Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Lubbock, Texas

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Robert Madden Industries, Ltd. 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2019 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N.A., the trustee of the Plan. Their report dated April 30, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2019

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: Plan Description

The following description of the Robert Madden Industries, Ltd. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a contributory, defined contribution plan covering substantially all employees of Robert Madden Industries, Ltd. (RMI or the Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Tax Status. The Internal Revenue Service (IRS) has issued an opinion letter determining that the prototype standardized plan is acceptable under Section 401(a) of the Internal Revenue Code (the Code). The Plan has not received a determination letter specific to the plan itself; however, the plan administrator believes that the Plan is currently being operated in accordance with the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Eligibility. Employees are eligible to participate in the Plan after completing six months of employment, provided they are at least 21 years of age. Plan entry dates are the first day of the calendar quarter coinciding with or next following satisfaction of the eligibility requirements.

Contributions. The Plan includes an auto-enrollment provision whereby all newly eligible are automatically enrolled in the Plan. Upon entering the Plan, the Sponsor automatically withholds a portion of each participant's compensation each pay period and contributes that amount to the Plan as a pre-tax deferral. The Plan also includes automatic escalation provisions that apply to all participants who file a new salary reduction agreement to defer at least 4% of their compensation, unless they make a contrary election. Under the automatic escalation provisions, the amount withheld from each participant's compensation each pay period increases by 2% annually, until the amount withheld reaches 8% of the participant's compensation.

Participants may complete a salary reduction agreement at any time to select an alternative deferral amount or to elect not to contribute to the Plan, with the changes becoming effective as soon as administratively feasible. Participant contributions are subject to certain annual limitations.

RMI makes safe harbor matching contributions to the Plan on behalf of eligible participants equal to 100% of the participant's salary deferrals that do not exceed 4% of their compensation. The Sponsor may make additional discretionary matching contributions on behalf of participating employees up to a maximum of 4% of each employee's compensation. RMI may also make additional discretionary nonelective contributions to the Plan, as determined annually.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of the Sponsor's contributions, as well as earnings or losses on the participant's investments. Sponsor contributions are allocated pro rata based on participant compensation.

Participant Loans. Participant loans are not permitted by the Plan.

Vesting. Participants are always vested in their contributions and the employer safe harbor contributions, including the related earnings thereon. Participants vest in discretionary Sponsor matching or nonelective contribution portions of their accounts (if any, including the related earnings) at a rate of 20% per year following two years of employment, such that the participant is fully vested in such contributions following six years of employment.

Note 1: Plan Descripiton (continued)

Payment of Benefits. On termination of service due to death, disability or retirement, the participant or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. A participant may receive the value of the vested interest in their account as a lump-sum distribution upon termination for other reasons.

Forfeitures. Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. As permitted by the Plan, forfeitures are either allocated as additional discretionary nonelective contributions or to reduce any additional Sponsor matching contributions to the Plan. There were no forfeitures for the years ended December 31, 2019 or 2018.

Amendment or Termination. Although it has no intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would automatically become fully vested.

Note 2: Summary of Significant Accounting Policies

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), including specialized industry practices as specified in the American Institute of Certified Public Accountants audit and accounting guide titled *Audits of Employee Benefit Plans.*

Use of Estimates. Financial statements prepared in conformity with GAAP require management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Values. Investments are stated at fair value as determined by quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Dividends are recorded on the ex-dividend date.

Payment of Benefits. Benefits are recorded when paid.

Administrative Costs. Certain administrative services and the use of office fixtures and equipment are provided to the Plan by the Sponsor, with no provision for these costs included in the accompanying financial statements. These costs were not significant for the years ended December 31, 2019 and 2018. All other administrative expenses are recognized when incurred.

Prohibited Transactions. A "party-in-interest" is a fiduciary or employee of the Plan, any person who provides services to the Plan, the Sponsor or an employee association whose members are covered by the Plan, a person who owns 50 percent or more of the Sponsor or such employee association or relatives of such person just listed. Under ERISA, a Plan fiduciary is prohibited from causing the Plan to engage in the following transactions with a party-in-interest, with certain conditional exemptions provided by ERISA:

- A sale, exchange, or lease of property;
- A loan or other extension of credit;
- The furnishing of goods, services, or facilities;
- A transfer of plan assets to a party-in-interest for the use or benefit of a party-in-interest; or
- An acquisition of employer securities or real property.

