GCP Applied Technologies Inc. Savings and Investment Plan
GCP Applied Technologies, Inc.
62 Whittemore Ave.
Cambridge, MA 02140

To the Investment and Benefits Committee of GCP Applied Technologies as
Administrator of the GCP Applied Technologies Inc. Savings and Investment Plan:

We have conducted a DOL limited-scope audit of the financial statements of GCP Applied Technologies Inc. Savings and Investment Plan for the year ended December 31, 2019 and have issued our report thereon dated September 25, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 7, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were the fair value measurements in Note 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No material misstatements were identified during our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 25, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Investment and Benefits Committee and management of GCP Applied Technologies Inc. Savings and Investment Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

GCP Applied Technologies Inc. Savings and Investment Plan
GCP Applied Technologies, Inc.
62 Whittemore Ave.
Cambridge, MA 02140

To the Management and Investment and Benefits Committee of the GCP Applied Technologies Inc. Savings and Investment Plan (the Plan):

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2019 and 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined below.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

This communication is intended solely for the information and use of Management and the Investment and Benefits Committee and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties. We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various personnel, and we will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

CURRENT YEAR RECOMMENDATION

No current year comments.

STATUS OF PRIOR YEAR RECOMMENDATION

Other Matter

Review of Census Data

During our census testing it was noted that the prior year census included several participants who were terminated from 2012-2016 and were not contributing during the current plan year. We also noted that the census does not include a re-hire column to ensure the accuracy of the census based on the employee's original date of hire, date of termination, and re-hire date and did not include hourly employees on the first census received. In addition, we noted a clerical error regarding a participant's date of birth.

We recommend that the Company implement a process to ensure that everyone in the payroll system is accurate and complete to eliminate any prior years' terminated participants. In addition, we recommend that the Company implement a process to review personnel information on their census for accuracy to ensure that it is complete and accurate as well as adding a re-hire column to capture changes year to year.

Current Year Status: Partially implemented. In the current year census testing, we noted that there was still no re-hire column added to the census and as well as two active employees being left off the census. Management noted this was due to the employees not participating during the current Plan year. SC&H recommends all active employees are listed on the census to ensure population is complete.

INDEPENDENT AUDITORS' REPORT

To the Investment and Benefits Committee and Participants
of the GCP Applied Technologies Inc. Savings and Investment Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the GCP Applied Technologies Inc. Savings and Investment Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2019 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF THE PLAN

The following description of the GCP Applied Technologies Inc. Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document, the Summary Plan Description, and the Prospectus Supplement for the Plan for more information.

General

The Plan is a defined contribution plan established January 1, 2016 (the Date Established) and is a successor to the W. R. Grace & Co. Savings and Investment Plan (the Predecessor Plan), which was originally adopted by W. R. Grace & Co. (Grace) on September 1, 1976. Effective June 29, 2017, the Plan was amended to grant participation to Darex Packaging Technologies (Darex) employees from Henkel AG & Co. KGaA (Henkel) as part of a Participation Agreement between GCP and Henkel. Effective June 30, 2018, the Participation Agreement was terminated in accordance with the terms of the agreement, and all Darex employees transferred to a new Plan. Effective July 3, 2019, the Plan was amended to merge the Halex Corporation 401(k) Profit Sharing Plan and Trust into the Plan. Effective November 15, 2019, the Plan was amended to merge the Ductilcrete Technologies, LLC 401(k) Plan into the Plan. Fidelity Management Trust Company (Fidelity or Trustee) and its related organizations administer the Plan's recordkeeping and serve as the Plan's Trustee and Custodian. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended effective January 1, 2020 (Note 9).

Investment management of the Fixed Income Fund and oversight of the Plan's mutual fund offerings is the responsibility of the Investment and Benefits Committee (the Committee) appointed by the GCP Applied Technologies Inc. (GCP or the Company) Board of Directors, or as delegated by the Committee. The actual selection of the investments within the Fixed Income Fund has generally been delegated by the Committee to Galliard Capital Management.

