NOTE 1. DESCRIPTION OF PLAN

The following brief description of the Monterey Pacific, Inc. Retirement Plan (the Plan) is for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of participating employers who are at least twenty-one years of age and have completed six months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participating employers who are covered by the provisions of the Plan are:

Monterey Pacific, Inc.
McIntyre Labor Services, Inc.
McIntyre Vineyards, Inc.
Pacific Executive Charter, LLC

Organization – Monterey Pacific, Inc. Retirement Plan was organized effective January 1, 1993 to provide a tax deferred savings plan for employees of the employers who become participants of the Plan. The Plan's investments are administered by Ascensus, Inc.

Contributions – Eligible participants may contribute, by voluntary payroll deduction, up to the maximum allowed by sections 415 and 401(k) of the Internal Revenue Code. The employers may make a matching contribution equal to a discretionary percentage, to be determined by the employers each year, of the participant's salary reduction. For the years ending December 31, 2019 and 2018, the employers matched up to 2% of compensation that was deferred by participants. The Plan also allows eligible participants to rollover amounts from other qualified retirement plans.

Participant Accounts – Each participant's account is credited or debited with (1) the participant's contributions by payroll deduction, (2) the participant's portion of employer contributions, (3) an allocation of plan earnings, (4) any loans made to or repaid by the participant, and (5) an allocation of Plan expenses.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. The vesting schedule is as follows:

COMPLETED YEARS OF SERVICE	VESTED PERCENTAGE
1	33%
2	66%
3	100%

NOTE 1. **DESCRIPTION OF PLAN (Continued)**

Payment of Benefits – Upon termination of service for any reason, a participant's account is generally distributed in a single lump sum payment. Withdrawals of a participant's account during the participant's employment are limited to elective contributions upon reaching age 59-1/2, and financial requirements meeting the hardship provisions of the Plan or through borrowings under the loan provisions of the Plan.

Participant Investment Options – Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Notes Receivable from Participants – Loans are available to all participants as described in the Plan's loan policy. Participants may apply to borrow from the Plan a minimum amount of $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. Most loan funds may be repaid over any reasonable period, not to exceed the fifth anniversary of the date the funds were borrowed, with the exception of loans used for the purchase of a principal residence, which can be repaid over a period of up to 30 years. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate plus two percent as published in the Wall Street Journal on the 14th day of each month. The interest rates in effect for the years ended December 31, 2019 and 2018 ranged from 5.25% to 7.50%. Principal and interest are paid ratably through payroll deductions.

Forfeitures – When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be used to pay the Plan's administrative expenses or reduce the employer's matching contribution. At December 31, 2019 and 2018, forfeited non-vested accounts totaled $ –0– . For the years ended December 31, 2019 and 2018, the employer did not utilize any forfeitures to pay the Plan's administrative expenses or reduce employers' contributions.

NOTE 2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting, which is in conformity with accounting principles generally accepted in the United States of America.

NOTE 2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized as it is earned and dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 and the 2018 excess contributions to the applicable participants prior to March 15, 2020 and 2019, respectively.

Payment of Benefits – Benefits are recorded when paid.

Plan Expenses – Expenses to administer the Plan, if not paid by the sponsor, may be paid by the Plan from forfeited non-vested accounts, and certain fees are allocated to the individual participant accounts.

Accounting Standards Updates Issued but Not Yet Adopted – In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurements (Topic 820): Disclosure Framework – Changes to Disclosure Requirements for Fair Value Measurement*. This standard removes, modifies and adds certain disclosure requirements of ASC Topic 820. The ASU is effective for all entities for annual reporting periods beginning after December 15, 2019. Early adoption is permitted upon issuance of this Update. The Plan is currently evaluating the impact that the adoption of this standard will have on its financial statements.

Subsequent Events – The Plan Administrator has evaluated subsequent events through June 19, 2020, the date the financial statements were available to be issued.

NOTE 3. CERTIFIED INFORMATION

The Plan funds are held by Ascensus Trust Company, the custodian of the Plan. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2019 and 2018 and interest, dividends, and net appreciation (depreciation) of fair value of investments for the years then ended were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan custodian.

The following table is a summary of the Plan's asset information as certified by the Plan custodian at December 31.

	2019	2018
Investments at fair value – Mutual Funds	$ 6,403,081	$ 4,935,193
Total investments	6,403,081	4,935,193
Notes receivable from participants	162,465	123,721
Total certified assets	$ 6,565,546	$ 5,058,914

The Plan custodian also certified to the completeness and accuracy of $781,468 and $(493,272) of net appreciation (depreciation) in the fair value of investments and $184,218 and $178,000 of interest and dividends related to the aforementioned investments and notes receivable from participants for the years ended December 31, 2019 and 2018, respectively.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

NOTE 4. **FAIR VALUE MEASUREMENTS (Continued)**

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total

NOTE 5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are invested in funds held by Ascensus Trust Company, custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment services amount to $24,811 and $22,416 for the years ended December 31, 2019 and 2018. Fees paid to the plan recordkeeper, Ascensus, Inc. also qualify as party-in-interest transactions and amount to $1,800 for the years ended December 31, 2019 and 2018, respectively.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to terminate this Plan subject to the provisions of ERISA. In the event of termination, each participant, retired participant, former participant and beneficiary shall be entitled to receive any amount credited to that person's account.

NOTE 7. INCOME TAX STATUS

Effective July 1, 2015, the Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus, Inc. The prototype plan provider has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the value of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Variations in the timing of the recognition of certain transactions affecting the Plan have resulted in differences between the financial statements and the Internal Revenue Service Form 5500. The following is a reconciliation of these differences:

	2019	2018
Net assets available for benefits:		
Per audited financial statements	$ 6,561,439	$ 5,052,255
Excess contributions payable	4,107	6,659
Accrued interest income on notes receivable from participants	355	82
Deemed distributions	–	36
Per Form 5500	$ 6,565,901	$ 5,059,032
Net income:		
Per audited financial statements	$ 1,509,184	$ 7,634
Excess contributions payable beginning of year	(6,659)	(4,640)
Excess contributions payable end of year	4,107	6,659
Accrued interest income on notes receivable from participants - net	273	82
Deemed distributions	(36)	30
Per Form 5500	$ 1,506,869	$ 9,765

NOTE 10. SUBSEQUENT EVENTS

Subsequent to year-end, on January 30, 2020, the World Health Organization declared the coronavirus outbreak ("COVID-19") a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. The pandemic in the United States and throughout the world has resulted in substantial volatility in financial markets. This has had a significant adverse impact on investment portfolios. As a result, the Plan's investments have incurred a significant decline in fair value since December 31, 2019.

NOTE 10. **SUBSEQUENT EVENTS (Continued)**

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), which law changes the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, coronavirus-related distributions and suspend required minimum distributions. The optional features within this act are currently being assessed. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
