THE PIKE COUNTY RECOVERY COUNCIL 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The Pike County Recovery Council 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a safe harbor defined contribution plan covering all full-time employees of the Pike County Recovery Council who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute between 1% - 100% of their compensation as defined by the Plan, up to \$18,500 pretax annual compensation, which is determined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan authorized the Council to make safe harbor matching contributions up to 3% of employee salary deferrals on behalf of eligible participants. If a participant is at least age 50 before the end of the calendar year, they may elect to defer up to an additional \$6,000 of "catch-up contributions". Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Council's contribution and, (b) Plan earnings. Administrative and distribution expenses are paid by the participants. Administrative expenses are netted with earnings on investments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon; as well as, the Council's safe harbor matching contributions plus actual earnings.

Notes Receivable from Participants. Participants are not permitted to borrow from their funds under this plan.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an annuity. For termination of service due to other reasons or financial hardship, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If the vested balance does not exceed \$5,000, the benefit will be distributed as soon as administratively feasible.

Forfeited Accounts. Due to the Plan's 100% vesting policy, no forfeitures are incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 5, 2020 which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

THE PIKE COUNTY RECOVERY COUNCIL 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the participants. These expenses offset gains on investments.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 2 or Level 3 inputs.

Level 1 Fair Value Measurements

The fair value of money market and mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

THE PIKE COUNTY RECOVERY COUNCIL 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019:

		Fair Value Measurements at Reporting Date Using:
	Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level1)
<u>December 31, 2019</u>		
Mutual funds	\$ 701,026	\$ 701,026
Money market funds	79,644	79,644
Total	<u>\$ 780,670</u>	<u>\$ 780,670</u>
	Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level1)
<u>December 31, 2018</u>		
Mutual funds	\$ 536,670	\$ 536,670
Money market funds	51,914	51,914
Total	<u>\$ 588,584</u>	<u>\$ 588,584</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2019 are reported in net appreciation/(depreciation) in fair value of investments.

4. INVESTMENTS

The December 31, 2019 Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes cash and cash equivalents and total investments of \$780,670 at December 31, 2019.

During 2019, the plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$192,086.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Council has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**THE PIKE COUNTY RECOVERY COUNCIL 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

6. TAX STATUS

The Council has an agreement with Pentegra Services, Inc. whereby specified plan administration services will be provided to the Plan by means of a prototype plan sponsored by Pentegra Services, Inc. The Internal Revenue Service has determined and informed Pentegra Services, Inc. by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. All IRS Form 5500, *Annual Return/Report of Employee Benefit Plan*, have been timely filed and are subject to examination by the IRS, generally for three years after they are filed.

7. SEPARATED PARTICIPANTS WITH DEFERRED VESTED BENEFITS

At December 31, 2019, the Plan held \$46,128 of investments for participants who have separated from the plan. These participants are permitted to delay distribution until required by law to receive minimum required distributions.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan sponsor directly pays various expenses for the Plan.

Three members of management of the Council serve as plan trustees and administrators; furthermore, they are authorized signers for the plan. All members of management participate in the plan.

All of these part-in-interest transactions are exempt from the prohibited transactions of ERISA.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The Pike County Recovery Council 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a safe harbor defined contribution plan covering all full-time employees of the Pike County Recovery Council who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute between 1% - 100% of their compensation as defined by the Plan, up to \$18,500 pretax annual compensation, which is determined by the IRS. Notes Receivable from Participants. Participants are not permitted to borrow from their funds under this plan.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an annuity. For termination of service due to other reasons or financial hardship, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If the vested balance does not exceed \$5,000, the benefit will be distributed as soon as administratively feasible.

Forfeited Accounts. Due to the Plan's 100% vesting policy, no forfeitures are incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 5, 2020 which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the participants. These expenses offset gains on investments.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 2 or Level 3 inputs.

Level 1 Fair Value Measurements

The fair value of money market and mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

6. TAX STATUS

The Council has an agreement with Pentegra Services, Inc. whereby specified plan administration services will be provided to the Plan by means of a prototype plan sponsored by Pentegra Services, Inc. The Internal Revenue Service has determined and informed Pentegra Services, Inc. by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. All IRS Form 5500, *Annual Return/Report of Employee Benefit Plan*, have been timely filed and are subject to examination by the IRS, generally for three years after they are filed.

7. SEPARATED PARTICIPANTS WITH DEFERRED VESTED BENEFITS

At December 31, 2019, the Plan held \$46,128 of investments for participants who have separated from the plan. These participants are permitted to delay distribution until required by law to receive minimum required distributions.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan sponsor directly pays various expenses for the Plan.

Three members of management of the Council serve as plan trustees and administrators; furthermore, they are authorized signers for the plan. All members of management participate in the plan.

All of these part-in-interest transactions are exempt from the prohibited transactions of ERISA.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