In connection with the separation agreement entered into on January 27, 2016 between GCP and Grace, the former parent company of GCP, certain assets and liabilities relating to GCP employees were transferred from the Predecessor Plan to the Plan during 2017. The Plan is intended to be qualified under Internal Revenue Code (IRC) - Sections 401(a) and 401(k) and maintained by GCP.

Except as otherwise provided herein or by law, the terms of the Predecessor Plan as in effect from the time before the Date Established govern the determination of rights and liabilities under the Plan with respect to events before the Date Established. Except as otherwise permitted under section 411 (d) (6) of the IRC and the Treasury Regulations promulgated thereunder, no participant who has an account balance from the Predecessor Plan transferred to the Plan shall realize any elimination or reduction of his or her benefit accrued under the Predecessor Plan as of the Date Established.

Eligibility and Vesting

Any salaried or hourly employee of GCP or its U.S. subsidiaries who is in an eligible employment classification, as defined by the Plan, is immediately eligible to participate in the Plan. With respect to each GCP employee that transferred from Grace and was a participant in the Predecessor Plan on the day before the Date Established, the employee became a participant in the Plan on the Date Established. All other employees who begin employment on or after the Date Established will be automatically enrolled in the Plan upon meeting eligibility requirements.

1. DESCRIPTION OF THE PLAN - cont'd.

Eligibility and Vesting - cont'd.

A participant's interest in the Plan, which comprises their contributions, Company matching contributions, and earnings thereon, is always fully vested.

Participant Contributions

The Plan allows automatic enrollment of employees once the eligibility requirements have been met. Employees are automatically enrolled with pre-tax deferral contributions deducted from their pay at a rate of 6% of their compensation unless the employee opts out of Plan participation.

Participants may otherwise elect to contribute 2% to 25% of their compensation to the Plan. For this purpose, compensation consists of salary and/or commissions, incentive compensation, and bonus awards, excluding long-term incentive bonuses and retention bonuses.

Participant contributions may be made from before-tax and/or after-tax compensation, as provided under Sections 401(k) and 401(m) of the Internal Revenue Code of 1986, as amended (the Code), subject to an annual dollar limit on total contributions of $19,000 and $18,500 for the years ended December 31, 2019 and 2018, respectively. The Plan also allows participants to make after-tax contributions to a Roth 401(k), an account within the Plan from which tax-free withdrawals can be made upon retirement under certain circumstances. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the Code, which totaled $6,000 for each of the years ended December 31, 2019 and 2018. Participants are permitted to make rollover contributions to the Plan. Federal income tax law limited the annual compensation on which tax-qualified plan benefits may be based to $280,000 and $275,000 for the years ended December 31, 2019 and 2018, respectively.

Company Contributions

The Company contributes 100% of the first 6% of eligible compensation that a participant contributes to the Plan up to the income limits noted above. The Company does not match catch-up contributions made by eligible participants.

Company contributions are allocated to investment options in accordance with participants' investment elections.

Effective January 1, 2018, the Company will make a discretionary non-elective contribution to eligible employees who were hired on or after January 1, 2018 and are not eligible to participate in a company-sponsored pension plan, equal to 2% of their eligible wages during the Plan year. The participant must be employed on the last day of the Plan year in order to receive the annual retirement contribution unless termination was due to death, disability, retirement on or after age 55, or a severance-eligible involuntary termination of employment. Participants will become 100% vested in their discretionary non-elective contributions upon completion of 3 years of vesting services.

1. DESCRIPTION OF THE PLAN - cont'd.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participants may allocate their future contributions among any of the investment options and may transfer the amounts related to their existing balances among any of the investment options to other investment options. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances.

Any former Grace employee with an account balance within the Plan may directly roll over into the Plan a lump sum distribution from a Grace defined benefit plan.

