extension to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA will not be returned to the filer from the IRS.

Line 1. Check this box if the extension of time being requested on line 2 is for the first Form 5500 series return/report filed for the plan. This box should not be checked if the plan previously filed a Form 5500 series return/report at any time for any year.

Line 2. Enter on line 2 the due date for which you are requesting to file Form 5500, Form 5500-SF, or Form 5500-EZ. This date should not be later than the 15th day of the third month after the normal due date of the return/report.

When using Form 5558 to request an extension of time to file Form 5500, Form 5500-SF, or Form 5500-EZ, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension not later than the 15th day of the third month after the return/report's normal due date to file Form 5500, Form 5500-SF, or Form 5500-EZ.

Line 3. Enter on line 3 the due date for which you are requesting to file Form 8955-SSA. This date should not be later than the 15th day of the third month after the normal due date of the return.

When using Form 5558 to request an extension of time to file Form 8955-SSA, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension not later than the 15th day of the third month after the return's normal due date to file Form 8955-SSA.

Part III. Extension of Time To File Form 5330

File one Form 5558 to request an extension of time to file Form 5330 for excise taxes with the same filing due date. For specific information on excise tax due dates, see the Instructions for Form 5330.

CAUTION *An extension of time to file does not extend the time to pay the tax due. Any tax due must be paid with this application for an extension of time to file Form 5330. Additionally, interest is charged on taxes not paid by the due date even if an extension of time to file is granted.*

Note. The IRS will no longer return stamped copies of the Form 5558 to filers who request an extension of time to file a Form 5330. Instead you will receive a computer generated notice to inform you if your extension is approved or denied. Because of this change, we ask you to attach a photocopy of this notice to your Form 5330.

When to file. To request an extension of time to file Form 5330, file Form 5558 in sufficient time for the IRS to consider and act on it before the return's normal due date.

The normal due date is the date the Form 5330 would otherwise be due, without extension.

Line 4. On line 4, enter the requested due date. If your application for extension of time to file Form 5330 is approved, you may be granted an extension of up to 6 months after the normal due date of Form 5330.

Line 4a. Indicate the section(s) for the excise tax for which you are requesting an extension.

Line 4b. Enter the amount of tax estimated to be due with Form 5330 and attach your payment to this form.

Make your check or money order payable to the "United States Treasury." Do not send cash. On all checks or money orders, write your name, filer's identifying number (EIN or SSN), plan number, Form 5330 section number, and the tax year to which the payment applies.

If you changed your mailing address after you filed your last return, use Form 8822 to notify the IRS of the change. You can get Form 8822 by calling 1-800-829-3676 or you can access the IRS website at IRS.gov 24 hours a day, 7 days a week.

Line 5. The IRS will grant a reasonable extension of time (not to exceed 6 months) for filing Form 5330 if you file a timely application showing that you are unable to file Form 5330 because of circumstances beyond your control. Clearly describe these circumstances. Generally, an application will be considered on the basis of your own efforts to fulfill this filing responsibility, rather than the convenience of anyone providing help in preparing the return. However, consideration will be given to any circumstances that prevent your practitioner, for reasons beyond his or her control, from filing the return by the normal due date, and to circumstances in which you are unable to get needed professional help in spite of timely efforts to do so.

CAUTION *If we grant you an extension of time to file Form 5330 and later find that the statements made on this form are false or misleading, the extension will be null and void. A late filing penalty associated with the form for which you filed this extension will be charged.*

Signature

If you are filing Form 5558 for an extension to file Form 5330, the Form 5558 must be signed. The person who signs this form may be an employer, a plan sponsor, a plan administrator, a disqualified person required to file Form 5330, an attorney or certified public accountant qualified to practice before the IRS, a person enrolled to practice before the IRS, or a person holding a power of attorney.

If you are filing Form 5558 for an extension to file Form 5500 series return/report or Form 8955-SSA, a signature is not required.

Privacy Act and Paperwork Reduction Act Notice

We ask for the information on this form to carry out the Internal Revenue laws of the United States and the Employee Retirement Income Security Act of 1974 (ERISA). We need it to determine if you are entitled to an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330. You are not required to request an extension; however, if you want an extension, section 6081 requires you to provide the information. Section 6109 requires you to provide your identification number. Failure to provide this information may delay or prevent processing your request; providing false information may subject you to penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential as required by section 6103.

