GRAYDON HEAD & RITCHEY LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN

The following description of the Graydon Head & Ritchey LLP Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees and partners of Graydon Head & Ritchey LLP (the Firm) and its subsidiaries, who are at least twenty-one years old and have completed thirty days of service. The Firm pays certain administrative costs of the Plan, and controls and manages the operation and administration of the Plan. The trustees for the Plan are R.G. Schmalzl, R.R. Saelinger and P.M. Slater. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute up to 100 percent of annual compensation as defined in the Plan. During the 2019 tax year, participants could contribute up to \$19,000 if the participant's age is 49 or less, and \$25,000 if the participant's age is 50 or above. (This figure may be adjusted in the future by the Secretary of the Treasury for cost of living increases). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may choose any legally permissible investment, including investment funds which the Plan trustees make available. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The plan sponsor contributes a discretionary amount to the Plan, which is established each year as a percentage of a qualified participant's eligible compensation. For 2019, the discretionary contribution was 6 percent of an employee's compensation, with an additional contribution allocated on the portion of the compensation that exceeds the Social Security taxable wage base.

The plan sponsor contributes a safe harbor matching amount from 50 percent - 100 percent of the first 5 percent of annual compensation that a participant elects to contribute under the Section 401(k) feature.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution as well as allocations of the Firm's contribution and Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, rollover contributions, and the Firm's safe harbor matching contributions plus actual earnings thereon. Vesting in the Firm's other discretionary contributions occurs ratably over a period of two to six years. The Plan defines "one year of service" based upon the elapsed time method. Firm discretionary contributions also become fully vested when a participant employed by the Firm reaches normal retirement age, as defined by the Plan, or is terminated due to death or disability.

GRAYDON HEAD & RITCHEY LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. Loans must be adequately secured. Security consists of up to 50 percent of a participant's account balance and may, in addition, consist of a mortgage on the participant's residence. Loans bear interest at a rate equal to that which the Firm's principal bank would charge on a similar loan and must be repaid within no more than five years, except for certain principal residence related loans. Principal and interest are payable ratably over the term of the loan not less frequently than quarterly.

PAYMENT OF BENEFITS

On termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance or installment payments.

FORFEITED ACCOUNTS

Forfeitures of Firm contributions are allocated among restoration of participant forfeitures, offsetting Plan expenses and reduction of employer's contribution. As of December 31, 2019 and 2018, forfeited non-vested accounts totaled \$35,649 and \$13,837, respectively. During 2019, \$15,800 of administrative expenses were offset from forfeited non-vested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. The financial statements and notes are the representation of the Plan's management, who is responsible for their integrity and objectivity. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting.

CASH AND CASH EQUIVALENTS

The Plan considers money market accounts and highly liquid debt instruments purchased with maturities of three months or less as cash equivalents.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

FAIR VALUE MEASUREMENTS

The Fair Value Measurement Topic of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

Corporate stocks are valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Value of interests in registered investment companies (mutual funds) including money market accounts (cash and cash equivalents) are valued at the net asset value (NAV) of shares held by the plan at year end (Level 1).

U.S. government securities and corporate debt instruments are valued at quoted prices for similar assets in active markets (Level 2).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

SUBSEQUENT EVENTS

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 8, 2020, the date on which the financial statements were available to be issued.

NOTE 3 RELATED-PARTY TRANSACTIONS

Participant loans qualify as party-in-interest investments. Certain administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees are paid by the plan sponsor on behalf of the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5 TAX STATUS

Effective January 1, 2016, the Plan most recently adopted a non-standardized form of a prototype plan sponsored by Graydon Head & Ritchey LLP. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as designed then, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fifth Third Bank, the custodian of the plan, has certified to the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018, the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019, and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
