Ashfield Employee Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Ashfield Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, sponsored by Ashfield Healthcare Communications LLC (the "Company") is a defined contribution plan covering substantially all employees of the Company upon attaining age 21. Employees who are union employees, nonresident aliens, and leased employees are not eligible to participate in the Plan. Effective April 1, 2015, the Plan was amended and restated to bring the Plan in compliance with the Pension Protection Act of 2006 ("PPA") and other legislative and regulatory changes, specifically the 6-year pre-approved plan restatement for volume submitter plans.

Effective October 1, 2019, the Plan name was changed from Ashfield Healthcare Communications, KnowledgePoint360 Group Retirement Plan to Ashfield Employee Savings Plan.

On October 1, 2019, the Ashfield Healthcare Communications, Informed Direct Retirement Plan was merged into this Plan. As a result, the Plan was amended to add Informed Direct, Inc. as a participating employer with recognition of prior service for employees of Informed Direct, Inc., and plan assets of \$5,542,460 from the Ashfield Healthcare Communications, Informed Direct Retirement Plan were transferred into this Plan.

Contributions

Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate set at 4% following 30 days of employment, unless they affirmatively elect not to participate in the Plan. The Company matching contribution formula was modified effective October 1, 2019 from 100% of the first 4% to 100% of the first 5% of eligible compensation that a participant contributes to the Plan. Additional profit sharing amounts may also be contributed at the discretion of the Company. The Company did not elect to make a profit sharing contribution for 2019. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and allocations of the Company's profit sharing contribution, if applicable, and plan earnings (losses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Ashfield Employee Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings (losses) thereon is based on years of credited service. A participant is 100% vested, under a graduated vesting schedule, after four years of credited service or upon Normal Retirement Age, as defined. Upon the death or disability before the participant's retirement age or termination date, the participant will be 100% vested.

Effective October 1, 2019, any existing retained employees of Informed Direct, Inc. as of October 1, 2019 became immediately 100% vested in their non-safe harbor matching contributions funded in this Plan as of October 1, 2019 and going forward.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants' benefits under the Plan are payable to participants, their beneficiaries, or their estates upon the termination of employment, normal retirement (the attainment of age 65), early retirement (the attainment of age 60 and completion of at least 20 years of service), death, disability, hardship, or upon the attainment of age 59-1/2. Benefits are payable in the form of lump sum distributions. Participant and spousal consent is required for all distributions over \$5,000.

Forfeitures

At December 31, 2019 and 2018, forfeited nonvested accounts totaled \$1,927 and \$1,715, respectively. These accounts may be used to reduce future Company contributions or to pay administrative expenses of the Plan in accordance with the plan document. During the year ended December 31, 2019, Company contributions were reduced by \$32,883 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Ashfield Employee Savings Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 28, 2020, which is the date the financial statements were available to be issued.

Ashfield Employee Savings Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events (Continued)

Effective January 1, 2020, the Plan was amended and the Board of Directors approved the partial spin-off and plan merger of a portion of the Insperity 401(k) Plan into the Ashfield Employee Savings Plan. As a result, the Plan was also amended to add VYNAMIC LLC as a participating employer and prior service with VYNAMIC LLC will be recognized for eligibility and vesting purposes.

Effective January 10, 2020, the Plan was amended and the participant assets in the previously known Ashfield Pharmacovigilance Retirement Plan associated with the employees of Ashfield Market Access, LLC were merged into this Plan. As a result, the Plan was also amended to add Ashfield Market Access, LLC as a participating employer and prior service with Ashfield Market Access, LLC will be recognized for eligibility and vesting purposes.

Effective March 20, 2020, the Plan was amended to add AH Services, Inc. as a participating employer and prior service with AH Services, Inc. will be recognized for eligibility and vesting purposes.

Beginning in March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic. Due to the uncertainty surrounding the COVID-19 situation, the impact on the Company's results of operations, cash flows, and financial conditions, and the extent of any impact to the Plan, cannot be reasonably estimated or determined at this time.

The Plan has implemented the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020, which were immediately available, for coronavirus-related distributions, suspended participant loan payments, increased loan limits, and waiver of required minimum distributions that are due during 2020. The Plan intends to formally execute the required amendments for these provisions by the last day of the plan year beginning on or after January 1, 2022.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.

Ashfield Employee Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, determined by the Trustee, is based on the fair values of the underlying investments held by the fund less liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate full redemption of the common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,946,977	\$ -	\$ -	\$ 24,946,977

Total investment assets at fair value	\$ 15,126,303	\$ 1,189,621	\$ -	\$ 16,315,924

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2019 and 2018, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (the Trustee of the Plan).

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Reliance Trust Company. Reliance Trust Company is the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Direct fees incurred and paid by the Plan for the investment management services were \$53,521 for the year ended December 31, 2019.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 7: Tax Status

The Company adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Ashfield Employee Savings Plan

Notes to Financial Statements

Note 8: Risks and Uncertainties and Concentrations of Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2019 and 2018, two investment securities represented 33% and 37%, respectively, of the plan net assets.

Note 9: Reconciliation of Financial Statements to Form 5500
