ROBERT BUSSE & CO., INC. 401(k) PROFIT SHARING PLAN

Marcum LLP
Accountants & Advisors
10 Melville Park Road
Melville, NY 11747

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Robert Busse & Co., Inc. 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits:

1. We confirm that we are responsible for the fair presentation in the financial statements of the statements of net assets available for benefits and the related statement of changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and in all material respects in relation to the basic financial statements taken as a whole. The financial statements and related footnotes are fairly presented in conformity

with accounting principles generally accepted in the United States of America and the footnotes include all disclosures required by laws and regulations to which the Plan is subject.

2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 27, 2020, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

3. We have made available to you all –

   a. financial records and related data.

   b. minutes of the meetings of stockholders, directors and committees of directors, or summaries of actions of recent meetings for which minutes have not yet been prepared. There were no such meetings for the year ended December 31, 2019.

   c. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

4. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.

5. We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.

6. We have reviewed and approved all adjusting journal entries proposed by you during your engagement that have been recorded in our general ledger and reflected properly in the financial statements and footnotes (summarized in the accompanying Attachment B).

7. We have no knowledge of any fraud or suspected fraud affecting the entity involving:

   a. management

   b. employees who have significant roles in internal control, or

   c. others where the fraud could have a material effect on the financial statements.

8. We have no knowledge of any allegations of fraud or suspected fraud affecting the entity that has been received in communications from employees, former employees, analysts, regulators, short sellers or others.

9. We have no –

   a. plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

   b. intentions to terminate the Plan.

10. The following have been properly recorded or disclosed in the financial statements:

   a. related party transactions, including transactions with parties-in-interest, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.

   b. guarantees whether written or oral under which the Plan is contingently liable.

   c. amendments to the Plan instruments if any.

11. All significant estimates and material concentrations known to management are disclosed in accordance with ASC 275, *Risks and Uncertainties*. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.

12. We have provided you with:

   a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.

   b. Additional information that you have requested from us for the purpose of the audit.

   c. Unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence.

   d. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

13. There are no –

    a. violations or possible violations of laws or regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

    b. other liabilities or gain or loss contingencies that are required to be accrued or disclosed by ASC 450 *Accounting for Contingencies*.

    c. material transactions that have not been properly recorded in the accounting records underlying the financial statements.

    d. other matters that legal counsel has advised us that must be disclosed.

    e. cybersecurity breaches or other cyber events whose effects should be considered for disclosure in the financial statements, as a basis for recording a loss contingency, or otherwise considered when preparing the financial statements.

14. We are not aware of any pending or threatened litigation, claims or assessments or unasserted claims that are required to be accrued or disclosed in accordance with ASC 450 *Accounting for Contingencies,* and we have not consulted a lawyer concerning litigation, claims or assessments. Further, the plan's sponsor has not engaged an attorney on behalf of the plan.

15. The Plan sponsor elected to make or not to make discretionary contributions during the year ended December 31, 2019.

16. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

17. Investments are valued at fair value including investments aggregating $4,548,099 and $3,542,173 at December 31, 2019 and 2018, respectively. Fair value is provided by Reliance Trust Company, trustee of the Plan. Management agrees with the fair value [and contract value] of the investments and accepts responsibility for their valuation.

18. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

19. All required filings of Plan (trust) documents with the appropriate agencies have been made.

20. The Plan obtained its latest determination letter on September 12, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax

counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

21. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified Plan (and trust). The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

22. The Plan has complied with the fidelity bonding requirements of ERISA.

23. The Plan has satisfactory title to all owned assets, (state exceptions, if any) and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

24. There are no –

    a. non-exempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under the section) that were not disclosed in the supplemental schedules or financial statements.

    b. investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    c. reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.

25. Administrative expense paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.

26. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

27. We have reviewed the ASC 820 "*Fair Value Measurement*", and all assets and liabilities have been properly categorized into the Level 1, 2, or 3 Fair Value Hierarchy and all other disclosure requirements of ASC 820 have been complied with in all material respects.

28. Plan management has:

    a. made all management decisions and performed all management functions relating to the accounting services that you have provided.

    b. established and maintained internal controls including monitoring ongoing activities

relating to the accounting services that you have provided.

c. evaluated the adequacy and results of the accounting services performed and accepts responsibility for the results of the services that you have provided.

d. designated a competent management level individual to oversee the services that you have provided.

29. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

30. We have evaluated our tax positions in accordance with ASC 740 *Income Taxes.* Specifically, we have determined whether our tax positions would be sustained upon examination, including resolution of any related appeals or litigation, based on the technical merits of the positions (assuming the taxing authority has full knowledge of all information) based upon a "more-likely-than-not" (MLTN) threshold. If this threshold is not met, none of the tax benefit provided by the position is reflected in the financial statements. For a tax position that meets the MLTN recognition threshold, the benefit is measured at the largest amount of benefit that is greater than 50 percent likely of being realized upon ultimate settlement. Additionally, related interest and penalties, if any, have been recorded in accordance with ASC 740 *Income Taxes.*

31. We have performed an assessment of whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time (defined as the time within one year after the date that the financial statements are issued, or available to be issued, where applicable). In assessing the appropriateness of the going concern basis for the Plan, we have taken account of all relevant information covering a reasonable period of time. We are not aware of any conditions or events beyond such reasonable period of time that may have an effect on Plan's ability to continue as a going concern. [If substantial doubt is raised and alleviated, add Going Concern Rep #1 and #2 from the Additional Illustrative Representations. If substantial doubt is raised and not alleviated, add Going Concern Rep #1 from the Additional Illustrative Representations].

32. We believe the Schedule H, Line 4i – Form 5500, Schedule of Assets, including their form and content, are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the required supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the required supplemental schedules.

33. In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States and the World. We are currently monitoring the outbreak of COVID-19 and the related business and travel restrictions and changes to behavior intended to reduce its

spread. The COVID-19 pandemic has triggered volatility in financial markets and a negative impact on the global economy. The extent to which the COVID-19 pandemic impacts the Plan, participants, and the Plan Sponsor, will depend on future developments, which are highly uncertain and cannot be reasonably estimated at this time.

34. In response to the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respective to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. The Plan has implemented the following relief provisions, however its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.

- Coronavirus-Related Distribution – Generally, participants may take a coronavirus-related distribution of up to $100,000 from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Generally coronavirus-related distributions may be repaid to the Plan within three years.

- Participant loans – Participants may borrow up to $100,000 from the Plan (an increase from the $50,000 previously allowed).

To the best of our knowledge and belief, no events have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
