NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the AmeriTex Pipe & Products 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of all the Plan's provisions.

General:
The Plan is a defined contribution plan covering employees of AmeriTex Pipe & Products, LLC, and Concrete Motor Sports, LLC, (a company under common ownership) (collectively, the Sponsor), except leased employees, who are age 21 or older. Effective January 1, 2019, the Plan changed trustees from Branch Banking and Trust Company to ADP, LLC, and the Plan was amended to reduce employee eligibility from one year of service to six months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee of the Sponsor is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions:
Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor makes safe harbor matching contributions to each participant based on his or her elective deferrals. During the year ended December 31, 2019, the Sponsor elected to match 100% of the first 3% and 50% on the next 2% of employee contributions. In addition, the Sponsor may make discretionary profit sharing contributions to each participant based on his or her elective deferrals. For the year ended December 31, 2019, the Sponsor made no discretionary profit sharing contributions to the Plan. Contributions are subject to certain IRS limitations.

Participant accounts:
Each participant's account is credited with the participant's contributions, Sponsor contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Vesting:
Participants are vested immediately in their contributions and the Sponsor's safe harbor matching contributions, plus actual earnings thereon. Vesting in the Sponsor's discretionary profit sharing contribution portion of their accounts is based on years of continuous service. Participants are 20% vested in the Sponsor's contributions upon completion of two years of service and continue to vest at 20% per year until fully vested.

Notes receivable from participants:
Participants may borrow from their fund accounts a minimum of $1,000 ($500 effective January 1, 2019) up to a maximum of $50,000. The term of the loan should not exceed five years, except for loans associated with the purchase of a primary residence. The loans are secured by the participant's account balance and bear interest at the Wall Street Journal Prime Rate plus one percent (two percent effective January 1, 2019) based on the date of issuance. A participant may not have more than one loan outstanding at any time (two loans effective January 1, 2019). Loan repayments are made through payroll deductions and each payment, which includes interest, is credited to the participant's loan account.

Payment of benefits:
The Plan provides for distributions to participants or their beneficiaries upon retirement, death or termination of services from the Company. A participant's account may be distributed in a single lump sum or installments. In general, if a participant's account balance, as defined by the Plan, is greater than $5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant's account balances less than $5,000 (the involuntary cash out amount) will be paid out in a lump sum regardless of participant election as to payment, upon termination of services of a participant for any reason if the account balance is less than the involuntary cash-out amount. Distributions are subject to the applicable provisions of the Plan document.

In-service withdrawals of all or a portion of a participant's account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, disability, or qualified reservist distributions, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust available alternatives prior to requesting a hardship withdrawal.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Forfeited accounts:
At December 31, 2019 and 2018, forfeited non-vested accounts totaled $5,891 and $0, respectively. These accounts will be used to reduce future employer contributions or expenses. Also, in 2019, employer contributions were reduced by $150 from forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment valuation and income recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Payment of benefits:
Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative expenses:
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events:
The Plan's management has evaluated subsequent events through September 21, 2020, the date on which the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants will become 100% vested in their employer contributions.

NOTE 5 - TAX STATUS

The Plan has adopted the non-standardized profit sharing prototype plan document of ADP, LLC. On July 8, 2014, the Internal Revenue Service stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirement of the IRC and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 5 - TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Branch Banking and Trust Company (through December 31, 2018) and Reliance Trust Company (effective January 1, 2019), the Trustees of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair market value, as shown in the statements of net assets available for benefits as of December 31, 2019 and 2018.
- Total investment income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2019.
- Notes receivable from participants outstanding as of December 31, 2019 and 2018.
- Interest income on notes receivable from participants for the year ended December 31, 2019.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2019.

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board, Accounting Standards Codification 820, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;

NOTE 7 - FAIR VALUE MEASUREMENTS - CONTINUED

- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of underlying investments of participant units held by the Plan as of the last trading day of the period, as reported by the managers of the trust.

Interest-bearing cash: Valued at cost, which approximates fair value, and is classified within Level 1 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

NOTE 7 - FAIR VALUE MEASUREMENTS - CONTINUED

Assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,239,598	$ -	$ -	$ 1,239,598
Investments measured at NAV[1]				
Common collective trust				19,221
Investments at fair value				$ 1,258,819

Assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 479,814	$ -	$ -	$ 479,814
Interest-bearing cash	10,436	-	-	10,436
Investments at fair value	$ 490,250	$ -	$ -	$ 490,250

[1] In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the Statements of Net Assets Available for Benefits.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The following transactions qualify as party-in-interest transactions under ERISA:

- Certain investments managed by Branch Banking and Trust Company (through December 31, 2018) and Reliance Trust Company (effective January 1, 2019), the Plan's Trustees,
- Investment in the Invesco Stable Asset fund provided through Reliance Trust Company,
- All service providers including those paid by the Sponsor, and
- Notes receivable from participants.

NOTE 9 - SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared the outbreak of the coronavirus disease (COVID-19) a pandemic. The pandemic has adversely impacted the global economy by creating significant volatility and disruption in financial markets. As a result, the Plan's investment portfolio has declined in fair value since December 31, 2019. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which contains several provisions that temporarily impact retirement plan sponsors and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan has opted in to the provisions of the CARES Act, which include the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a loan repayment pause option.
