NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of East Bay Clarklift, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established to provide retirement benefits for employees of East Bay Clarklift, Inc. referred to herein as the “Company.” The Plan is a defined contribution plan covering all employees who have attained 21 years of age, have completed six months of service, and are not members of a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Participants may voluntarily contribute on a pretax or post-tax (“ROTH”) basis, up to 75% of their annual eligible compensation, as defined in the Plan, up to a maximum permitted contribution of \$19,000 for the year ended December 31, 2019. Participants who have reached 50 years of age may make additional catch-up contributions up to a maximum of \$6,000 for the year ended December 31, 2019. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer Contributions – The Company may make an annual profit sharing contribution at the discretion of the Company’s officers, subject to limitations imposed by applicable provisions of the IRC. There were no discretionary profit sharing contributions made for the year ended December 31, 2019.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions and Company contributions, if any, as well as allocations of the Plan investment earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions, if any, and related earnings thereon is based on years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Investment Options – Participants may direct the investment of his or her account balance into any of the investment options or an investment contract offered by the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements, and may have a maximum of one loan outstanding at a time. The maximum loan amount is the lesser of one-half of the participant's vested account balance or \$50,000. The duration of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates which are based on the prevailing interest rates charged under similar circumstances, and remain fixed throughout the life of the loan. Principal and interest are paid ratably through payroll deductions and loans are due immediately upon termination of employment.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits – Upon termination of service due to death, disability, retirement or other reasons, a participant may receive a lump-sum distribution, a direct rollover distribution, or a combination of cash and direct rollover distribution equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested interest in his or her account is between \$1,000 and \$5,000 and no instructions have been received from such participant, the amount may be rolled over to an individual retirement account plan as designated by the plan administrator. A balance less than \$1,000 may be distributed directly to the participant as a lump-sum payment and a balance greater than \$5,000 may be left in the Plan. The Plan allows for hardship distributions as defined in the Plan document.

Forfeited Accounts – The non-vested portion of a terminated participant's account balance is forfeited. Forfeited accounts are applied to reduce future employer contributions and fund administrative expenses. As of December 31, 2019 and 2018, there were no forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared using the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are reported as a liability with corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 in each subsequent Plan year.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events – Plan management has evaluated subsequent events through September 30, 2020, the date the financial statements were available for issuance. See Note 11.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under this guideline are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All of the investments held by the Plan at December 31, 2019 and 2018, except for the VOYA Fixed Account (see Note 5), are pooled separate accounts. Investments in pooled separate accounts are valued at the net asset value ("NAV") of accumulation units held at year-end. The NAV, as provided by VOYA, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account, dividends and contract account charges. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. The pooled separate accounts do not have unfunded commitments and are currently not subject to withdrawal limitations.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with fair value measurement guidance, investments in pooled separate accounts that are measured at fair value using the NAV per share (or its equivalent) practical expedient are not required to be classified in the fair value hierarchy.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2019 and 2018:

<u>Pooled Separate Accounts</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2019	\$1,660,168	N/A	Daily	Daily
December 31, 2018	\$1,369,678	N/A	Daily	Daily

Investments in three and two of the Plan's investment options represent 58% and 54% of total investments as of December 31, 2019 and 2018, respectively.

NOTE 4 – INFORMATION CERTIFIED BY THE INSURANCE COMPANY AND FORMER
CUSTODIAN OF THE PLAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VOYA, the insurance company of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants, reflected in the accompanying Statements of Net Assets Available for Benefits and in Note 3 and 5 and the supplemental Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2019 and 2018, and the related investment income activity and interest income reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a fully benefit-responsive investment contract with VOYA which provides participants the option of directing the investment of their accounts into the VOYA Fixed Account. VOYA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of VOYA or otherwise. The Plan is credited with an annual interest rate of no less than 1.00% for as long as the contract remains in force. Each calendar year, VOYA will set a floor interest rate which will be declared in writing, to the contract holder prior to its effective date. As of December 31, 2019, the current rate was 1.00%.

The investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value which was \$58,580 and \$55,218 as of December 31, 2019 and 2018, respectively. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount to be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by VOYA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuers' ability to meet its contractual obligations may be affected by future economic and regulatory developments.

VOYA may terminate the contract after the completion of five contract years by providing the Plan a 90-day written notice to pay out the full value without fees, charges, or Market Value Adjustment ("MVA").

Certain events may limit the ability of the Plan to transact at contract value with VOYA. A no surrender charge is assessed against contract withdrawals taken for reasons of participant retirement, severance from employment, death, disability, hardship, loan or in-service withdrawals after age 59½. There are restrictions on transfers to and from the VOYA Fixed Account and a positive or negative MVA may apply if the contract is terminated by either VOYA or the Plan sponsor. The Plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 6 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. A favorable opinion letter from the Internal Revenue Service was received on March 31, 2014 regarding the qualified status of the prototype plan on which the terms of the Plan are based. The Plan has not filed for a separate determination letter; however, the plan administrator believes that the Plan is intended to be designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at anytime and to terminate the Plan subject to the provision of ERISA. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value in the near term would materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and in the Statement of Changes in Net Assets Available for Benefits.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 9 – RELATED PARTY TRANSACTIONS

The Plan's investments are managed by VOYA. VOYA maintains the Plan's assets in pooled separate accounts and under a fully benefit-responsive investment contract, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are netted against net appreciation or depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. VOYA provides certain administrative services to the Plan pursuant to a service agreement between the Company and VOYA. VOYA receives revenue from certain investment service providers for services VOYA provides to the funds. This revenue is used to offset certain amounts owed to VOYA for its administrative services to the Plan.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net increase in net assets per the financial statements to the Form 5500 for the year ended December 31, 2019:

Net Increase in Net Assets per the Statement of Changes in Net Assets Available for Benefits	\$ 285,289
Less: Excess Contributions Refundable in Previous Year	<u>(1,238)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 284,051</u>

NOTE 11 – SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization declared a pandemic related to the rapidly spreading COVID-19 outbreak, which has led to a global health emergency. The pandemic has caused volatility in financial markets and has affected, and may continue to affect, the market price of the Plan's investments. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain. Accordingly, the ultimate financial effects cannot be reasonably estimated at this time.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 11 – SUBSEQUENT EVENTS (Continued)

Effective April 2020, the Plan implemented the participant loan and distribution provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020, which increase a qualified participant loan amount to lesser of his or her account balance or \$100,000 for a loan issued through September 23, 2020, allows qualified Plan participants who have Plan loan repayments in 2020 to defer such repayments until December 31, 2020, allows the Plan's qualified participants to take a COVID-19 related distribution up to \$100,000 through December 31, 2020, exempt from 10% early withdrawal penalty, eligible to be indirectly rolled into an IRA or employer plan within 3 years from the date the distribution is taken, and amounts not returned to an IRA or employer plan are included in gross taxable income, equally, over 3 tax years (beginning with the tax year of the distribution), unless an election is made otherwise. In addition, effective, January 1, 2020 the Plan implemented certain provision of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) to delay the commencement date for required minimum distributions. Written amendments to the volume submitter plan document which the Plan adopted to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
