Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of the Ohio State University Physicians, Inc. Interim Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Nationwide Financial Services, Inc. and Huntington National Bank, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

OHIO STATE UNIVERSITY PHYSICIANS, INC. INTERIM RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

1. DESCRIPTION OF THE PLAN

The following description of the Ohio State University Physicians, Inc. (OSUP) Interim Retirement Plan (the "Plan") provides only general information. The Plan was formerly known as the Family Medicine Foundation, Inc. Money Purchase Pension Plan and was amended in 2004 to become the Ohio State University Physicians, Inc. Interim Retirement Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of OSUP. At December 31, 2019, employees in the corporate office, emergency medicine, family medicine, obstetrics/gynecology, surgery, ophthalmology, psychiatry, oncology, urology, pathology, otolaryngology, physical medicine, internal medicine, neurology, radiology and unassociated physicians groups were eligible to participate. All employees of these groups are immediately eligible to participate in the Plan (including both full-time and part-time employees). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan administrative expenses are paid by OSUP.

Contributions

OSUP makes non-discretionary contributions to all OSUP staff of 7.5% of each employee's compensation, with the exception of employees of OSU Physicians Community Outreach, LLC and OSU Physicians Mount Carmel, LLC who receive a 3% contribution. There are also some grandfathered employees whose contributions range from 7.5% to 25% of compensation. The Plan also provides for an additional discretionary profit-sharing contribution of 2.5% to be made to employees who are employed on the last day of the plan year. OSUP's contributions are invested as directed by the participant.

Participants Accounts

Each participant's account is credited with OSUP's contribution, as well as allocations of Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in OSUP's contributions plus actual earnings on the contributions.

OHIO STATE UNIVERSITY PHYSICIANS, INC.

INTERIM RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the plan administrator by reviewing interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, or other reasons, a participant will receive either an annuity, lump-sum distribution or a direct rollover equal to the value of his account balance. Normal retirement age is defined as when a participant attains age 62. Provisions exist for early, deferred, and disability retirements.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedules were prepared on the modified cash basis of accounting. The modified cash basis of accounting records investments at fair value and loans to participants as notes receivable from participants, income and related assets when received rather than when earned and the expenses when the obligation is paid rather than when the obligations is incurred. Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

OHIO STATE UNIVERSITY PHYSICIANS, INC.

INTERIM RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded when received under the modified cash basis of accounting. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by OSUP and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 9, 2020, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Financial Services, Inc. and Huntington National Bank, the custodians of the Plan, have certified to the completeness and accuracy of substantially all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2019 and 2018, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019.

4. FAIR VALUE MEASUREMENTS

Effective January 1, 2019, the Plan early adopted the Financial Accounting Standards Board's Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments in this ASU removed and modified certain disclosure requirements in Topic 820. As such, the fair value measurement disclosures for 2018 have been restated for these changes.

The frame work for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- Self-directed brokerage accounts - Accounts primarily consist of cash and equivalents, mutual funds and common stocks that are valued on the basis of readily determinable market prices (level 1).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

5. TAX STATUS

The Internal Revenue Service has determined and informed OSUP by a letter dated March 15, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, OSUP has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

8. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Huntington National Bank and Nationwide Financial Services, Inc. Huntington National Bank and Nationwide Financial Services, Inc. are the custodians as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred are paid directly by the Plan for the investment management services.

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, OSUP and certain others. Investment management fees are paid to Huntington National Bank and Nationwide Financial Services, Inc., the custodians. Pentegra Retirement Services is the Plan's third party administrator. Blue & Co., LLC is the independent auditor for the Plan. The aforementioned parties generally receive payment from OSUP.

9. SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national and global economies. The extent to which COVID- 19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Potential impacts include, but are not limited to, reduced employee participation, significant changes in participant notes, and investment portfolio declines. Management believes the Plan is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.
