### Report on the Financial Statements

We have audited the accompanying financial statements of Taiho Corporation of America 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America.

**TAIHO CORPORATION OF AMERICA 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2019 and 2018**

**Note 1—Description of plan**

The following description of the Taiho Corporation of America 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement and Plan Amendments for more complete information.

**General**

The Plan is a defined contribution plan covering substantially all employees of Taiho Corporation of America (the Company). Employees who have attained the age of twenty-one and completed at least three months of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Participants may elect a percentage reduction in compensation, subject to Internal Revenue Service limitations, which may be contributed to the Plan on a pretax basis as designated by the employee. The Plan has an automatic enrollment feature where participants will defer at 2% of eligible wages unless requested otherwise by the participant. The Company makes matching contributions to the Plan of 60% of the deferral on the first 6% of compensation the employee contributes to the Plan.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in the Company contributions over a four year period as described in the table below:

|                          |      |
|--------------------------|------|
| 1 year of service        | 25%  |
| 2 years of service       | 50%  |
| 3 years of service       | 75%  |
| 4 years of service       | 100% |
| Upon death or disability | 100% |

**Plan disbursement and withdrawals**

Upon termination of service or retirement, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account.

**Notes receivable from participants**

The Plan allows participants to borrow from their deferred account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of account balance. The notes bear interest at a fixed rate commensurate with local prevailing rates at the inception of the note as determined by the Plan Administrator. Principal and interest are paid through after-tax payroll deductions.

**Forfeitures**

Forfeited balances of terminated participant accounts are used to reduce plan administrative fees, supplement matching contributions, and are allocated to any discretionary contribution made by the Company. Unused forfeitures amounted to \$56,572 and \$54,090 as of December 31, 2019 and 2018, respectively.

**TAIHO CORPORATION OF AMERICA 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2019 and 2018**

**Note 1—Description of plan—continued**

**Plan termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their account balances.

**Note 2—Summary of significant accounting policies**

**Basis of accounting**

The Plan maintains its records on the accrual basis, whereby income is recognized when earned and expenses are recognized when the obligations are incurred. Benefit payments are recorded when distributed by the Plan.

**Use of estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

**Administrative costs**

The Plan Sponsor pays the administrative expenses of the Plan, unless the expenses relate to specific investment directions of the participant. Administrative expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses.

**Income tax status**

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the Code). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2019 and 2018**

**Note 2—Summary of significant accounting policies—continued**

**Investment valuation and income recognition**

Investments in mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

**Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 3—Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic, Fair Value Measurement, are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**TAIHO CORPORATION OF AMERICA 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2019 and 2018**

**Note 3—Fair value measurements—continued**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

*Mutual Funds* – these are valued at quoted market prices

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis:

**Note 4—Related party transactions and party in interest transactions**

Certain Plan investments are managed by American Funds. American Funds is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment. The Plan made direct payments to the custodian in the amount of \$10,500 during 2019.

**Note 5—Subsequent events**

The Plan has evaluated subsequent events through September 28, 2020, the date the financial statements were available to be issued, and has determined there are no subsequent events that require disclosure except for the following.

As a result of the spread of the COVID-19 coronavirus during 2020, economic uncertainties have arisen as of the date of the financial statements. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, and the impact on the Plan Sponsor, participants and investments, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Plan's financial condition or results of operations is uncertain.
