To the Plan Participants and Administrator of
O' Neill Vintners & Distillers
401(k) Plan
Parlier, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of O'Neill Vintners & Distillers 401(k) Plan, (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated September 25, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of O'Neill Vintners & Distillers 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan providing retirement benefits for all employees of O'Neill Vintners & Distillers (the "Company") who are twenty-one years of age or older. Employees are eligible to contribute elective deferrals on the first day of the month following hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was effective on January 1, 2005, and most recently restated on January 1, 2018 by the Company.

Contributions:

Eligible employees of the Company may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. After one year of service the Company makes safe harbor matching contributions equal to 100% of an employee's salary deferrals that do not exceed 3% of their compensation plus 50% of the employee's salary deferral between 3% and 5% of the employee's compensation. In addition, the Company may also make discretionary nonelective contributions. Participants direct the investment of the contributions into various options offered by the Plan.

Participant Accounts:

The trustee of the Plan maintains an account for each participant. Each participant account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of investment and administrative expenses, not paid by the Company. Allocations are based on participant earnings or account balances, as defined.

Vesting:

Participants are immediately vested in their elective deferral contributions, the Company's safe harbor contributions and nonelective contributions plus actual earnings thereon. Participants are vested in the employer contributions made prior to 2015 in accordance with the following schedule:

Years	Vesting
0	0%
1	0%
2	0%

Note 1. Plan Description (Cont.)

Payment of Benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account in accordance with Plan provisions. Similar options are available upon termination of employment. The Plan permits a hardship distribution to a participant prior to and after separation from service in accordance with the Plan's hardship policies.

Forfeited accounts:

At December 31, 2019 and 2018, forfeited non-vested accounts totaled $292 and $20, respectively. Amounts accumulated in the forfeiture account will be used to reduce future employer contributions. Forfeitures were not used to reduce employer contributions during the year ended December 31, 2019.

Notes Receivable from Participants:

Participants may borrow a minimum of $1,000 up to the lessor of $50,000 (reduced by the highest outstanding loan balance in their account during the prior twelve- month period) or 50% of the vested account balance. Principal and interest must be repaid over a period not to exceed five (5) years. Loans used to acquire a principal residence shall provide for periodic repayment over a reasonable period of time that may exceed five (5) years. All loans are secured by a minimum of 50% of the participant's vested interest in the Plan. Interest rates are based on the prime rate plus 2% at the time the loan is made and remains fixed for the duration of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition (Cont.):

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2019 are reported in net appreciation in fair value of investments.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note is recorded as a benefit payments based upon the terms of the Plan document.

Benefits Paid to Participants:

Benefits paid to participants are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

As a result of the COVID-19 outbreak in the United States, economic uncertainties have arisen which are likely to have an impact on the Plan's net assets and investment returns, though the effects of such potential impact and its duration are unknown at this time.

The Plan has evaluated subsequent events through September 18, 2020, the date on which the financial statements were available to be issued.

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements:

Investments in registered investment companies (mutual funds) are stated at the respective fund's NAV, which is determined based on market values at the closing price on the last business day of the year. The NAV is a quoted price in an active market and classified within the Level 1 hierarchy.

	Total	Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2019		
Registered investment companies - mutual funds	$ 12,452,747	$ 12,452,747
Total investments in the fair value hierarchy	12,452,747	$ 12,452,747
Investments measured at net asset value [(a)]	264,015	
Investments at fair value:	$ 12,716,762

Investments measured at net asset value [(a)]	306,864	
Investments at fair value:	$ 9,341,974	

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018. There are no restrictions on participant redemptions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Trustee (Unaudited)

The Plan's investments are held and administered by Fidelity Management Trust Company, as trustee. The Trustee of the Plan has provided a certification that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments as of December 31, 2019 and 2018.

Investment income for the year ended December 31, 2019.

Schedule of Assets Held for Investment Purposes as of December 31, 2019.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 6. Related Party Transactions

During the December 31, 2019 and 2018 plan years, the trustee of the plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. There were no separate fees paid by the Plan for the investment services.

Note 7. Income Tax Status and Plan Amendments

The Plan obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however; there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
