NOTES TO FINANCIAL STATEMENTS

Swenson's 401(k) Retirement Plan

1 Description of Plan

The following description of the Swenson's 401(k) Retirement Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began January 1, 1996, is a defined contribution plan covering all employees of Swenson's Drive-In Restaurants, LLC (the "Company"), except for union employees and non-resident aliens, who meet the hour and age requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Ameritas Life Insurance Corp. served as custodian of the Plan from January 1, 2017 until December 26, 2018, at which time the Plan transferred all of its assets to John Hancock Life Insurance Company.

Effective March 6, 2019, the Plan was restated under the new Custodian to incorporate previous amendments.

Eligibility:

All employees of the Company age twenty-one and older, who are employed for one year and work a minimum of 1,000 hours during the year are eligible to participate in the Plan.

Contributions:

Employee Contributions - Participants may elect a portion (up to 100%) of their compensation to be contributed to the Plan by the Company. In addition, employees may make Roth contributions and have the option to make catch up contributions. Participants can contribute up to the maximum allowed by law.

Employer Contributions - The Company may make contributions to each eligible participant's account by matching a percentage of the participant's elective deferral for the Plan year. Company contributions to each eligible participant's account were equal to 25% of the first 6% of participants' deferrals for 2019 and 2018.

Employer Discretionary Contributions - The Company may also make additional contributions. Such additional contributions, if any, shall be allocated to each participant in proportion to his or her compensation for the calendar year. Participants must be employed on the last day of the year to be eligible for the additional contributions. There were no additional contributions made in 2019 or 2018.

Rollover contributions from other Plans are also accepted, providing certain specified conditions are met.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

NOTES TO FINANCIAL STATEMENTS

Swenson's 401(k) Retirement Plan

1 Description of Plan, Continued

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, employer matching contributions, employer discretionary contributions, earnings and losses thereon.

Vesting:

All participants are 100% vested in elective deferrals, qualified non-elective contributions and rollover contributions made to the Plan. For Company matching contributions and discretionary contributions, a participant is vested as follows:

Years of Service	Vested %
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures:

Forfeited non-vested accounts totaled \$4,490 and \$2,380 as of December 31, 2019 and 2018, respectively. Forfeitures may be used to pay reasonable administrative fees and reduce future employer contributions. Forfeitures in the amount of \$1,575 (2019) and \$2,250 (2018) were used to pay Plan expenses.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed five years with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The loans are secured by the balance in the participant's account and bear interest at rates established by the Plan Administrator (ranging from 4.5% to 6.5% at December 31, 2019). Principal and interest are paid ratably through payroll deductions.

Other Plan Provisions:

Normal retirement age is 65, however, a participant may elect early retirement on or after age 55 and completion of at least six years of service for vesting purposes. The Plan also allows for early payment of benefits after reaching age 59 ½.

NOTES TO FINANCIAL STATEMENTS

Swenson's 401(k) Retirement Plan

1 Description of Plan, Continued

Payment of Benefits:

Upon termination of service by reason of separation of service, retirement, death or total and permanent disability, a participant may receive a lump-sum, substantially equal installments or partial withdrawals of their account. Benefits are recorded when paid.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Recent Accounting Pronouncements:

In August 2018, the FASB issued Accounting Standards Update No. 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement ("ASU 2018-13"). The new standard removes or modifies certain existing disclosure requirements and adds additional disclosure requirements related to fair value measurement. The Plan elected to early adopt ASU 2018-13 for the year ended December 31, 2019. The effect of the adoption is an overall reduction in the disclosures related to fair value measurement.

Valuation of Investments:

Investments are stated at fair value. The fair value of the pooled separate accounts is based on the value of the accumulation units in each separate account as of any valuation date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Swenson's 401(k) Retirement Plan

2 Summary of Significant Accounting Policies, Continued

Administrative Fees:

Certain expenses of maintaining the Plan may be paid directly by the Company. Fees related to the administration of notes receivable from participants and withdrawal processing fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses and other expenses related to administering the Plan are included in administrative expenses.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Risks and Uncertainties:

The Plan's investments include investments in pooled separate accounts with varying degrees of risk, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates subsequent events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 6, 2020, which is the date the financial statements were available to be issued.

3 Tax Status

On March 31, 2014, the Internal Revenue Service stated that volume submitter plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2019, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

Swenson's 401(k) Retirement Plan

3 Tax Status, Continued

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- * Quoted prices for similar assets or liabilities in active markets.
- * Quoted prices for identical or similar assets or liabilities in inactive markets.
- * Inputs other than quoted prices that are observable for the asset or liability.
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Pooled Separate Accounts:

The fair value of the pooled separate accounts is based on the net fair value of the underlying assets. The underlying investments are valued at fair value based on commercial quotation services. The fair value is allocated among the contract holders based on a unit value. These fall into the Level 2 category of the valuation hierarchy since they are not publicly traded on an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Level 1	Level 2	Level 3	Total

For the year ended December 31, 2018, the Plan had purchases and sales of assets using significant unobservable inputs (Level 3) of \$1,320 and \$66,997, respectively, and there were no transfers in or out of Level 3.

5 Information Prepared and Certified by the Custodians

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodians.

	2019	2018
Investments, at fair value	\$ 1,554,684	\$ 1,555,299
Cash	\$ 4,490	\$ 2,380
Notes receivable from participants	\$ 22,342	\$ 25,293
Net appreciation (depreciation)	\$ 299,839	\$ (101,626)

6 Party-in-Interest Transactions

The Plan invests in pooled separate accounts through John Hancock Life Insurance Company, the Custodian, as defined by the Plan. The pooled separate accounts invest directly in designated mutual funds or, in some cases, collective investment trusts. Therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the pooled separate accounts for the investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party-in-interest transactions.

7 Subsequent Events

On March 27, 2020 the “Coronavirus Aid, Relief, and Economic Security (CARES) Act” was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- * Allow qualified coronavirus related distributions up to \$100,000 without penalty during the period January 1, 2020 through December 31, 2020.
- * Increase the available loan amount for loans made to qualified individuals from March 27, 2020 through September 22, 2020 to the lesser of \$100,000 or 100% of the participant’s vested account balance.
- * Extend the period for loan repayments, if applicable, up to one year.
