The following description of Clyde Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan non-standardized adoption agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

General
The Plan is a defined contribution plan permitting eligible employees of Clyde's of Georgetown, Inc. and affiliates (collectively, the Company) to participate upon obtaining one year of service and 21 years of age. The Company is a subsidiary of Graham Holdings Company. Effective June 1, 2019, the Plan was amended to change the sponsor of the Plan from Clyde, Inc. to Clyde's of Georgetown, Inc. Collectively bargained employees, non-resident aliens, highly compensated employees, leased employees, and employees covered by another qualified plan are not eligible to participate in the Plan. Eligible employees may become participants on the first day of the month after meeting eligibility.

The custodian and trustee of the Plan is Reliance Trust Company who is responsible for holding plan assets. Automatic Data Processing, LLC (ADP) serves as the Plan's record keeper. Certain members of management serve as the authorized plan representative and plan administrator. ADP Strategic Plan Services, LLC (SPS) serves as an Investment Manager for the Plan.

Participant Contributions
Each year, participants may make salary reduction contributions up to 90% of pretax annual compensation subject to the limitations of the IRC, as defined in the Plan.

Qualified distributions from other qualified retirement plans can also be contributed to the Plan and be retained as rollover contributions. Participants are immediately vested in their salary reduction and rollover contributions plus actual earnings thereon.

Company Contributions
The Company contributes a matching amount equal to 25% of each participant's contribution up to the first 8% of compensation that a participant contributes to the Plan. For the year ended December 31, 2019, the Company made matching contributions of $82,157, net of forfeitures used. The Company matching contributions vest by 25% each year of service until fully vested after four years.

The Company may also make annual non-elective profit-sharing contributions to the Plan that is at the sole discretion of the Company's Board of Directors. A participant must complete at least 1,000 hours of service and be employed as of the last day of the Plan year to be eligible for this discretionary employer contribution. Participants who become disabled, retire or die during the Plan year do not need to satisfy these requirements.

Non-elective employer contributions made to the Plan will be allocated to the participant's account based on an integrated allocation formula. Company non-elective contributions vest by 20% after completion of the first two years of service and vest an additional 20% thereafter until fully vested after six years. For the year ended December 31, 2019, no such non-elective employer contributions were made.

NOTE 1 - Description of Plan, Continued

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, rollovers (transfers in from other qualified plans), the Company matching contribution, and allocations of (a) Company discretionary non-elective contributions (if any), (b) investment earnings, (c) realized and unrealized gains and losses on investments, and (d) administrative expenses in accordance with the investment options selected by each participant and Plan expenses that may be allocated, if any. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participants are eligible for retirement benefits upon attaining the age of 65. Upon termination of service due to death, disability or retirement, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, partial payments or periodic payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or elect a direct rollover distribution. However, if the total value of the vested balance is $1,000 or less, the entire vested balance will be distributed in a lump sum payment. If the vested balance is greater than $1,000 but less than $5,000, the value of the vested interest in their account may be distributed through a direct rollover. Benefit payments to participants are recorded when paid.

Participant Loans

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The number of loans a participant may have outstanding is limited to two. All loans must be approved by the Plan record keeper and will bear interest at a rate commensurate with the prime rate as published by the Wall Street Journal as of the 14th of the month plus 1%. This rate becomes effective for any loans processed as of the 16th day of the month. Interest rates on participant loans ranged from 4.25% to 6.50%. Loans are secured by the balance in the participants' account and require periodic payments and are due through January 11, 2025.

Forfeited Accounts

Terminating participants forfeit the non-vested portion of the participants' employer contributions. Forfeitures may first be used to reduce the Plan's administrative expenses, as directed by the Company. For the year ended December 31, 2019, no forfeitures were used to reduce the Plan's administrative expenses; forfeitures of $2,100 were applied to reduce the Company's contributions to the Plan. At December 31, 2019 and 2018, forfeited non-vested accounts totaled $25,234 and $16,179, respectively.

