SOUTHEASTERN CONSTRUCTION & MAINTENANCE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Southeastern Construction & Maintenance, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering full-time employees of the Southeastern Construction & Maintenance, Inc. (the "Company") who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Southeastern Construction & Maintenance, Inc.'s (the Company's) Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

Contributions - Participants may contribute up to, but not exceed, the maximum amount allowed by the Internal Revenue Code limits. Participants who have attained the age of 50 are eligible to make pre-tax catch-up contributions, subject to certain limitations. Additionally, the plan permits rollovers from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a deferral rate set at 0% of eligible compensation. The Company contributes 25% of the first 4% of base compensation that a participant contributes to the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contribution, if any, and Plan earnings; and is charged with the participant's withdrawals, Plan losses, and an allocation of administrative expenses. Allocations are based on participant investment account earnings, elective deferrals, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant's account. All participant accounts are maintained by the Insurance Company.

Investment Options - Upon enrollment in the Plan, a participant may direct employee and employer contributions into various investment options, which includes mutual funds. Participants may change their investment options at their discretion, as permitted by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting - Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company contribution portion of their accounts, plus actual earnings thereon, is based on each employee's years of continuous service, as defined by the Plan. The Plan's vesting provision is as follows:

Years of Service	Vested Percentage
Less than 2 Years	0%
2 Years but Less than 3	20%
3 Years but Less than 4	40%
4 Years but Less than 5	60%
5 Years but Less than 6	80%
6 Years or more	100%

An active participant who is less than 100% vested is deemed to be 100% vested upon death, total disability or termination of the Plan.

Forfeited Accounts – Pursuant to the plan document, the non-vested portion of discretionary matching and nonelective contributions credited to the accounts of participants who withdraw from the Plan are forfeited and held as nonparticipant-directed investments. These amounts may be used to pay administrative expenses of the Plan and any remaining amounts may be allocated to qualifying participants as an additional discretionary nonelective contribution. The Plan had $87 and $222 of forfeitures available to pay administrative expenses as of December 31, 2019 and 2018, respectively. The Plan Sponsor used $2 and $26 of forfeitures to pay administrative expenses for the 2019 and 2018 Plan year, respectively.

Benefit payments - Upon termination of service due to death, retirement, disability, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Hardship Withdrawals - Withdrawal of a portion of a participant's account will be permitted due to an immediate and heavy financial need, if it meets IRS requirements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Subsequent Events - The Plan evaluated subsequent events through October 1, 2020, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments, Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations are made based upon a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for investments as of the reporting date. As of December 31, 2019 and 2018, the Plan did not have such assets.

- Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets include financial instruments whose value is determined using pricing models, for which the determination of fair value requires significant management judgment or estimation. As of December 31, 2019 and 2018, the Plan did not have such assets

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

- *Pooled separate accounts:* These investments are stated at readily determinable fair value. The fair value is determined by the issuer and is valued daily using publicly available quoted market prices matched with the current underlying investment holdings of the accounts ("Level 2").

The estimated fair value is subjective in nature and involves uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could affect these fair value estimates. The fair value estimates do not take into consideration the value of future business and the value of assets and liabilities that are not financial instruments.

There were no transfers into or out of Level 1 and Level 2 fair value measurements during the years ended December 31, 2019 and 2018.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Services ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions for the Plan year ended December 31, 2019 to the applicable participants prior to March 2020.

Benefits Paid to Participants - Benefits are recorded when processed and paid by the Plan.

Administrative Expenses - The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Transamerica Life Insurance Company, the Insurance Company of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2019.

NOTE 4 - FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's investments based upon the fair value hierarchy discussed in Note 2:

	As of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 6,314,562	$ -	$ 6,314,562
Total Assets in Fair Value Hierarchy	$ -	$ 6,314,562	$ -	$ 6,314,562

	As of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 5,113,314	$ -	$ 5,113,314
Total Assets in Fair Value Hierarchy	$ -	$ 5,113,314	$ -	$ 5,113,314

NOTE 5 - STABLE VALUE FUND

Transamerica offers a stable value fund that the participant may elect to transfer all or part of their funds into. The stable value fund is considered to be a fully benefit-responsive investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by Transamerica, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses, a measurement that approximates fair value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of Transamerica or otherwise. The contract value of the investment contract at December 31, 2019 and 2018 was $194,290 and $151,552, respectively. The stable value fund invests in Guaranteed Investment Contracts ("GICs"). This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, on a daily basis, and with no set maturity. The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. The Transamerica stable value fund is not a separate account investment choice – it is an investment in Transamerica's general account.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract's requirements, (5) failure to provide information, (6) the sum of the contract account values at any time is less than a certain value, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator is not aware of any events, which would limit the Plan's ability to transact at contract value with participants that are probable.

NOTE 6 - PLAN TERMINATION

The Company anticipates the Plan will continue without interruption but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the participants shall become 100% vested in their plan accounts and the net assets of the Plan shall be distributed to the participants and beneficiaries of the Plan.

NOTE 7 - INCOME TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the Internal Revenue Service on the prototype plan indicating that the Plan is qualified under Section 401 of the Internal Revenue Code and is, therefore, not subject to income tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter, however, the Plan administrator and the Plan's sponsor believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Internal Revenue Code. Accordingly, the Plan administrator believes that the plan is qualified and the related trust is tax-exempt.

NOTE 7 - INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 8 - ADMINISTRATIVE EXPENSES

Administrative expenses are comprised primarily of investment fees and are paid by the Plan. Additionally, any professional fees incurred on behalf of the Plan are paid by the Company.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and in pooled separate accounts managed by Transamerica. Transamerica is the insurance company as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to those included in the Form 5500:

	DECEMBER 31,	
	2019	**2018**
Net Assets Available for Benefits per the Financial Statements	$ 6,588,199	$ 5,317,105
Add/Deduct Reconciling Items	-	(4,836)
Net Assets Available for Benefits per the Form 5500	$ 6,588,199	$ 5,312,269

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONT.)

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the Form 5500 at December 31, 2019:

Increase in Net Assets Available for Benefits per the Financial Statements	$ 1,271,094
Add/Deduct Reconciling Items	4,836
Increase in Net Assets Available for Benefits per the Form 5500	$ 1,275,930

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic, which continues to spread throughout the United States and the world. The pandemic, along with the measures implemented by governmental authorities and other third-parties in response, has negatively impacted the world economy, as well as investment fund prices. The impact of COVID-19 on companies continues to evolve and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.
