## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## Basis for Disclaimer of Opinion

We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

## NOTES TO FINANCIAL STATEMENTS

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Operations

Anoplate Corporation Employees' Deferred Savings and Profit Sharing Plan and Trust (the Plan) is a 401(k) deferred savings profit sharing plan covering all eligible employees of Anoplate Corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in which revenue is recognized when earned or otherwise available, and expenses are recognized when incurred.

### Investment Valuation and Income Recognition

Plan investments are held by Fidelity Management Trust Company and are recorded at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Notes Receivable from Participants

Notes receivable from participants are recorded at unpaid principal balance at year end plus any unpaid accrued interest. The Plan considers the notes receivable from participants fully collectible at year end; accordingly, no allowance for doubtful accounts is required. Interest is recognized over the term of the loan. Delinquent notes receivable from participants are reclassified as deemed distributions based upon the terms of the Plan document.

### Contributions Receivable

Contributions receivable at December 31, 2018 are valued at cost and represent contributions for the Plan years ended December 31, 2018, which were received subsequent to year end.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Payment of Benefits**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## NOTE 2 DESCRIPTION OF PLAN

The following brief description of the Plan provides only general information. Participants should refer to the Summary Plan Description or the Plan document for a more complete description of the Plan's provisions.

*Eligibility.* Employees of the Company who have completed three months of service are eligible to participate in the Plan. To be eligible to receive any employer matching contributions and discretionary nonelective contributions, the participant must complete at least 501 hours of service during the Plan year and be employed as of the last day of the Plan year. Effective February 1, 2019, there are no service requirements to be eligible to receive employer contributions. Upon the completion of the eligibility requirements, the employee can enroll in the Plan on the first day of each Plan year and the first day of the fourth, seventh, and tenth months of each Plan year. Effective March 1, 2018, eligible employees may enroll in the Plan on the first day of each month. Also, effective November 3, 2017, unless they affirmatively elect otherwise, all newly eligible employees are enrolled automatically into the Plan at an initial pre-tax deferral rate of 4%.

*Contributions.* Each year, participants may contribute a specified portion of their pretax annual eligible compensation to the Plan, subject to Internal Revenue Service limitations. Rollover contributions by participants are also permitted. The Company will make a non-discretionary matching contribution based on the participants' contributions to the Plan equal to 100% of the first 2%, and 50% of the next 4% of eligible compensation. Differential wages are excluded to determine eligible compensation when computing

## NOTE 2 DESCRIPTION OF PLAN (Continued)

employee deferral, employer matching and employer nonelective contributions. The Company may make annual discretionary nonelective contributions in an amount to be determined at Plan year end by the Board of Directors of the Company. In addition, the Plan allows for qualified employer matching contributions and qualified discretionary non-elective contributions. For the years ending December 31, 2019 and 2018, the Company made non-discretionary matching contributions only.

*Participant Accounts.* Each participant's account is credited with the participant's contribution, employer contributions and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. All investments are directed by the Plan participants.

*Vesting.* Participants are immediately 100 percent vested in employee rollover contributions, employee contributions, qualified employer matching contributions and qualified non-elective contributions. All other contributions to the Plan follow the graduated vesting schedules in the Plan document. Effective February 1, 2019, qualified non-elective contributions will also follow the graduated vesting schedules in the Plan document.

*Payment of Benefits.* Upon normal retirement, death, disability or termination of service, a participant may elect to receive the vested value of his or her account either in a lump-sum amount, a rollover to a qualified IRA, or in installment payments as defined in the Plan document. In-service distributions are also allowed for hardship withdrawals and withdrawals after normal retirement age and after age 70 ½, as defined in the plan document.

*Forfeitures.* The non-vested portion of a terminated participant's account is forfeited when they receive a distribution of their entire vested account or after they have incurred five consecutive one-year breaks in service. Forfeitures of unvested balances by terminated participants are used to reduce future employer contributions to the Plan.

Forfeitures available to offset future employer contributions totaled $17,641 and $23,364 at December 31, 2019 and 2018, respectively. Forfeitures of $36,994 and $0 were used to reduce employer contributions in 2019 and 2018, respectively.

*Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum of the lesser of fifty percent of their vested account balance or $50,000. The loans are secured by the balance in the participant's account and should bear a reasonable rate of interest fixed over the term of the loan.

## NOTE 2 DESCRIPTION OF PLAN (Continued)

*Administrative Costs.* Distribution and loan fees are paid by the participant that receives the related distribution or loan. Other administrative expenses of the Plan are paid either directly by the participant or by the Company.

*Termination of the Plan.* Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be allocated as prescribed by ERISA and regulations pursuant thereto.

## NOTE 3 SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total fair value of investments held in trust was $12,286,021 and $10,815,269 at December 31, 2019 and 2018, respectively. The total amount of notes receivable from participants held in trust was $58,001 and $71,391 at December 31, 2019 and 2018, respectively. The trustee, Fidelity Management Trust Company, has supplied the Plan's administrator with a certification as to the completeness and accuracy of all information regarding investments and notes receivable from participant assets, transactions, and income presented in the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018 and the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2019.

## NOTE 4 PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. Plan assets are used to pay some expenses for administration of the Plan and the remaining administrative expenses are paid by the Company or by the participants. Payments to such service providers by the Plan qualify as party-in-interest transactions.

Certain plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The investments managed by Fidelity Management Trust Company represented 91% and 86% of the Plan's net assets available for benefits for the years ended December 31, 2019 and 2018, respectively. The fees paid to Fidelity Management Trust Company were $881 and $775 for the years ended December 31, 2019 and 2018, respectively.

## NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

## NOTE 8 PLAN AMENDMENTS

1. The Plan was amended effective February 1, 2019 to reflect the following provisions:

    a. Qualified non-elective employer contributions will follow the graduated vesting schedule in the Plan document (previously participants were immediately 100 percent vested in qualified non-elective employer contributions).

    b. There is no service requirement to be eligible to receive employer matching contributions and discretionary nonelective contributions (previously the participant was required to complete at least 501 hours of service during the Plan year and be employed as of the last day of the Plan year).

## NOTE 9 SUBSEQUENT EVENTS

As disclosed in Note 7, investments held by the Plan are exposed to market risk. Due to recent volatility in the markets in early 2020 the fair value of investments have been negatively impacted. However, as of the date the financial statements were issued, the market has fully recovered.

Management has evaluated subsequent events through September 29, 2020, the date on which the financial statements were available to be issued.
