NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Q.G.S. Development, Inc. (the "Company") 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time and part-time employees of the Company and was established on 1/1/2019. John Hancock serves as the trustee of the Plan. Employees must be twenty one years of age and complete one year of service to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Matching contributions may also be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the participant. During the year ended December 31, 2019, the Company elected to make a discretionary matching contribution of 1.5% of the employees contributions up to 3%.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund investments as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of any Company contribution, and Plan earnings (losses), and charged with benefit payments, transaction fees related to distributions, and allocations of administrative expenses. Allocations of Plan earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Death and Disability

A participant or named beneficiary is entitled to 100% of his or her account balance upon death or disability.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The value of the participant's account attributable to safe harbor and profit sharing contributions vests as follows:

Years of Service	Percentage
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Payment of Benefits

Upon termination of service, a participant or named beneficiary will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59.5.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting inconformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and assumptions.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either plan participants or the Company, as provided by the Plan document. Certain administrative functions are performed by the employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent Events

Management evaluated all events or transactions that occurred after December 31, 2019 through August 31, 2020, the date the financial statements were available to be issued. In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern" which continues to spread throughout the world and has adversely impacted global commercial activity and contributed significant declines and volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its performance, and its financial results. No other events have occurred during this period that would require adjustment to or disclosure in the accompanying financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers are described as follows:

Level 1 - Observable inputs such as quoted prices in active markets.
Level 2 - Inputs other than quoted prices in active markets that are either directly or indirectly observable.
Level 3 - Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements: Cash includes amounts in interest bearing cash, money market and U.S. Treasury funds that are readily convertible to cash, have a short-term maturity and are valued at cost which approximates fair value. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2019:

	Fair Value as of December 31, 2019			
	Total	Level 1	Level 2	Level 3
Mutual Funds	$ 404,674	$ 404,674	$ -	$ -
Total Assets	$ 404,674	$ 404,674	$ -	$ -

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY TRUSTEE

The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2019 and for the year then ended that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee:

Investments, at fair value	$ 404,674
Net appreciation (depreciation) in fair value of investments	$ (30,662)

NOTE 5 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 6 - TAX STATUS

The Plan has not obtained a determination letter from the Internal Revenue Service ("IRS") stating that the Plan was in compliance with the applicable requirement of the Internal Revenue Code ("IRC"). The Plan is relying on the IRS approval of the standardized volume submitter profit sharing plan sponsored by United Retirement Plan Consultants ("United"). The IRS has determined and informed United by a letter dated March 31, 2014 that the volume submitter profit sharing plan document was designed in accordance with applicable sections of the IRS. The Plan has been amended since its determination letter was received in order to comply with changes in tax laws. The Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PARTY-IN INTEREST TRANSACTIONS

The independent auditor of the Plan's financial statements, Rushton and Company, LLC, is a service provider to the Plan and is considered a party-in-interest.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Concentrations of Investment Risk

During 2019, the Plan had no concentrations related to the investment accounts.

Fidelity Bond

ERISA requires that fiduciaries of an employee benefit plan and persons who handle funds or other property of a plan must be bonded. For the year ended December 31, 2019, the amount of the required fidelity bond for the Plan was the greater of $1,000 or 10% of the estimated Plan assets held for the reporting year of the Plan. A fidelity bond was not in place during 2019, however, on 1/1/2020, a fidelity bond was established and adequately met ERISArequirements as of that date.