However, section 6103 allows or requires the Internal Revenue Service to disclose this information to others. We may disclose to the Department of Justice for civil or criminal litigation, to the Department of Labor and the Pension Benefit Guaranty Corporation for the administration of ERISA, and to cities, states, the District of Columbia, and U.S. commonwealths or possessions to carry out their tax laws. We may also disclose the information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time: 24 minutes.

If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Internal Revenue Service, Tax Products Coordinating Committee, SE:W:CAR:MP:T:M:S, 1111 Constitution Ave., NW, IR-6526, Washington, DC 20224. NOTE A – DESCRIPTION OF PLAN

The following description of the Sun and Sands Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Specific inquiries regarding Plan provisions should refer to the summary Plan description. Copies of this publication are available from Sun and Sands Enterprises, Inc. (the "Plan Sponsor").

General

The Plan is a defined contribution plan (401(k)), effective January 1, 1997, as restated January 1, 2015, covering all eligible employees of Sun and Sands Enterprises, Inc. (the "Company") who have been credited with one month of service for elective deferrals, six months of service for profit-sharing, one year of service for matching, and who have attained 21 years of age. Employees of the Company who are nonresident aliens or leased employees are not eligible for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, eligible participants may make salary deferrals up to the maximum amount allowed by the Internal Revenue Service under IRC Section 402(g). The Company makes traditional basic safe harbor matching contributions (100% of the first 3% plus 50% from 3% to 5% of participant contributions) and may elect to make additional discretionary matching or profit-sharing contributions to all eligible participants. Participants who have attained age 50 by the last day of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans.

Participant Accounts

Each participant's account is credited with (a) the participant's salary deferral contribution and related employer matching contribution, (b) an allocation of the Company's discretionary profit-sharing contribution, if any, and (c) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant eligible compensation or account balances, as defined under the Plan. The participant eligible for a distribution of their account balance under the Plan is entitled to no more than their vested account balance.

Vesting

Participants are immediately vested in their salary deferral contributions and safe harbor matching contributions plus earnings thereon. Vesting in the Company's non-elective profit-sharing contributions and plus earnings thereon is based on a five-year graduated vesting schedule. A participant is fully vested after five years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct their entire account balance among any of the pre-selected investment options offered by the Plan.

Distribution of Benefits

The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account. Benefits may be distributed to participants upon termination of service by reason of retirement, disability, death or other separation from service. Upon reaching 59½ Years of age, participants may elect to receive in-service withdrawals. The Plan also maintains a provision for hardship withdrawals.

NOTE A – DESCRIPTION OF PLAN (Continued)

Forfeited Accounts
Forfeitures of terminated participants' non-vested accounts are used to reduce employer contributions or administrative fees. Forfeitures totaled $14,088 and $1,529 for the plan year ended December 31, 2019 and 2018, respectively.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes must be repaid within five years unless it is for the purchase of a primary residence. The participant loans are secured by the vested balance in the participant's account and bear an interest rate equal to 1% over the prime interest rate. Principal and interest payments are made through payroll deductions.

Participant loans are measured at the participant loans' unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications
Certain items in the prior year financial statements have been reclassified to conform to current year presentation. These reclassifications had no effect on the Statement of Changes in Net Assets Available for Benefits or State of Net Assets of the Plan.

Investment Valuation
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Fair Value of Plan Assets and Liabilities.

Income Recognition
Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (Continued)

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are not reflected within the financial statements. Fees related to the administration of a Plan service for a participant are assessed directly to that participant's account. Investment related expenses are included in net appreciation/(depreciation) of the fair value of investments.

Payment of Benefits
Benefits are recorded when paid.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE D – TAX STATUS

The Plan adopted a standardized form of prototype plan sponsored by The Rose Financial Group, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service dated December 1, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there is currently no audit for any tax period in progress. Plan tax filings are subject to examination for three years.

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires a plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

- Level 1 – Quoted prices in active markets for identical assets or liabilities

- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018, respectively.

Non-register accounts: Participant loans are valued at their outstanding balances, which approximates fair value.

