1 - DESCRIPTION OF PLAN

The following description of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a Safe Harbor 401(k) salary deferral defined contribution and profit sharing plan that was established effective January 1, 1998 covering all eligible employees, as defined by the Plan, who are employed by Nora Lighting, Inc. and Plaza Wholesale Electric, Inc. (collectively the "Company" or "Plan Sponsor") under Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers substantially all employees of the Company, who are 21 years of age or over, have been employed by the Company for at least one year and worked at least 1,000 hours of service. Employees may enter the Plan on a semiannual basis following the date the employee meets the eligibility requirements.

In January 2018, the Plan was amended to cover all employees that have worked more than 1,000 hours and hired on or before July 1, 2017 to be eligible and enter the Plan on January 1, 2018 and thereafter.

Contributions

Participants may elect to contribute between 1% and 100% of eligible compensation to the Plan each year; however, the total amount of the contribution generally may not exceed the IRS limit of $19,000 for the year ended December 31, 2019. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to $6,000 in addition to the IRS limit for the year ended December 31, 2019. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes matching contributions up to 100% of 3% of employee contributions, plus 50% of additional 2% of employee contributions. The Company made matching contributions of $220,344 for the year ended December 31, 2019.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. The Company's discretionary matching and profit sharing contributions, plus earnings thereon vest as follows:

Years of Vesting Service	Vested Percentages
Less than 2 years	0 %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 years	100 %

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance and must obtain written spousal consent. Loans are secured by the balance of the participant's account and bear interest at prime rate on the issuance date plus 1%. The maximum loan term is five years unless the loan qualifies as a principal residence loan, in which case the loan is not to exceed fifteen years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2019, the rates of interest on outstanding loans ranged from 4.25% to 6.50% and the loans mature through August 2025.

Payment of Benefits

On termination of service due to death, disability, or termination, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance, or installments over a specified period which is not to exceed the participant's life expectancy (or the life expectancy of the participant and the participant's designated beneficiary). Participants may withdraw amounts from their account as set forth in the provisions of the Plan document for certain hardship situations.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

Forfeited Accounts

Forfeitures are retained in the Plan and will first be used to pay plan administrative expenses, with any remaining amount used to reduce future Company contributions. For the year ended December 31, 2019, there were no forfeited accounts.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments consists of both realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Plan and are allocated proportionally to each participant, except those relating to processing fees for certain benefit payments that are allocated to the respective individual participant's account.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Assets that have Inputs to the valuation methodology that reflect quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Assets that have inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets;
c. Inputs other than quoted prices that are observable for the asset or liability; and
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Assets with inputs to valuation methodology that are unobservable and are significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- *Pooled Separate Accounts:* Valued at the net asset value ("NAV") of units of a pooled separate account ("PSA") maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

  The primary investment objective of the PSA is to allow participants to achieve the same rate of return as the underlying mutual funds, less fees charged by the insurance company. The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

  All of the Plan's investments measured at fair value are measured at NAV as a practical expedient and the following table sets forth the Plan's investments at fair value as of December 31:

	2019	2018
Pooled Separate Accounts	$ 6,857,903	$ 5,431,868
Total Investments, at fair value	$ 6,857,903	$ 5,431,868

4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risk, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with investment securities that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

5 - TAX STATUS

The Plan received an updated favorable determination letter from the Internal Revenue Service on September 30, 2014 which stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

6 - INVESTMENTS CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2019 and 2018.
- Notes receivable from participants on the accompanying statement of net assets available for benefits as of December 31, 2019 and 2018.
- Net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2019.
- Investments reflected on the supplemental schedule of assets (held at end of year).

7 - PARTY-IN-INTEREST TRANSACTIONS

A Party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

Plan investments include shares of registered investment company funds managed by John Hancock. John Hancock is the trustee of the Plan and, therefore, transactions with this entity qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were $6,172 for the year ended December 31, 2019 and are included in administrative expenses.

8 - SUBSEQUENT EVENTS

As a result of the coronavirus pandemic (COVID-19) which is ongoing and dynamic in nature, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. Since the extent and duration of the COVID-19 crisis remains uncertain, the related financial impact cannot be reasonably estimated at this time.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. The CARES Act provides participants with optional relief provisions related to distributions and loans from the Plan. The provisions are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan has evaluated subsequent events through October 7, 2020, the date which the financial statements were available to be issued.
