Other Matter - Report on Supplemental Information on the 2019 Financial Statements

The supplemental schedules of assets (held at end of year) as of December 31, 2019 and delinquent participant contributions for the year ended December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules referred to above.

Other Matter—2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated October 3, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content on the 2019 Financial Statements in Compliance with Department of Labor's Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 1 - Description of the Plan

The following description of the OptumCare Florida, LLC 401(k) Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective June 19, 2019, OptumCare Florida, LLC (formerly DaVita Medical Florida, Inc.) ("the Company") renamed the plan from DaVita Medical Florida, Inc. 401(k) Retirement Savings Plan to OptumCare Florida, LLC 401(k) Retirement Savings Plan. The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees who are age eighteen or older and have completed nine months of employment are eligible to make contributions to the Plan, as defined in the Plan document. In certain circumstances, the Company recognizes prior service with other related and/or acquired employers. Employees who are residents of Puerto Rico, covered by a collective bargaining agreement, or non-resident aliens with no income from a U.S. source are not eligible to participate.

Contributions

Each year, participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allows participants to contribute up to 75% of their eligible pay. Elective deferrals include pre-tax deferrals, Roth deferrals, and rollover contributions. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company makes a safe-harbor matching contribution equal to 100% of participant deferrals up to 3% of eligible compensation, plus 50% of the next 2% of eligible compensation as defined in the Plan document. The contributions are allocated to non-highly compensated employees only. The Company may make additional discretionary matching contributions of up to 4% of a participant's compensation for non-highly compensated employees. The Company may also make discretionary profit-sharing contributions to be allocated among participants using an integrated formula based upon a percentage of eligible compensation and a percentage of eligible compensation in excess of the Social Security taxable wage base, in accordance with the Plan document. Employees must have worked at least 1,000 hours and be employed on the last day of the plan year to be eligible to receive discretionary profit-sharing contributions. There were no additional discretionary matching contributions or discretionary profit-sharing contributions for the year ended December 31, 2019.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, rollover contributions, the Company's safe-harbor matching contributions, discretionary matching contributions and discretionary profit-sharing contributions, if any, and Plan earnings (net of administrative expenses). Plan earnings are allocated daily to each participant's account in the proportion that each participant's balance bears to the total balance of all participants' accounts in each investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their pre-tax deferral contributions, Roth deferrals, rollover contributions, employer safe-harbor matching contributions, and earnings thereon. Employer discretionary matching and discretionary profit-sharing contributions, if any, vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1	25%
2	50%
3	75%
4 or more	100%

Notwithstanding the vesting schedule above, employer discretionary matching and discretionary profit-sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 65), disability, or complete termination of the Plan.

Forfeited Accounts

As of December 31, 2019 and 2018, forfeited nonvested accounts totaled \$1,803 and \$13,461, respectively. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2019, \$12,070 was used to pay administrative expenses for the Plan.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum payment or installments. A participant whose vested account balance is \$1,000 or less will automatically receive a lump-sum distribution equal to their vested account balance, unless the participant requests that the amount be rolled over into another IRA or retirement plan. If the vested account balance exceeds \$1,000 but is less than \$5,000, the amount exceeding \$1,000 will be rolled over into an Individual Retirement Account (IRA) designated by the Company. With the Company's approval, participants may withdraw all or part of their employee contributions in the event of financial hardship.

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2019 and 2018.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 1 - Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balances. These loans are secured by the balance in the participant's account. The loans bear interest at rates commensurate with prevailing rates at origination as determined by the Company. The maximum term for a loan is 5 years, except if the loan is used to acquire the participant's principal residence, in which case the term of the loan may not exceed 10 years. Principal and interest are paid ratably through payroll deductions. Participants are permitted to have one outstanding loan at a time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Payment of Benefits

Benefits are recorded when paid.

Reclassification

For comparability, certain 2018 amounts have been reclassified to conform with classifications adopted in 2019. The reclassification had no effect on previously reported net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2020, the date the financial statements were approved and available to be issued.

Effective June 16, 2020, the Company delegated its oversight responsibilities as plan administrator to the UnitedHealth Group Employee Benefits Plans Administrative Committee. The Company delegated its responsibilities for the Plan's investment offerings and monitoring investment performance to the UnitedHealth Group Employee Benefits Plans Investment Committee.

NOTE 3 - Information Prepared and Certified by Trustee

The Company has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2019 and 2018. Accordingly, Fidelity Management Trust Company ("the Trustee") of the Plan has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2019 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;

OptumCare Florida, LLC 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 4 - Fair Value of Financial Instruments (cont.)

- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: The self-directed brokerage account allows participants the opportunity to invest in a wide array of individual securities including cash and cash equivalents, and mutual funds, which are primarily valued using the methodologies described above for the Plan's investments in mutual funds. The carrying value of the cash and cash equivalents approximates fair value as maturities are less than three months.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2019			
	Total	Level 1	Level 2	Level 3

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

NOTE 5 - Administration of Plan Assets

The Plan's assets are administered under a contract with the Trustee. The Trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 - Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Trustee and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - Tax Status

The Plan uses a volume submitter document sponsored by Fidelity Management & Research Company. The volume submitter sponsor received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014 which states the volume submitter document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2019 and 2018, the Plan had investments of \$12,818,367 and \$9,964,943, respectively, concentrated in two mutual funds that each accounted for more than 10% of Plan investments.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2019 and 2018 and for the Year Ended December 31, 2019

For the year ended December 31, 2019, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled \$1,022,454. The Company compensated participants for lost earnings resulting from the delinquent participant contributions in 2020.
