Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2019 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee, as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter - Report on Supplemental Information on the 2019 Financial Statements

The supplemental schedules of assets (held at end of year) as of December 31, 2019 and delinquent participant contributions for the year ended December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules referred to above.

Other Matter—2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 14, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content on the 2019 Financial Statements in Compliance with Department of Labor's Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

OptumCare Management, LLC 401(k) Retirement Savings Plan

STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS For the Year Ended December 31, 2019

NOTE 1 - Description of the Plan

The following description of the OptumCare Management, LLC 401(k) Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan sponsored by OptumCare Management, LLC ("the Company"). The participating employers are collectively referred to as ("the Employers"). Employees who are age eighteen (18) or older are eligible for elective deferrals to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company is the plan sponsor and ("Plan Administrator") and is responsible for oversight of the Plan. The OptumCare Management, LLC Investment Committee ("Investment Committee") determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective June 19, 2019, OptumCare Management, LLC (formerly DaVita Medical Management, LLC) became the plan sponsor and renamed the plan from DaVita Medical Group 401(k) Retirement Plan to OptumCare Management, LLC 401(k) Retirement Savings Plan.

Contributions

Each year, participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allows participants to contribute a minimum of 1% and up to 75% of their eligible pay. Elective deferrals include pre-tax deferrals, Roth deferrals, and rollover contributions. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Employers provide various match calculations to eligible employees which may include one of the following: employer matching contribution of 50% of the employee's contribution up to 6% of eligible compensation, employer matching contribution of 50% of the employee's contribution up to 3% of eligible compensation, or certain employees are not eligible for employer matching contributions. The Employers also make a fixed flat dollar non-elective contribution for certain participants in amounts that vary based on position and years of service within limitations as determined by the Code. Non-elective contributions of \$7,341,075 were made for the year ended December 31, 2019. The Employers may, in their discretion, make a profit sharing contribution to the Plan, to be distributed among participants pro rata based upon compensation within limitations as determined by the Code. There was no discretionary profit-sharing contribution for the year ended December 31, 2019.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions; rollover contributions; the Employer's non-discretionary matching, non-elective contributions, and profit-sharing contributions, if any, and plan earnings (net of administrative expenses). Plan earnings are allocated daily to each participant's account in the proportion that each participant's balance bears to the total balance of all participants' accounts in each investment. The benefit to which a participant is entitled is the vested portion of the participant's account.

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, and earnings thereon. Employer matching contributions, non-elective contributions, profit sharing contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Notwithstanding the vesting schedules above, employer matching contributions, employer non-elective contributions, and employer profit sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Employers: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions.

Forfeited Accounts

As of December 31, 2019 and 2018, forfeited nonvested accounts totaled \$345,169 and \$510,110, respectively. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2019, employer contributions were reduced by \$517,941 and certain administrative expenses were reduced by \$65,609 from forfeiture accounts.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, and termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum payment or installments.

Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan document.

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2019 and 2018.

NOTE 1 - Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balances. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at origination as determined by the Company. The maximum term for a loan is 5 years, except if the loan is used to acquire the participant's principal residence, in which case the term of the note receivable may not exceed 10 years. Principal and interest are paid ratably through payroll deductions. Participants are permitted to have one note receivable outstanding at a time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS For the Year Ended December 31, 2019

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants in 2020.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Reclassification

For comparability, certain 2018 amounts have been reclassified to conform with classifications adopted in 2019. The reclassification had no effect on previously reported net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2020, the date the financial statements were approved and available to be issued.

Effective June 16, 2020, the Company delegated its oversight responsibilities as plan administrator to the UnitedHealth Group Employee Benefits Plans Administrative Committee. The Company delegated its responsibilities for the Plan's investment offerings and monitoring investment performance to the UnitedHealth Group Employee Benefits Plans Investment Committee.

NOTE 3 - Information Prepared and Certified by Trustee

The Company has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2019 and 2018. Accordingly, Fidelity Management Trust Company ("the Trustee"), has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2019, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

OptumCare Management, LLC 401(k) Retirement Savings Plan

STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS For the Year Ended December 31, 2019

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Common collective trusts: Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - Fair Value of Financial Instruments (cont.)

Self-directed brokerage accounts: The self-directed brokerage account allows participants the opportunity to invest in a wide array of individual securities including stocks, corporate bonds, zero-coupon bonds, U.S. Treasury securities, mortgage securities and U.S. government agency bonds, certificates of deposit, unit investment trusts, foreign securities, exchange-traded funds, and mutual funds. The investments are primarily valued using the methodology described above for mutual funds, the closing price reported on active markets on which securities are traded, or using price models maximizing the use of observable inputs for similar securities.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2019 and 2018, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>Investment</u>	<u>Fair Value (1)</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency (if currently eligible) (2)</u>	<u>Redemption Notice Period (3)</u>

December 31, 2018				
Common collective trusts	\$ 207,962,538	\$ -	Immediate	Various

(1) The fair value of investments is based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common collective trusts to be deferred, including, but not limited to, the following:

- (i) Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
- (ii) An emergency situation in which the disposition of assets would be seriously prejudicial to Plan participants.
- (iii) Breakdown in the means of communication normally employed to determine fair market value of an investment.
- (iv) Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2019 or 2018.

(3) Certain common collective trusts require redemption notice periods for plan withdrawals at the discretion of the investment advisor.

NOTE 5 – Administration of Plan Assets

The Plan's assets are administered under a contract with the Trustee. The Trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 – Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Employers. No such officer or employee receives compensation from the Plan.

NOTE 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - Tax Status

The Plan uses a volume submitter document sponsored by Fidelity Management & Research Company. The volume submitter sponsor received an opinion letter from the IRS dated March 31, 2014 which states the volume submitter document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