A fiduciary is also generally prohibited from using the Plan's assets for his or her own interest or account, acting in any Plan transactions on behalf of a party whose interests are adverse to those of the Plan or its participants and receiving consideration for his or her own account from a party dealing with the Plan in connection with a transaction involving the Plan's assets.

The Plan did not engage in any prohibited transactions in plan years 2019 or 2018.

Note 2: Summary of Significant Accounting Policies (continued)

Reclassifications. Certain reclassifications have been made to the prior year's financial statements to conform to the current year's presentation. These reclassifications had no effect on the net decrease in net assets available for benefits.

Note 3: Data Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Wells Fargo Bank, N.A. (Wells Fargo).

	2019	2018
Common collective trust	$ 4,676,302	$ 4,119,045
Mutual funds	12,155,105	10,596,025
Total	$ 16,831,407	$ 14,715,070

For the year ended December 31, 2019, Wells Fargo has also certified the completeness and accuracy of the net appreciation in fair value of the Plan's investments totaling $3,081,644, and interest and dividend income totaling $184,829. For the year ended December 31, 2018, Wells Fargo has also certified the completeness and accuracy of the net depreciation in fair value of the Plan's investments totaling ($1,066,581), and interest and dividend income totaling $177,231. Certain Plan investments are shares of mutual funds managed by Wells Fargo. Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 4: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

		Fair Value Measurements Using:	
December 31, 2019	**Fair Value**	**Quoted Prices In Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**
Common collective trust	$ 4,676,302	$ –	$ 4,676,302
Mutual funds	12,155,105	12,155,105	–
Total	$ 16,831,407	$ 12,155,105	$ 4,676,302
December 31, 2018			
Common collective trust	$ 4,119,045	$ –	$ 4,119,045
Mutual funds	10,596,025	10,596,025	–
Total	$ 14,715,070	$ 10,596,025	$ 4,119,045

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Note 4: Fair Value Measurements (continued)

Level 1 Fair Value Measurements

Fair values of mutual funds are based on quoted net asset values of shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the common collective trust is based on inputs other than quoted prices included within Level 1 that are directly or indirectly observable, such as quoted prices for similar instruments in active markets.

Note 5: Reconciliation of Financial Statements to Form 5500

The Form 5500 is a joint-agency form, developed by the IRS, the U.S. Department of Labor, and the Pension Benefit Guaranty Corporation, which may be used to satisfy the annual reporting requirements of the IRC and Titles I and IV of ERISA. The Plan is required to file a Form 5500 annually, with audited financial statements enclosed. Certain accounting principles and/or the methods of application underlying the accompanying financial statements and the Plan's Form 5500 are different, generating timing differences between corresponding amounts presented therein. Accordingly, reconciliations of amounts presented in the accompanying financial statements and the Plan's Form 5500 follow:

"Net Assets Available for Benefits" per the accompanying financial statements and the Plan's Form 5500 are reconciled as follows:

	2019	2018
Net assets available for benefits as reported in the financial statements	$ 17,324,317	$ 15,191,255
Less: Accrued contributions receivable	492,910	476,185
As reported in the Form 5500	$ 16,831,407	$ 14,715,070

"Increase in Net Assets Available for Benefits" per the accompanying financial statements and the Plan's Form 5500 are reconciled as follows:

	2019	2018
Increase (decrease) in net assets available for benefits as reported in the financial statements	$ 2,133,062	$ (998,021)
Less: Change in accruals	16,725	49,377
As reported in the Form 5500	$ 2,116,337	$ (1,047,398)

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with such securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Subsequent Events Evaluation

Management has evaluated subsequent events through October 5, 2020, the date which the financial statements were available to be issued. No material subsequent events have occurred during this time which would require recognition in the financial statements or footnotes as of and for the year ended December 31, 2019.
