Retirement Savings Plan - Contract Employees
Notes to Financial Statements
December 31, 2019 and 2018

Note 1: Description of the Plan

The following description of Johnson Service Group, Inc. (Company) 401(k) Retirement Savings Plan - Contract Employees (Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by the Johnson Service Group, Inc. and subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

Transamerica Life Insurance Company acts as custodian of the Plan at December 31, 2019 and 2018, and for the years then ended.

Eligibility

Employees of the Company who are not participants of a collective bargaining unit are eligible to participate. A participant is eligible to enter the Plan after attaining 21 years of age and completion of 30 days of service.

Contributions

Each year participants may elect to contribute to the Plan a percentage of their annual compensation, as defined in the Plan. Contributions to the Plan can be classified as pre-tax or Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various pooled separate account investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of plan earnings and charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments, as provided for in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Nonvested forfeited accounts are used to pay administrative expenses. During 2019 and 2018, $10 and $9, respectively of forfeitures were used to pay administrative expenses. At December 31, 2019 and 2018, forfeited nonvested accounts totaled $4,844 and $4,700, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Investments held in pooled separate accounts are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There are no unfunded commitments at December 31, 2019 and 2018.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan provides for investments that, in general are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain administrative fees are paid by the Company on behalf of the Plan. Additionally, certain employees of the Company provide administrative and trustee services to the Plan and are not reimbursed by the Plan for such services. Administrative expenses paid by the Plan of $19,074 and $23,767 during 2019 and 2018, respectively, are recognized as incurred. Investment management fees are also included in the net appreciation (depreciation) in fair value of investments.

Note 3: Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Life Insurance Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge and belief for 2019 and complete and accurate for 2018.

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 31, 2019 and 2018
- Net appreciation (depreciation) in fair value of investments as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2019 and 2018
- The investments, in the supplemental schedule of assets (held at end of year) as of December 31, 2019

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: Tax Status

The Plan operates under a standardized adoption agreement in connection with prototype 401(k) profit-sharing plan and trust sponsored by CCH Incorporated d/b/a FTWILLIAM COM. This prototype plan document was filed with the appropriate agency and the sponsor has obtained an opinion letter dated March 31, 2014, from the Internal Revenue Service stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan was been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Note 5: Transactions With Parties-in-Interest

Certain plan investments are shares of pooled separate account managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the custodian as defined in the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 6: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2019 and 2018:

	2019	2018
Net assets available for benefits per the financial statements	$ 10,399,055	$ 7,041,011
Excess contributions payable to participants	85,316	98,691

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2019 and 2018:

Participant contributions receivable at beginning of year	-	25,341
Net increase in net assets available for benefits per the Form 5500	$ 3,344,669	$ 14,573

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA.

Note 8: Excess Contributions

For the years ended December 31, 2019 and 2018, the Plan failed certain nondiscrimination provisions resulting in excess contributions due to participants. For the years ended December 31, 2019 and 2018, refunds of $85,316 and $98,691, respectively, were due to certain participants to return to them excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan. The amounts due at December 31, 2019 and 2018, were refunded to affected participants during 2020 and 2019, respectively.

Note 9: Subsequent Events

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

In April 2020, the Plan implemented changes related to the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act), which provides relief to individuals impacted by the COVID-19 crisis.

The following are new features available to Plan participants (subject to certain restrictions):

- Coronavirus related distributions (CRD) up to $100,000, fees will be waived.

- Eligible participants must take a CRD before a hardship distribution can be taken.
- Required minimum distributions are waived for 2020.

Subsequent events have been evaluated through October 5, 2020, which is the date the financial statements were available to be issued.
