HONDROS MANAGEMENT COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 (Audited) and 2018 (Compiled)

NOTE 1 - PLAN DESCRIPTION

The following description of the Hondros Management Company 401(k) Plan, (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Hondros Management Company, National Background Check, Inc., Northeast Conference Center, Hondros College, Inc., Hondros Learning, LLC, and Real Zona Partners, LLC (the Company, Plan Administrator, or Plan Sponsor) who are at least 21 years old and who have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investments offerings, and monitors investment performance.

Change in Ownership

On December 23, 2019, Hondros College Inc., Real Zona Partners, LLC, and Hondros Learning, LLC were sold to an unrelated third party buyer. Employees of these entities were no longer eligible to participate in the Plan after the sale date (see Note 5). At December 31, 2019, the assets of the employees of Hondros College, Inc., Real Zona Partners, LLC, and Hondros Learning, LLC were still held by the Plan.

Contributions

Each year, eligible participants may contribute pre-tax 401(k) deferrals or ROTH elective deferrals, up to 90% of annual compensation, as defined in the Plan, and subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions to the Plan of 75% up to the first 4% of eligible participant salary deferrals. During the years ended December 31, 2019 and 2018, matching contributions of \$115,333 and \$103,377, respectively, were made to the Plan. The Company may also make annual non-elective contributions to the Plan. No such contributions were made during 2019 or 2018.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Each participant is permitted to have one outstanding loan. The loans are secured by the balance in the participant's account and bear interest at rates that will be equal to the prime interest rate as published on the 14th day of each month, plus one percent (1%). Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION - CONTINUED

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's matching contribution plus actual earnings thereon is based on years of continuous service. To earn a year of service a participant must be credited with at least 1,000 hours of service during a Plan year.

A participant is 100% vested after three years of credited service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	33%
2	67%
3	100%

Upon death, disability, or attainment of normal retirement age, participants become 100% vested in their account.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments not to exceed the participant's assumed life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants can also request hardship withdrawals for certain expenses as defined by the Plan. Terminated participants with a vested account balance below \$5,000 are subject to an automatic lump sum distribution as specified in the Plan.

Forfeited Accounts

At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$682 and \$668, respectively. These accounts will be used first to pay Plan administrative expenses and second to reduce future Company contributions. During the years ended December 31, 2019 and 2018, Plan administrative expenses were reduced by \$0. During the years ended December 31, 2019 and 2018, Company contributions were reduced by \$979 and \$2,708 from forfeited non-vested accounts, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan Management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and management deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain fees related to specific participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Subsequent events were evaluated through September 29, 2020, which is the date the financial statements were available to be issued.

Subsequent to year-end, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Plan, COVID-19 may impact various parts of its 2020 investments and financial results, including, employee participation and retention of eligible employees. Management believes the Plan is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events occurred subsequent to year-end and are still developing.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value by providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS – CONTINUED

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,697,781	\$ -	\$ -	\$ 3,694,781
Total assets at fair value	<u>\$ 3,697,781</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,697,781</u>

The following table sets forth by level the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,793,032	\$ -	\$ -	\$ 2,793,032
Total assets at fair value	<u>\$ 2,793,032</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,793,032</u>

NOTE 4 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan does not consider Company contributions to the Plan to be party-in-interest transactions. The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

Notes receivable from participants and the related interest income are considered party-in-interest transactions.

NOTE 5 - PARTIAL PLAN TERMINATION

As described in Note 1, in December 2019, the Company sold Hondros College, Inc., Real Zona Partners, LLC, and Hondros Learning, LLC to an unrelated party. As a result, a significant number of plan participants were no longer eligible to participate in the Plan and the Plan experienced a partial plan termination as defined by ERISA. When a partial plan termination occurs, affected participants become fully vested in the accounts at the termination date, but the remaining participants' vesting continues to be determined according to the plan provisions. At December 31, 2019, the assets of the employees of Hondros College, Inc., Real Zona Partners, LLC, and Hondros Learning, LLC were still held in the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Company adopted a Prototype Non-Standardized Profit Sharing Plan, which received its latest favorable opinion letter from the Internal Revenue Service on July 16, 2014. The opinion letter stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code.

Internal Revenue Service guidelines allow adopting employers of a prototype plan to rely on a favorable opinion for qualification requirements without requesting a separate determination letter if the following three requirements are met: 1) the employer's plan is identical to an approved prototype plan, 2) the employer has chosen only the options permitted under the terms of the approved plan, and 3) the employer has followed the terms of the plan.

Management believes the Plan has met the three guidelines stated above and intends to continue following the provisions of the prototype plan. Thus, the Company has not requested a separate determination letter for the Plan. The Plan has been amended since the prototype plan received the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management of an organization to evaluate tax positions taken by the organization and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Plan Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. There are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has received a certification from Reliance Trust Company, the Trustee of the Plan's assets, as to the completeness and accuracy of the investments and related investment income. Such information includes the composition and current value of the investments reported in the statement of net assets available for benefits and the related investment income reported in the statement of changes in net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 and 2018, to Form 5500:

Amounts accrued for excess contributions	-	8,806