Notes Receivable from Participants

Participants may borrow up to one-half of the value of their account balance up to $50,000, but not less than the minimum note amount of $500. Notes may be for a term of one to five years for a general-purpose note and up to twenty years for a note to purchase a principal residence. For notes issued by the Plan, the interest rate on the note is set on the application date and equals the prime interest rate on the last business day of the preceding calendar quarter plus 2 percentage points. The interest rate and repayment amounts for the notes are fixed for the term of the note, and notes are repaid through payroll deductions. Participants may repay the outstanding note balance in full at any time without penalty.

Notes receivable from participants are measured at their unpaid balances plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Notes are considered to be in default and treated as a distribution for tax purposes if no payment is received for ninety days. If employment with the Company ends, any outstanding note balance will be considered a distribution if not repaid within ninety days.

Active notes receivable from participants, including those transferred from acquired companies' plans, bear interest rates that range from 5.25% to 11.00% with maturity dates ranging from 2020 through 2039. Interest paid on notes is credited to the individual participant's investment options from which the note was taken.

Payment of Benefits

Upon disability, retirement, death, or other termination of service, a participant who is not eligible to elect or who does not elect to defer the distribution may elect to receive his/her benefit in the form of a single lump sum payment or annual or quarterly installment payments if the balance exceeds $5,000. A terminated participant with an account balance less than $1,000 will receive an automatic direct distribution of that amount; for amounts greater than $1,000 but less than $5,000, the balance will remain in that terminated participant's account until the participant elects to have it distributed as a single lump sum payment.

1. DESCRIPTION OF THE PLAN - cont'd.

Payment of Benefits - cont'd.

Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan but had not received such distributions as of December 31, 2019 and 2018.

Administrative Expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. The Company paid a portion of Plan expenses for the years ended December 31, 2019 and 2018. During both of the years ended, the Company utilized a revenue sharing account to offset Plan expenses due from the Company, which is shown as "Other income" on the accompanying statements of changes in net assets available for benefits. Plan expenses are shown gross on the accompanying statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained on the accrual basis of accounting, which is acceptable under U.S. Department of Labor Regulations and is in accordance with generally accepted accounting principles in the United States of America (GAAP).

Recently Issued Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) No. 2018-13, *Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 eliminates, amends and adds disclosure requirements relating to fair value reporting. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019 for all entities, with early adoption permitted only for eliminated and modified disclosure requirements. All changes should be prospectively applied to all periods presented. Management has not elected to early adopt ASU 2018-13 during the year ended December 31, 2019 and is currently evaluating its future effect on the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results may differ from the estimates used.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end, which is fair value. Refer to Note 3 for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is accrued when earned.

The Plan presents in the statements of changes in net assets available for benefits the "net appreciation (depreciation) in fair value" of its investments, which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments.

Payments of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 25, 2020, the date the financial statements were available to be issued, and determined there were no material subsequent events that required disclosure, except as disclosed in Note 9.

3. FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement,* defines fair value and established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interest in common collective trust: Value is based on the net asset value (practical expedient) as determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

3. FAIR VALUE MEASUREMENT – cont'd

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	$ 139,298,695	$ -	$ -	$ 139,298,695
Total investments in the fair value hierarchy	139,298,695	-	-	139,298,695
Interest in common collective trust *	n/a	n/a	n/a	21,383,615
Total investments	$ 139,298,695	$ -	$ -	$ 160,682,310

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	$ 113,137,530	$ -	$ -	$ 113,137,530
Total investments in the fair value hierarchy	113,137,530	-	-	113,137,530
Interest in common collective trust *	n/a	n/a	n/a	19,936,213
Total investments	$ 113,137,530	$ -	$ -	$ 133,073,743

(*) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for Plan investments, the fair value of which are estimated using the net asset value per share, as of December 31,:

	2019	2018	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Common/Collective Trust[(a)]	$ 21,383,615	$ 19,936,213	Daily	None	n/a

(a) This fund invests in conventional and synthetic investment contracts issued by insurance companies. Individual assets of the conventional and synthetic investment contracts include domestic and foreign fixed income securities and investments in investment companies or collective investment trusts.

4. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2019 and 2018, interest and dividend income and net realized and unrealized appreciation (depreciation) in fair value of investments for the years then ended was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

5. RELATED-PARTY TRANSACTIONS

The Plan invests in shares of mutual funds managed by Fidelity Investments Institutional Operations Company, Inc. (FIIOC). The fair value of the Fidelity investments were $70,557,789 and $58,016,962, as of December 31, 2019 and 2018, respectively. FIIOC acts as Custodian for the Plan and is related to the Plan's Trustee. The Plan advances funds as notes receivable to its participants according to the applicable provisions of the Plan agreement. Notes receivable from participants were $1,836,599 and $1,803,115 as of December 31, 2019 and 2018, respectively. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. Administrative fees paid by the Plan to Fidelity amounted to $97,080 and $95,531 for the years ended December 31, 2019 and 2018, respectively. All such transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

6. TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated June 18, 2018. The Plan has been amended since receiving the letter. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have a material impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2019 and 2018. The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

GCP anticipates that the Plan will continue indefinitely but reserves the right to amend or discontinue the Plan at any time. A participating business unit may terminate its participation in the Plan with the approval of GCP's Board of Directors. In the event the Plan terminates, participants would receive the value of their account balances at the time of distribution in accordance with the Plan and ERISA.

8. RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of the net assets available for benefits reported on the financial statements to the Form 5500 as of December 31,:

	2019	2018
Net assets available for benefits reported on the financial statements	$ 162,797,721	$ 134,978,818
Corrective distributions	-	-
Net assets available for benefits reported on the Form 5500	$ 162,797,721	$ 134,978,818

The following is a reconciliation of the net increase (decrease) in net assets available for benefits reported on the financial statements to the Form 5500 for the year ended December 31,:

	2019	2018
Net increase (decrease) in net assets available for benefits reported on the financial statements	$ 27,818,903	$ (26,174,883)
Change in corrective distributions	-	(76,565)
Net increase (decrease) in net assets available for benefits reported on the Form 5500	$ 27,818,903	$ (26,251,448)

9. SUBSEQUENT EVENT

Coronavirus

In December 2019, a novel strain of coronavirus ("COVID-19") was reported in Wuhan, China. The World Health Organization has declared COVID-19 to constitute a "Public Health Emergency of International Concern". Subsequent to year-end, COVID-19 began to spread throughout the United States. Efforts to contain COVID-19, including restrictions mandated by the Federal and State governments have caused numerous businesses to close or operate remotely in an effort to prevent COVID-19 from spreading more rapidly. As of the report date, the Plan has experienced an immediate impact from COVID-19 due to the volatility of the financial markets. The future extent of the impact of COVID-19 on the Plan's operations including but not limited to further market volatility and future Company contributions to the Plan will depend on future developments, including the duration and spread of the outbreak, which is highly uncertain and cannot be predicted.

9. SUBSEQUENT EVENT – cont'd

Coronavirus Aid, Relief, and Security Act (CARES) Provision Amendments

On March 27, 2020, Congress passed the CARES Act for President Trump's signature in order to help the US economy and workers in the midst of the Coronavirus Pandemic. The CARES Act includes numerous provision related to retirement plans. The Plan has decided to amend its Plan by December 31, 2021 to allow for Coronavirus penalty-free distributions for qualified individuals through December 31, 2020. In addition, the Plan has adopted loan provisions allowing the maximum loan amount to be taken by a qualified individual to be temporarily increased to $100,000 from the date the Act is enacted continuing for 180 days. The Act also delays loan repayments from the date of the Act through December 31, 2020 for qualified individuals.

Safe Harbor Provision

Effective January 1, 2020, the Company will make a safe harbor matching contribution equal to 6% of participants' eligible compensation on a regular payroll period basis. Participants are at all times fully and immediately vested in the safe harbor matching contributions.
