NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE A - DESCRIPTION OF PLAN

The following description of LeeSar, Inc. 401(k) Profit Sharing Plan & Trust ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of LeeSar, Inc. ("the Company") who are age twenty-one or older and who have completed 90 consecutive days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan, up to regulatory maximums. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of employee contributions, up to 5% of the employee's base compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings (losses), (c) and charged with an allocation of administrative expenses (if any). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are vested immediately in their contributions and the Company's contribution plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts. The minimum loan amount is $500. The maximum loan amount is one-half of the participant's vested account balance or $50,000 whichever is less, reduced by the highest outstanding balance of all other loans from the Plan during the one-year period ending the day before the new loan is executed. The loans are secured by the balance in the participant's account and bear interest at 5.25% to 7.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid through bi-weekly payroll deductions.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of a participant's vested interest in his or her account. Distributions greater than $1,000 and less than $5,000 are required to be rolled into an individual retirement account unless the participant elects otherwise. Participants with account balances greater than $5,000 may defer payment unless the participant elects otherwise.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant account, as defined, represents a forfeiture. Forfeitures may be used to reduce future employer contributions. Forfeitures of $1,863 were used to reduce employer contributions in 2019. The balance of forfeited non-vested accounts as of December 31, 2019 was $4,789.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2019 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note C for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees.

The Plan participates in a revenue credit program (Credits). Credits are earned in connection with the Plan's revenue sharing arrangements with certain investment funds. The Credits are deposited in an unallocated account and can be used to pay ERISA-qualified expenses or can be allocated to eligible participant accounts. The balance in the unallocated account at December 31, 2019 was $4,330.

Date of Management's Review

Subsequent events were evaluated through October 1, 2020, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

Units of participation of the common collective funds are valued at the net asset value ("NAV") provided by the funds' trustees as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less the funds' liabilities. The unit price of the investment is quoted on a private market that is not active; however, the unit price is based on underlying investments which are based on observable inputs. This practical expedient will not be used if it is determined it is probable that the funds will sell the investments for an amount different than the reported NAV. The common collective fund consists of the Invesco Stable Value Trust Fund. The primary investment objective of the fund is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The fund's returns are based on returns generated by an actively-managed, highly diversified portfolio of investment grade, fixed and floating rate securities. The fund may invest in such securities directly or indirectly through commingled investment vehicles. Participant transactions (purchases and sales) may occur daily. The Plan can redeem this investment daily. There are currently no redemption restrictions on this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

	Quoted Prices in Active Markets For Identical Assets (Level 1)	Investments Measured At Net Asset Value *	Total
December 31, 2019			
Investment type			
Mutual funds	$ 9,822,768	$	$ 9,822,768
Common collective fund		509,941	509,941
Investments at fair value	$ 9,822,768	$ 509,941	$ 10,332,709
December 31, 2018			
Investment type			
Mutual funds	$ 7,190,263	$	$ 7,190,263
Common collective fund		951,283	951,283
Investments at fair value	$ 7,190,263	$ 951,283	$ 8,141,546

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D - INVESTMENTS

In 2019, the Plan terminated its custodial agreement with Reliance Trust Company. In conjunction with the termination of Reliance Trust Company, the Plan entered into a custodial agreement with Great West Trust Company. The assets held by Reliance Trust Company were transferred to Great West Trust Company on April 30, 2019.

Plan assets are held by the trustee, Great West Trust Company (a "party-in-interest"), at December 31, 2019, in a general asset fund. Plan assets were held by the former trustee, Reliance Trust Company, at December 31, 2018. All securities' values, appreciation, gains, losses, and allocation of investment earnings are determined by the trustee of the Plan.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees as of December 31, 2019 and 2018.

	2019	2018
Mutual funds	$ 9,822,768	$ 7,190,263
Common collective fund	$ 509,941	$ 951,283
Net appreciation (depreciation) in fair value of investments	$ 1,493,565	$ (1,308,268)
Dividends	$ 379,302	$ 719,894

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE F - TAX STATUS

The Plan operates under a prototype plan document. Under the Internal Revenue Service's determination letter program, an employer who adopts a word-for-word approved document is not required to request a determination letter to confirm that the Plan meets the requirements of the Internal Revenue Code ("IRC"). The Internal Revenue Service ("IRS") has reviewed and approved the prototype document that this Plan operates under. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE F - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE G – RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There are no reconciling items between the net assets available for benefits as of December 31, 2019 per the financial statements and the Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of Form 5500 as of December 31, 2018:

NOTE I – SUBSEQUENT EVENT

In March 2020, the World Health Organization declared the outbreak and ongoing coronavirus 2019 disease ("Covid-19") a pandemic. Covid-19 has contributed to significant declines and volatility in financial markets. As such, the Plan saw a relative decline in market value of securities held subsequent to year end. The Plan adopted certain features specified in recent Federal regulations of the Coronavirus Aid Relief and Economic Security Act ("CARES Act") for qualifying participants including Covid-19 distribution options of up to $100,000, deferment of loan payments, and elimination of 2020 Required Minimum Distributions for those participants who meet certain qualifications.
