White River Cooperative, Inc. 401k Plan
Loogootee, Indiana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of White River Cooperative, Inc. 401k Plan (the "Plan") which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019 and Schedule H, Line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

WHITE RIVER COOPERATIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

1. DESCRIPTION OF THE PLAN

The following description of White River Cooperative, Inc. 401k Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which includes a salary reduction feature that meets the requirements of section 401(k) of the Internal Revenue Code ("IRC"), sponsored by White River Cooperative, Inc. ("White River" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to December 1, 2019, all eligible employees are automatically enrolled in the Plan with a 3% deferral after they have attained the age of 18 and have completed one year of service, unless the employee declines to participate. Effective December 1, 2019, all employees are automatically enrolled in the Plan with a 6% deferral upon hiring and after they have attained the age of 21. Participants enter the Plan on the first day of the month after the eligibility requirements have been met.

Contributions

The Plan permits eligible employees through a salary reduction deferral election to make annual Roth and pre-tax contributions of up to the current Internal Revenue Service limits. Starting December 1, 2019, participants automatically enrolled in the Plan are subject to an annual 1% deferral increase up to a maximum of 10% of pay. Employee rollover contributions are also permitted. White River may make discretionary matching contributions. For the year ended December 31, 2019, White River made matching contributions of 100 percent of employee contributions up to 3 percent of the employee's eligible compensation. Effective December 1, 2019, participants are eligible for matching contributions after completing 90 days of service.

Participant Accounts

Each participant's account is credited with the participant's contributions and White River's contributions, as well as allocations of the Plan's earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that could be provided from the participant's vested account. Participants can direct investments in their account into several investment options and are allowed to change investment selections on a daily basis.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in White River's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Using a graduated scale, a participant is 100 percent vested after five years of credited service.

WHITE RIVER COOPERATIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Partial vesting is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loan term may not exceed 60 months unless it is to be used for the purchase of principal residence then it may not exceed 180 months. The loans are secured by the balance in the participant's account and bear interest at a rate of Prime plus 2 percent, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. The participant is limited to 2 active loans at any given time.

Benefits Payment

Upon termination of service due to death, disability or retirement, a participant is entitled to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. The Plan also permits hardship withdrawals and in-service withdrawals subject to certain restrictions as defined in the Plan document.

Administrative Expenses

White River pays a significant amount of the Plan's administrative expenses.

Forfeited Accounts

At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$0 and \$2, respectively. These accounts are used to reduce future employer contributions or pay administrative expenses. During 2019, \$4,384 and \$734 were used to reduce employer contributions and pay Plan expenses, respectively.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting. As such, contributions, interest, and dividends are recorded when received and benefit payments, corrective distributions and administrative expenses are recorded when paid. The modified cash basis differs from the cash basis in that investments are recorded at fair value and notes receivable from participants are recorded as receivables (reductions) when the amounts have been advanced to (repaid from) the participant.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation

The Plan's investments are held in mutual funds and a common/collective trust and reported at fair value. Investments in mutual funds are valued at quoted market prices in the active market. The common/collective trust investments are public investment securities valued using the net asset value (NAV) provided by the investment advisor. Purchases and sales are recorded on a trade-date basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution based upon the terms of the Plan document.

WHITE RIVER COOPERATIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Plan Tax Status

The Plan is a Prototype Non-standardized Profit Sharing Plan with Cash or Deferred Arrangement which has received a favorable opinion letter dated March 31, 2014 from the Internal Revenue Service that the Plan is designed to qualify as being exempt from Federal income taxes. The Plan administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2017.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the Statement of Net Assets Available for Benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is September 24, 2020.

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national and global economies. The extent to which COVID-19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Potential impacts include, but are not limited to, reduced employee participation, decreases in Employer discretionary contributions, significant changes in notes receivable from participants, and investment portfolio declines. Management believes the Plan is taking appropriate actions to respond to the pandemic, however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.

Effective April 3, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the trustee of the Plan, has certified to the completeness

and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.
 - *Common/collective trust*: Valued at the NAV of units of a common/collective trust. The NAV, as provided by the trustee, is based on the contract value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value. The underlying investments of the trust are mostly guaranteed
-

WHITE RIVER COOPERATIVE, INC. 401K PLAN

investment contracts or synthetic investment contracts issued by insurance companies. The incremental value of the contract itself is based on issuer ratings as determined by credit ratings, which are published by rating agencies and the present value of the change in each contract's replacement cost.

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2019 and 2018:

	2019		2018	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 4,556,069	\$ 4,556,069	\$ 3,576,005	\$ 3,576,005
Total assets in the fair value hierarchy	4,556,069	4,556,069	3,576,005	3,576,005
Common/collective trust*	-0-	410,555	-0-	316,020
Investments at fair value	\$ 4,556,069	\$ 4,966,624	\$ 3,576,005	\$ 3,892,025

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net asset available for benefits.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018. There are no practical redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

5. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, White River and certain others. Professional fees and certain other administration expenses of the Plan were paid by White River.

The investment management fees are paid to Principal Trust Company, the trustee. Principal Life Insurance Company is the third party administrator of the Plan and receives payment from the Plan for these services through reduction of Plan income. Blue & Co., LLC is the independent auditor of the Plan and receives payment from White River. Edward Jones serves as an investment advisor to participants and receives brokerage fees from the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, White River has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their Employer contributions.
