Notes to Financial Statements

December 31, 2019 and 2018

Plan Description

The following description of the Queen City Hospice, LLC (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The plan was effective on January 1, 2018. The Plan is a defined contribution plan covering all eligible employees who are age 21 and older with at least three months of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Effective April 16, 2018, participants may elect to contribute up to 100% of their compensation through payroll deductions, up to the maximum allowed per the Internal Revenue Code (IRC). The Plan also provides for Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company may make matching contributions equal to a discretionary percentage, as determined by the Company's management, of employee deferrals. Matching contributions of \$21,281 were made for the 2019 plan year and were remitted to the plan in January 2020. No matching contributions were made during 2018. Additional profit sharing contributions may be contributed by the Company at the option of the Company's management; however, no profit sharing contributions were made in 2019 or 2018. The Plan also permits employees to transfer funds from other qualified plans into the trust fund managed for the Plan. Contributions are subject to certain limitations.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings and (c) forfeitures and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching and profit sharing contribution portions of their accounts plus earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Plan Description (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate when the loan is executed plus 1%. Outstanding participant loans bear interest at rates of 6.00%. Principal and interest are paid ratably through payroll deductions. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence.

Payment of Benefits

A participant may receive the value of his or her vested account upon retirement, disability or termination of employment with the Company. Upon death or disability of a participant or upon reaching retirement age, which is 65 years of age, the participant, or beneficiary, shall be entitled to the full value of the account. Distributions are made in a full lump sum or partial payment. Hardship withdrawals, as defined in the plan agreement, are also available to participants. The Plan also provides for in-service distributions of a participant's vested interest in his or her account for employees who reach age 59 ½ while still employed with the Company.

Forfeited Accounts

At December 31, 2019 and 2018 there were no forfeited non-vested accounts. Forfeitures will be used to reduce employer contributions. During 2019 and 2018 no forfeitures were used.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

QUEEN CITY HOSPICE, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date and interest is recognized on the accrual basis.

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as unrealized gains and losses on securities held at the balance sheet date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan pays fees for administrative services. Certain other administrative expenses are paid by the Company.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Plan's trustee.

Information Prepared and Certified by the Trustee (continued)

The trustee also certified to the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

Net appreciation (depreciation) in the fair value of investments	\$ 30,827	\$(6,403)
Interest and dividends	4,551	1,040

Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- Mutual Funds:* Valued at the net asset value, determined based on unadjusted quoted prices in active markets for identical assets, of shares held by the Plan at year-end.

QUEEN CITY HOSPICE, LLC 401(k) PLAN

Notes to Financial Statements

Fair Value Measurements (continued)

*Common
Collective
Trust:*

Valued at the net asset value (NAV) provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2019:

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 357,502	\$ -	\$ -	\$ 357,502
Investments measured at net asset value *	-	-	-	9,711
Total assets at fair value	\$ 357,502	\$ -	\$ -	\$ 367,213

QUEEN CITY HOSPICE, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

Fair Value Measurements (continued)

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 76,350	\$ -	\$ -	\$ 76,350
Investments measured at net asset value *	-	-	-	313
Total assets at fair value	<u>\$ 76,350</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 76,663</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Tax Status

The Company adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving this opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Party-in-Interest Transactions

Ascensus, Inc. is the record keeper and trustee of the Plan and therefore transactions between the Plan and Ascensus, Inc. qualify as party-in-interest transactions. Everhart Financial Group is the investment advisor to the plan and therefore transactions between the Plan and Everhart Financial Group qualify as party-in-interest transactions. Administrative expenses paid by the Plan to Ascensus, Inc. and Everhart Financial Group totaled \$1,308 and \$362 during 2019 and 2018, respectively.

Notes to Financial Statements

December 31, 2019 and 2018

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such change could materially affect participants' account balances and the amounts reported in the accompanying 2019 statement of net assets available for benefits.

Concentrations

Approximately 87% of the plan assets are held in funds issued by American Funds.

Subsequent Events

On March 11, 2020, the World Health Organization declared COVID-19 to be a pandemic. The outbreak of the COVID-19 pandemic has severely impacted global economic activity and caused significant volatility and negative pressure in financial markets. Because of the uncertainty impacting the financial markets during this time, management is unable to estimate the impact of the pandemic on assets of the Plan.

As a result of the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act includes relief provisions available to tax-qualified retirement plans and their participants. This relief includes the following for qualified participants: a temporary waiver of required minimum distributions, a temporary waiver of early withdrawal penalties for COVID-19 related distributions and a temporary increase in the maximum amount for retirement plan loans. Plan management implemented these relief clauses in April 2020.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date on which the financial statements were available to be issued.
