Notes to Financial Statements

1. Description of Plan:

The following description of New York Central Mutual Fire Insurance Company 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering essentially all employees of New York Central Mutual Fire Insurance Company (the Company) and any subsidiaries and affiliates that have adopted the Plan, have 30 days of service, and attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may elect to contribute up to 40% of their annual compensation to the Plan each year, subject to limitations. Additionally, participants age 50 or older may elect to make a catch-up contribution limited to the amount imposed by law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by a participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Effective January 1, 2020, the Plan was amended to remove the limit on participant contributions of 40% of annual compensation and add a provision to automatically increase the deferral rates of participants who defer less than 10% by 1% per year each April 1 unless the participant affirmatively elects a different percentage.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their salary deferral and rollover contributions, plus actual earnings thereon.

Investment Options:

Participants direct contributions into various investment options offered by Principal Financial Group (Principal). Participants may change their investment options at any time.

Notes Receivable from Participants:

The plan does not allow participant loans.

Payment of Benefits:

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, monthly installments by way of an annuity arrangement or other options as defined in the Plan agreement. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

2. Summary of Significant Accounting Policies:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Inputs to the valuation methodology for mutual funds are unadjusted quoted market prices for identical assets in active markets. The pooled separate accounts and common collective trust are valued based on the net asset value per share without further adjustment, as a practical expedient to determine fair value. Net asset value is based on the aggregate fair values of the underlying investments. Participants may redeem shares at net asset value daily, without restriction.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized appreciation or depreciation on investments is charged or credited to the net assets of the Plan.

Payment of Benefits:

Benefits are recorded when paid.

Plan Expenses:

Administrative expenses and investment activity expenses are paid by the Plan. Expenses relating to certain accounting activity are paid by the Company.

Subsequent Events:

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 28, 2020 (the date the financial statements were available to be issued).

3. Financial Information Certified by Principal:

In accordance with Department of Labor Regulation 2520.103-8, the plan administrator has obtained a certified "Statement of Account" from Principal as of December 31, 2019, 2018, and 2017 and for the years then ended that the information below is complete and accurate:

- Statements of Net Assets Available for Benefits – Investments.
- Statements of Changes in Net Assets Available for Benefits – Net appreciation (depreciation) in fair value of investments.
- Schedule of Assets (Held at End of Year) – all items and amounts.

4. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Tax Status:

The Plan has adopted the Principal prototype plan, which received a favorable determination letter on March 31, 2008 from the Internal Revenue Service regarding the tax-exempt status of the Plan. Accordingly, no provision has been made for income taxes.

6. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On January 31, 2020, the United States Secretary of Health and Human Services (HHS) declared a public health emergency related to the global spread of coronavirus COVID-19, and a pandemic was declared by the World Health Organization in February 2020. Efforts to fight the widespread disease included limiting or closing many businesses and resulted in a severe disruption of operations for many organizations. Financial markets also experienced a significant decline in value. The full extent of the impact of COVID-19 on the Plan's financial performance will depend on further developments, including the duration and spread of the outbreak, which cannot be predicted.

7. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 and 2018, to Form 5500:
