GOJO RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

NOTE 1 - DESCRIPTION OF PLAN

The following description of the GOJO Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of GOJO Industries, Inc., Walnut Ridge Strategic Management Company LLC, and RS&B Industries, LLC (the "Company" or "Plan Administrator"). Employees are eligible to become participants upon entry date or the date of an employee's employment or re-employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective May 7, 2018, EP Technologies ceased operations and no longer has participating employees.

Contributions

Participants can contribute up to 50 percent of pretax compensation. In addition, the Plan contains a catch-up option for participants who have attained age 50 before the end of the year permitting them to make additional elective deferral contributions up to amounts limited by the Internal Revenue Service ("IRS").

Matching contributions are made by the Company in an amount equal to \$1.00 for each \$1.00 by which a participant defers compensation in amounts not to exceed 5% of compensation.

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code ("IRC").

Forfeitures

As forfeitures become available, the Company may, at its discretion, reduce the next Company matching or discretionary contribution payment due or pay Plan expenses. Forfeitures available for use as of December 31, 2019 and 2018 were \$41,259 and \$21,149, respectively. Forfeitures used to offset employer contributions were \$470,034 and \$424,226 for the years ended December 31, 2019 and 2018, respectively.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company matching contributions and an allocation of (a) the Company's discretionary contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

GOJO RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the employer matching and discretionary contributions is based on years of credited service and the vesting percentage is determined according to the following schedule:

Completed Years Of Service	Vested Amount
< 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.50%, which are commensurate with local prevailing rates. Principal and interest is paid over a period not to exceed 60 months unless it is for a primary residence loan. The employee repays the loan and all related interest through payroll deductions.

Payment of Benefits

On termination of service, if a participant's account is less than \$5,000, the participant receives a lump-sum amount equal to the value of his or her vested account balance. If the participant's account balance is between \$1,000 and \$5,000 and the method of distribution is not specified by the participant, an automatic rollover to an Individual Retirement Account is made. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (not later than their normal retirement date).

Administrative Expenses

Administrative and recordkeeping fees are shared by the Plan participants and are allocated on a pro-rata basis to participant accounts. The Company absorbs other administrative costs of the Plan, such as audit and legal fees associated with the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

In preparing the Plan's financial statements, the Plan Administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation

The Plan's investments in mutual funds are stated at fair value at December 31, 2019 and 2018. The Plan's investment in the pooled separate account is stated at contract value, as reported to the Plan by the Custodian.

Income Recognition

Investment income consists of interest and dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains and the unrealized appreciation (depreciation) on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Notes Receivable from Participants

The Plan allows loans in accordance with the Plan document. The loans are carried at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

Subsequent Events

The Plan has evaluated events through August 5, 2020, the date the financial statements were available to be issued.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has also led to extreme volatility in financial markets and has affected and may continue to affect Plan assets. While the potential economic impact brought by, and the duration of, COVID-19 may be difficult to assess or predict, a widespread pandemic could result in significant disruption of global financial markets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

The Coronavirus Aid Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. The CARES Act contained provisions related to benefit plans including, but not limited to, items such as (a) waiving required minimum distributions during 2020, (b) allowing for delays for participant loan repayments, (c) increasing the limits of allowable participant loans, and (d) permitting eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons.

The Plan has adopted all applicable provisions under the CARES Act and is in the process of amending the plan document for such changes.

NOTE 3 - SUMMARY OF UNAUDITED FINANCIAL DATA

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by Charles Schwab Bank ("Custodian") as of December 31, 2019 and 2018, and for the years then ended. The Plan Administrator has obtained certifications from the Custodian, that such information is complete and accurate.

NOTE 4 - INVESTMENTS

Fair Value Measurements

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability.

As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at the closing price reported on the active markets in which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methods used to value investments.

The following table sets forth, by level within the fair value hierarchy, the Plan's mutual funds as of December 31:

2019			
	Level 1	Level 2	Level 3
Mutual funds	\$ 157,090,819	\$ -	\$ -
	<u>\$ 157,090,819</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 157,090,819</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - INVESTMENT CONTRACTS

An investment in the Plan is the New York Life Anchor Account ("Fund"), for which the Plan has directly entered into a fully benefit-responsive guaranteed investment contracts ("GICs") with various financial institutions via a pooled separate account. Because the GICs held by the Fund are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by the manager of the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on a formula agreed upon with the issuers.

Certain employer initiated events (e.g., layoffs, bankruptcy, plant closings, plan termination, mergers, early retirement incentives, employer communications designed to induce participants to transfer from the Fund, competing fund transfer or violation of equity wash or equivalent rules in place and changes of qualification status of employer or the Plan) are not eligible for book value disbursements even from fully benefit-responsive contracts. These events may cause liquidation of all or a portion of the GICs at a market value adjustment.

NOTE 6 - TAX STATUS

The Plan adopted the Charles Schwab Defined Contribution Plan and Trust prototype plan. The IRS has determined and informed the Custodian, by letter dated June 19, 2014, that the prototype plan is qualified and is tax-exempt under the appropriate sections of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan Administrator and the Plan's tax counsel are not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believe that the Plan is designed and currently operating in compliance with the applicable requirements of the IRC.

Under the Income Taxes Topic of the FASB ASC, the Plan Administrator is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2019 and 2018 and for the years then ended, the Plan Administrator has identified no uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