Pooled separate accounts: Are valued at the net asset value (NAV) based on units of the pooled separate accounts. The NAV is provided by the trustee and is used a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Redemptions are permitted daily with no restrictions or notice periods. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Pooled Separate Accounts are measured at net asset value.

December 31, 2019	Level 1	Level 2	Level 3	Total
Non-Register Accounts	-	-	128,012	128,012
Total Assets in the Fair Value Hierarchy	$ -	-	128,012	$ 128,012
Pooled Separate Accounts				9,352,990
Total Investments Measured at Fair Value				$ 9,481,002

December 31, 2018	Level 1	Level 2	Level 3	Total
Non-Register Accounts	-	-	152,207	152,207
Total Assets in the Fair Value Hierarchy	$ -	-	152,207	$ 152,207
Pooled Separate Accounts				8,292,310
Total Investments Measured at Fair Value				$ 8,444,517

NOTE (G) – STABLE VALUE ACCOUNT

The Plan assets in the Stable Value Account are invested in a group annuity contract, which is a benefit-responsive investment contract with Lincoln Financial Group Trust Company (LFGTC) totaling $1,630,731 for 2019 and $1,539,280 for 2018. LFGTC maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Stable Value Account provides a guaranteed fixed rate of return with no risk of loss of principal except as subject to charges upon withdrawal as described in the contract. The credit rates are not based on actual performance of the underlying securities in the Stable Value Account, but rather determined in the contract. Crediting interest rates are reset at least as frequently as annually. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The Stable Value Account that meets the criteria of a fully benefit-responsive investment contract and therefore is reported at contract value which is the most reasonable estimate of fair value. Contract value is the relevant measure for the fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transaction under the terms of the Plan. Contract value represents contributions made, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet it contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant

NOTE (G) – STABLE VALUE ACCOUNT (Continued)

withdrawal for the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the plan to transact at contract value with the contract issuers and the also would limit the ability of the plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of the material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY LINCOLN FINANCIAL

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Lincoln Financial Group Trust Company, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule of assets (held at the end of year).

The trustee has supplied the plan administrator with a certification as to the completeness and accuracy of certain investment information presented in the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, and the statement of changes in net assets available for benefits for the years ended December 31, 2019 and 2018 and the supplemental schedule of assets held at end of years as of December 31, 2019 and 2018.

NOTE H – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – PARTY-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, and person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose employees are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons. Accordingly, loans to participants and the management of investments held by the trustee are considered party-in-interest transactions.

NOTE I – PARTY-IN-INTEREST (Continued)

The Plan invests in certain funds of Lincoln Financial Group Trust Company who serves as the plan trustee.

NOTE J – SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 16, 2020, the date these financial statements were issued. As a result of the spread of the COVID-19 coronavirus pandemic, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions for Plan year 2020. Other financial impact could occur through such potential impact is unknow at this time.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and will require significant changes to plan administration and recordkeeping.

What's New

The June 2011 version of Form 5558 required a signature for extensions of time to file Form 8955-SSA. A signature is no longer required for an extension to file Form 8955-SSA. As under the June 2011 version of Form 5558, a signature is also not required to extend the time to file Form 5500 series; however, a signature is still required to extend the time to file Form 5330.

The June 2011 version of the Form 5558 provided space for the names of three plans; as a result a single Form 5558 could be used to extend the time to file returns for three plans. The Form 5558 now limits the extension to a single plan. Applications for extensions of other plans must be submitted on additional Forms 5558. As under current rules, lists of other plans should not be attached to a Form 5558. Lists attached to Form 5558 will not be processed. Only the plan listed on Form 5558 will be processed.

A new checkbox has been added for recently adopted plans that are requesting an extension of time to file a Form 5500 series return/report where a Form 5500 series return/report is being filed for that plan for the first time.

Future Developments

For the latest information about developments related to Form 5558 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/form5558*.

Purpose of Form

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Annual Return/Report of Employee Benefit Plan; Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan; Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan); Form 8955-SSA, Annual Registration Statement Identifying Separated Participants With Deferred Vested Benefits; or Form 5330, Return of Excise Taxes Related to Employee Benefit Plans.

