INDEPENDENT AUDITORS' REPORT

To the Investment Committee
Malco Products, Inc. Incentive Savings Plan and Trust
Barberton, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Malco Products, Inc. Incentive Savings Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2019 and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Newport Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executed investment transactions. The Plan administrator has obtained certifications from the trustee as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated October 4, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MALCO PRODUCTS, INC. INCENTIVE SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Malco Products, Inc. Incentive Savings Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all full-time employees of Malco Products, Inc. (the "Company") who are not leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2015, the Plan was amended to include an automatic contribution arrangement. Unless a new participant elects not to make deferrals, or elects to defer a different amount, an initial automatic deferral amount of 3% of compensation (as defined in the Plan agreement) will be withheld for each pay period. The automatic deferral amount will increase by 1% of compensation at the beginning of each subsequent plan year up to a maximum of 5% of compensation.

Contributions

Participants can elect to have from 1% to 50% of their pre-tax and/or post-tax annual compensation contributed to the Plan, subject to limits set by the Internal Revenue Service (IRS). The Company currently makes a discretionary matching contribution equal to 50% of a participant's contribution, up to 7% of the participant's compensation. The Company may, at the discretion of its board of directors, make additional voluntary profit-sharing contributions. In 2019 and 2018, there were no discretionary contributions made.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings (losses), net of administrative expenses. Allocations are based on provisions of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their vested account balance. Note transactions are treated as a transfer between the investment fund and the note account. Note terms range from one to five years or more for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service as follows:

MALCO PRODUCTS, INC. INCENTIVE SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Upon death, disability, retirement or termination of services, a participant or beneficiary may receive a lump-sum amount equal to the vested value of the participant's account or receive installment payments.

Forfeitures

Forfeitures relating to Company matching and discretionary contributions remain within the Plan and are used to reduce Company contributions and discretionary administrative expenses. Total amounts forfeited during the years ended December 31, 2019 and 2018 amounted to \$21,866 and \$46,367, respectively. At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$27,355 and \$29,107, respectively.

Plan Expenses

The Plan allows for payment of Plan expenses first through the use of its Plan forfeitures balance, with any remaining expenses then paid by the Company.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the modified cash basis of accounting. The modified cash basis of accounting reports financial information on a cash basis, except that investments are adjusted to fair value and notes receivable from participants are recorded upon issuance and measured at their unpaid balance. The modified cash basis of accounting, which is permitted under the Department of Labor's Rules and Regulations, is a comprehensive basis of accounting other than accounting principles generally accepted in the United States.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from assets during the reporting period. Accordingly, actual results may differ from those estimates.

December 31, 2019 and 2018

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2019 and 2018. Gains and losses on investments that were purchased, sold or held during the period are included in net appreciation in fair value.

Investment income consists of dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments. Dividend income is recognized when received. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 24, 2020, the date the financial statements were available to be issued.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has also led to extreme volatility in financial markets and has affected and may continue to affect Plan assets. While the potential economic impact brought by, and the duration of, COVID-19 may be difficult to assess or predict, a widespread pandemic could result in significant disruption of global financial markets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

The Coronavirus Aid Relief, and Economic Security Act (CARES Act) was signed on March 27, 2020. The CARES Act contained provisions related to benefit plans including, but not limited to, items such as (a) waiving required minimum required distributions during 2020, (b) allowing for delays for participant loan repayments, (c) increasing the limits of allowable participant loans, and (d) permitting eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. The Plan has adopted the provisions of the CARES Act.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets;
- Level 2 – Valuation is based upon quoted prices for similar assets or liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly for substantially the full term of the financial instrument; and
- Level 3 – Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets measured at fair value are as follows:

NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

Mutual funds: Valued at fair value as determined by quoted market prices on active markets.

Common collective trust: Valued at the net asset value of the units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The investment objective of the underlying investments is to simulate the performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

In determining the reasonableness of the methodology, the Plan's Investment Committee evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service ruled on March 31, 2008, that the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust was not subject to tax. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits – Modified Cash Basis.

NOTE 8 – PROHIBITED TRANACTIONS

During the year ended December 31, 2018, the Company inadvertently failed to segregate and remit in a timely manner certain participant contributions from its assets within the required time period as specified by the DOL Reg. 2510.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provision of ERISA and the IRC. Lost earnings associated with the late remittance was paid by the Plan sponsor to the participant accounts in 2018.
