Visiting Angels 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

Note 1 - Description of Plan

The following description of the Visiting Angels 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Visiting Angels Living Assistance Service (the Company). To be eligible to make salary deferrals and receive employer contributions, employees must complete one year of service and be age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to the maximum percentage allowable by law of pretax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan.

The Company provides a safe harbor matching contribution equal to 100% of the first 3% of eligible wages and 50% of the next 2% of eligible wages. In addition, the Company may make a discretionary contribution, which would be allocated per the plan document. Participants must be employed on the last day of the plan year to receive the employer discretionary contributions. No discretionary contributions were made for years ended December 31, 2019 and 2018.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after six years of credited service, based on the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20
3	40
4	60
5	80
6	100

Visiting Angels 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

Note 1 - Description of Plan (continued)

Vesting (continued)

The Plan permits retirement upon reaching the latter of age 65 or completion of five years of credited service. Regardless of the number of years of service, a participant's account becomes fully vested when a participant becomes permanently disabled or dies.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account in accordance with the provisions of the Plan.

Forfeited Accounts

Forfeited nonvested accounts, if any, will first be used to pay the Plan's administrative expenses. Any remaining amounts will be used to reduce future employer contributions. Forfeited nonvested accounts at December 31, 2019 and 2018 were immaterial.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the distribution of benefit payments are charged directly to the participants account and are included in administrative expenses.

Notes to Financial Statements

December 31, 2019 and 2018

Note 3 - Information Certified and Provided by Massachusetts Mutual Life Insurance Company

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2019 and 2018. Under that section, no auditing procedures are required to be performed with respect to the information certified by Massachusetts Mutual Life Insurance Company, as agent for Talcott Resolution Life Insurance Company (formerly named Hartford Life Insurance Company), the custodian of the Plan. The agent on behalf of the custodian has certified the completeness and accuracy of all investments reported in the accompanying statement of net assets available for benefits as of December 31, 2019 and 2018 and the supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2019, and the related investment activity reported in the statement of changes in net assets available for benefits for the years ended December 31, 2019 and 2018.

Note 4 - Fair Value Measurements

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018:

Pooled separate accounts are valued at the net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methodology is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018, respectively.

		Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
		December 31, 2019	December 31, 2018			
Pooled Separate Accounts						
Domestic stock funds	(a)	\$ 791,591	\$ 555,530	\$ -	Immediate	None
International stock funds	(b)	271,914	202,681	-	Immediate	None
Balanced funds	(c)	189,840	151,301	-	Immediate	None
Fixed income funds	(d)	185,168	149,992	-	Immediate	None
Money market funds	(e)	37,631	32,078	-	Immediate	None

(a) This class includes investments in equity funds with an investment objective of achieving capital appreciation.

(b) This class includes investments in equity funds with an investment objective of long-term growth of capital. The funds invest primarily in foreign equity securities.

December 31, 2019 and 2018

Note 4 - Fair Value Measurements (continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient (continued)

- (c) This class includes investments in a combination of underlying funds, which are actively managed funds that invest in U.S. stocks, international stocks, U.S. bonds, and other debt instrument funds with an investment objective of obtaining a combination of total return and stability of principal consistent with an asset allocation targeted to retirement.
- (d) This class includes investments in bond funds with an investment objective of obtaining high current income consistent with moderate risk to capital. The funds invest primarily in investment grade debt securities.
- (e) This class includes investments in short-term money market instruments, which are issued and payable in U.S. dollars.

Note 5 - Tax Status

The Plan adopted a volume submitter profit sharing plan sponsored by Pension Resources, Inc. The volume submitter plan has received an opinion letter from the IRS, dated March 31, 2014, stating that the volume submitter plan is qualified under the appropriate section of the Internal Revenue Code (IRC). The volume submitter plan opinion letter has been relied upon by this Plan. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for years before 2016.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company contribution portion of their account.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements

December 31, 2019 and 2018

Note 8 - Related Party Transactions and Party-In-Interest Transactions

Certain plan investments are shares of pooled separate accounts managed by Talcott Resolution Life Insurance Company, formerly named Hartford Life Insurance Company. Talcott Resolution Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and custody services are not material.

Note 9 - Reconciliation of Financial Statements to Form 5500

The Plan invests in various pooled separate accounts (PSAs) that do not file a Form 5500 as a Direct Filing Entity (DFE). Accordingly, on the Form 5500 filed by the Plan, the percentage of the interest in the underlying assets of the PSAs, which are registered investment companies, must be reported in the appropriate categories on the asset and liability statement of the Form 5500 for the Plan.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2019	2018

Note 10 - Subsequent Events

Plan management has evaluated subsequent events through September 23, 2020. This date is the date the financial statements were available to be issued. The following material events subsequent to December 31, 2019 were noted:

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economy, financial markets, and the geographical area in which the Company operates. It is unknown how long these conditions will last and what the complete financial effect will be to the Company and the Plan.

Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions.

No other material events subsequent to December 31, 2019 were noted.