To avoid processing delays, the most recent version of this Form 5558 should always be used. For example, this Form 5558 (Rev. August 2012) should be used instead of the June 2011 version or any other prior version. To determine the most recent version of this Form, go to IRS.gov/retirement.

Where To File

File Form 5558 with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Enter your name and address in the heading if you are requesting an extension of time to file the Form 5500, Form 5500-SF, Form 5500-EZ and/or Form 8955-SSA or Form 5330.

The plan sponsor (generally, the employer for a single-employer plan) or plan administrator listed on the application should be the same as the plan sponsor or plan administrator listed on the annual return/report filed for the plan.

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

If the entity's address is outside the United States or its possessions, or territories, enter in the space for city or town, state, and ZIP code, the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If your mailing address has changed since you filed your last return, use Form 8822, Change of Address, to notify the IRS of the change. A new address shown on Form 5558 will not update your record.

B. Filer's Identifying Number

Employer identification number (EIN). Enter the nine-digit EIN in an XX-XXXXXXX format, assigned to the employer for all applications filed for the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA. Also enter the EIN for applications filed for Form 5330 (see *Social security number (SSN)* next for exceptions).

If the employer does not have an EIN, the employer must apply for one. An EIN can be applied for:

- Online by clicking the Online EIN Application link at IRS.gov. The EIN is issued immediately once the application information is validated.

Note. The online application process is not yet available for corporations with addresses in foreign countries.

- By telephone at 1-800-829-4933.
- By fax using the FAX-TIN numbers for your state listed in the Instructions for Form SS-4.
- Employers who do not have an EIN may apply for one by attaching a completed Form SS-4, Application for Employer Identification Number, to this form.

Social security number (SSN). If you made excess contributions to a section 403(b)(7)(A) custodial account or you are a disqualified person other than an employer, and you are applying for an extension of time to file Form 5330, enter your nine-digit SSN in an XXX-XX-XXXX format. Do not enter your SSN for Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

C. Plan Information

Complete the plan name, plan number, and plan year ending for the plan included on this Form 5558.

Part II. Extension of Time To File Form 5500 Series and/or Form 8955-SSA

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

Do not include the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) or the Form 8955-SSA with this form.

Exception: Form 5500, Form 5500-SF, Form 5500-EZ, and Form 8955-SSA filers are automatically granted extensions of time to file until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if both of the following conditions are met: (1) the plan year and the employer's tax year are the same; and (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA. An extension granted under this exception cannot be extended further by filing a Form 5558 after the normal due date of the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

An extension of time to file a Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA does not operate as an extension of time to file the PBGC (Pension Benefit Guaranty Corporation) Form 1, Annual Premium Payment.

How to file. A separate Form 5558 must be used for each plan for which an extension is requested. For example, if an employer maintains a defined benefit plan and a profit-sharing plan, a separate Form 5558 must be filed for each plan. A single Form 5558 may, however, be used to extend the time to file a plan's Form 5500 series return/report and its Form 8955-SSA.

Lists of other plans should not be attached to a Form 5558. Only the plan listed on Form 5558 will be processed. Lists attached to the Form 5558 will not be processed.

When to file. To request an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, file Form 5558 on or before the return/report's normal due date. The normal due date is the date the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA would otherwise be due, without extension.

Applications for extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA that are filed on or before the return/report's normal due date on a properly completed Form 5558 will be automatically approved to the date that is no later than the 15th day of the third month after the return/report's normal due date.

Note. If the filing date falls on a Saturday, Sunday, or a legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or a legal holiday.

Approved copies of Form 5558 requesting an extension to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA will not be returned to the filer from the IRS.

Line 1. Check this box if the extension of time being requested on line 2 is for the first Form 5500 series return/report filed for the plan. This box should not be checked if the plan previously filed a Form 5500 series return/report at any time for any year.

Line 2. Enter on line 2 the due date for which you are requesting to file Form 5500, Form 5500-SF, or Form 5500-EZ. This date should not be later than the 15th day of the third month after the normal due date of the return/report.

When using Form 5558 to request an extension of time to file Form 5500, Form 5500-SF, or Form 5500-EZ, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension not later than the 15th day of the third month after the return/report's normal due date to file Form 5500, Form 5500-SF, or Form 5500-EZ.