Investment Options

Participants are afforded several investment options covering a wide range of investment objectives and risk. Participants may allocate their contributions across these options in any proportion they wish and can change this allocation. Transfers of account balances between elected investment options may also be made.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value of Financial Instruments
Accounting Standards Codification 820, *Fair Value Measurements* (ASC 820) establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America. ASC 820 provides a three-tiered fair value hierarchy with Level 1 representing quoted prices for identical assets or liabilities in an active market, Level 2 valuation methodologies include: 1) quoted similar assets or liabilities in an active market, 2) quoted identical or similar assets or liabilities in an inactive market, 3) inputs other than quoted prices that are observable for the asset or liability, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means and Level 3 representing a valuation methodology based on unobservable inputs significant to the fair value measurement.

The Plan discloses its financial instruments, where it is practicable to estimate, at fair value. Quoted market prices are the basis for the fair value of investment securities. Market values are determined using the last reported sales price on the last business day of the Plan year. In instances wherein quoted market prices are not available, securities are stated at estimated fair value as determined by independent investment brokerage firms. Investments in common trust funds ("funds") are stated at estimated fair values, which have been determined based on the unit values of the funds. Unit values are determined by the bank sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Shares of mutual funds and units in the common collective trust are valued at the net asset value of shares held by the Plan at year-end. Other investments are valued at the price reported on the active market on which the individual securities are traded or valued at the NAV of shares held by the Plan at year end.

Income Recognition
In accordance with the policy of stating investments at current market value, net realized and unrealized appreciation and depreciation are reflected in the statement of changes in net assets available for plan benefits. Earnings and interest from investments are recorded as earned using the accrual method of accounting. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants
Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 2 - Summary of Significant Accounting Policies, Continued

Administrative Expenses

The Company may elect to pay the administrative expenses of the Plan or apply forfeitures to pay the administrative expenses of the Plan. If not paid by the Company, administrative expenses are required to be paid by the Plan. All such costs and expenses will, unless allocable to the accounts of particular participants, be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Company. Certain accounting and administrative functions of the Plan are performed by employees of the Company at no cost to the Plan. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

NOTE 3 - Investments

The following table presents, by level, the Plan's investments at fair value:

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,817,030	$ -	$ -	$ 8,817,030

	$ 8,897,228	$ -	$ -	8,897,228
Common collective trusts*				238,900
				$ 9,136,128

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,275,707	$ -	$ -	$ 7,275,707
Self-directed brokerage accounts	68,626	-	-	68,626
	$ 7,344,333	$ -	$ -	7,344,333
Common collective trusts*				223,010
				$ 7,567,343

*In accordance with ASU 2015-07 Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

Realized and unrealized gains and losses included in changes in net assets available for benefits for the year ended December 31, 2019 are included in net appreciation in fair value of investments.

NOTE 4 - Tax Status

On September 2, 2010, the Internal Revenue Service stated that the Plan, as then designed, qualifies under Section 401(a) of the IRC and the related trust is exempt from Federal income taxes. The Plan has since been amended. The Plan administrator and authorized plan representative believe the Plan is being operated in compliance with the applicable requirements of the IRC and that the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management evaluated the Plan's tax positions under guidance from the Financial Accounting Standards Board and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 5 - Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

NOTE 7 – Parties-In-Interest Transactions

ADP acts as the record keeper for the Plan. The Company provides certain accounting and administrative services to the plan for which no fees are charged. Such transactions qualify as parties-in-interest transactions, which are exempt from the prohibited transactions rules.

NOTE 8 – Date of Management's Review

Management has evaluated subsequent events through September 17, 2020, the date which the financial statements were available to be issued.

Plan Amendments

Effective January 1, 2020, the Plan was amended to change the sponsor of the Plan from Clyde's of Georgetown, Inc. to Clyde's of Georgetown LLC. Also, the Plan's name from Clyde, Inc 401(k) Profit Sharing Plan to Clyde's of Georgetown LLC 401(k) Profit Sharing Plan.

COVID-19 Impacts

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