Line 3. Enter on line 3 the due date for which you are requesting to file Form 8955-SSA. This date should not be later than the 15th day of the third month after the normal due date of the return.

When using Form 5558 to request an extension of time to file Form 8955-SSA, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension not later than the 15th day of the third month after the return's normal due date to file Form 8955-SSA.

Part III. Extension of Time To File Form 5330

File one Form 5558 to request an extension of time to file Form 5330 for excise taxes with the same filing due date. For specific information on excise tax due dates, see the Instructions for Form 5330.

CAUTION *An extension of time to file does not extend the time to pay the tax due. Any tax due must be paid with this application for an extension of time to file Form 5330. Additionally, interest is charged on taxes not paid by the due date even if an extension of time to file is granted.*

Note. The IRS will no longer return stamped copies of the Form 5558 to filers who request an extension of time to file a Form 5330. Instead you will receive a computer generated notice to inform you if your extension is approved or denied. Because of this change, we ask you to attach a photocopy of this notice to your Form 5330.

When to file. To request an extension of time to file Form 5330, file Form 5558 in sufficient time for the IRS to consider and act on it before the return's normal due date.

The normal due date is the date the Form 5330 would otherwise be due, without extension.

Line 4. On line 4, enter the requested due date. If your application for extension of time to file Form 5330 is approved, you may be granted an extension of up to 6 months after the normal due date of Form 5330.

Line 4a. Indicate the section(s) for the excise tax for which you are requesting an extension.

Line 4b. Enter the amount of tax estimated to be due with Form 5330 and attach your payment to this form.

Make your check or money order payable to the "United States Treasury." Do not send cash. On all checks or money orders, write your name, filer's identifying number (EIN or SSN), plan number, Form 5330 section number, and the tax year to which the payment applies.

If you changed your mailing address after you filed your last return, use Form 8822 to notify the IRS of the change. You can get Form 8822 by calling 1-800-829-3676 or you can access the IRS website at IRS.gov 24 hours a day, 7 days a week.

Line 5. The IRS will grant a reasonable extension of time (not to exceed 6 months) for filing Form 5330 if you file a timely application showing that you are unable to file Form 5330 because of circumstances beyond your control. Clearly describe these circumstances. Generally, an application will be considered on the basis of your own efforts to fulfill this filing responsibility, rather than the convenience of anyone providing help in preparing the return. However, consideration will be given to any circumstances that prevent your practitioner, for reasons beyond his or her control, from filing the return by the normal due date, and to circumstances in which you are unable to get needed professional help in spite of timely efforts to do so.

CAUTION *If we grant you an extension of time to file Form 5330 and later find that the statements made on this form are false or misleading, the extension will be null and void. A late filing penalty associated with the form for which you filed this extension will be charged.*

Signature

If you are filing Form 5558 for an extension to file Form 5330, the Form 5558 must be signed. The person who signs this form may be an employer, a plan sponsor, a plan administrator, a disqualified person required to file Form 5330, an attorney or certified public accountant qualified to practice before the IRS, a person enrolled to practice before the IRS, or a person holding a power of attorney.

If you are filing Form 5558 for an extension to file Form 5500 series return/report or Form 8955-SSA, a signature is not required.

Privacy Act and Paperwork Reduction Act Notice

We ask for the information on this form to carry out the Internal Revenue laws of the United States and the Employee Retirement Income Security Act of 1974 (ERISA). We need it to determine if you are entitled to an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330. You are not required to request an extension; however, if you want an extension, section 6081 requires you to provide the information. Section 6109 requires you to provide your identification number. Failure to provide this information may delay or prevent processing your request; providing false information may subject you to penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential as required by section 6103.

However, section 6103 allows or requires the Internal Revenue Service to disclose this information to others. We may disclose to the Department of Justice for civil or criminal litigation, to the Department of Labor and the Pension Benefit Guaranty Corporation for the administration of ERISA, and to cities, states, the District of Columbia, and U.S. commonwealths or possessions to carry out their tax laws. We may also disclose the information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time: 24 minutes.

If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Internal Revenue Service, Tax Products Coordinating Committee, SE:W:CAR:MP:T:M:S, 1111 Constitution Ave., NW, IR-6526, Washington, DC 20224.
