Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. Employees are eligible for a discretionary employer profit sharing and a safe harbor elective contribution as long as they have completed one year of service (with a minimum of 1,000 hours of paid compensation during the plan year) and have attained 21 years of age. Each employee who has met the eligibility requirement will automatically become a participant on the first entry date which occurs after satisfying the requirements. The Plan entry dates are January 1, and July 1 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

The Company's contribution is determined at the discretion of the directors of the Company. During 2019 the Company made no matching contribution but did make a safe harbor non-elective contribution along with a profit-sharing contribution for a combined contribution of \$6,191,604. During 2018 the Company made no matching contribution but did make a combined safe harbor non-elective contribution and a profit-sharing contribution of \$5,207,261. The safe harbor non-elective contribution and the profit-sharing contribution is allocated among participants eligible to share in the contribution for the plan year. The maximum annual addition (allocation of employer profit sharing contribution, forfeitures and employee contributions) to the participant's account is limited to the lesser of 100% of the individual's salary, or \$56,000 or if eligible for catch-up contributions \$62,000.

Participants may contribute through payroll deduction in either a pre-tax deferral or Roth deferral (after-tax) by a specific percentage or dollar amount of the participant's compensation. Employees can contribute up to \$19,000 to the Plan annually. Employees over the age of 50 are allowed an additional \$6,000, to be deferred based on Internal Revenue regulations. These amounts are treated as tax deferred compensation (if pre-tax deferral elected) and are exempt from federal taxation until they are withdrawn from the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any employer's contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 - PLAN DESCRIPTION (Continued)

SELF-DIRECTED ACCOUNTS

The Plan allows for self-directed accounts which allow participants to invest their account balances in any investment desired within certain specified limitations. Participants are allowed to place investments into self-directed accounts in addition to or in place of the general accounts available through the Plan.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. Interest rates are set by the Plan Administrator upon the date of the loan application based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

VESTING

Participants' contributions, rollover contributions, safe harbor contributions and earnings are fully vested at all times. The Company's matching contributions, profit-sharing contributions and earnings thereon vest as follows:

Years of Service	Percentage
Less than 2 years	0%
2 but less than 3	20%
3 years and over	100%

FORFEITURES

Any portion of a participant's account which is not vested at the time of termination from the Plan is forfeited immediately at the date of termination. Forfeitures are allocated to participants as part of the Company's annual contribution or utilized for Plan expenses. The participant's balance will be reinstated if the participant returns to service within five years from the original termination date. There were forfeitures of \$1,663 and \$0 for 2019 and 2018, respectively. Forfeitures were utilized to pay for administrative expenses of \$2,167 and \$0 for the years ended 2019 and 2018, respectively. Balance remaining in the forfeitures account at December 31, 2019 was \$21,412.

PAYMENT OF BENEFITS

The Plan provides for distribution of a participant's account upon termination of employment, retirement, death or disability under several options. If the participant's vested interest is greater than \$5,000, the participant may choose to receive his benefit in the form of cash, an annuity, or a combination of these. If the vested interest is less than \$5,000 then the vested account balance may only be distributed in a single lump-sum payment in cash or in property.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles with the applicable accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at either fair value or contract value depending on the investment. Participants investing in the general Plan can select from a variety of mutual funds offered through the Charles Schwab platform and the Vanguard platform. The participants invest directly in mutual funds and exchange traded funds and those funds have quoted market prices which are used to value the investments.

Self-directed brokerage accounts are also stated at fair value using quoted market prices to value investments in publicly traded securities.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on an accrual basis. The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and losses on disposition of investments are recognized at the time of disposition with the amount of gain or loss determined on an average cost basis.

ADMINISTRATIVE EXPENSES

The administrative expenses for the Plan are either paid by the Company or the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

BENEFIT PAYMENTS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred-percent (100%) vested in their accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The United States generally accepted accounting principles provide a framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no level 3 investments in 2019 or 2018.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Mutual funds and Exchange Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and exchange traded funds held by the Plan are deemed to be actively traded (Level 1).

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as categorized between general and self-directed brokerage investments.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Plan's financial instruments, including cash, participant notes receivable, employer contributions receivable and employee contributions receivable approximate fair value due to the short maturities of these financial instruments.

NOTE 4- INCOME TAX STATUS

The Plan is a prototype plan offered by Katz, Teller, Brant & Hild. In which the Internal Revenue Service has determined and informed the Company that its volume submitter plan is designed in accordance with the Internal Revenue Code (Code) sections 401(a). Although the Plan has been amended since the determination by the Internal Revenue Service, the prototype sponsor believes it continues to be designed in compliance with the Internal Revenue Code (Code) section 401(a). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

NOTE 5 - RELATED PARTY TRANSACTIONS

Charles Schwab is one of the custodians of the general plan assets of the Plan which qualifies as a party-in-interest with the related mutual funds offered by Charles Schwab. Vanguard is the other custodian of the general plan assets of the Plan. Vanguard is also a party-in-interest with the related mutual funds offered by Vanguard.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - SUBSEQUENT EVENTS

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern." COVID-19 continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses, such as, mandated "Stay at Home" orders, cancellation of elective surgeries, social distancing and wearing masks have impacted the Plan Sponsor's operations. The Plan Sponsor continues to stay abreast of the fluid environment and adopts best practices to keep employees and patients safe.

The Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. This new law allowed employers to modify their retirement plans to provide certain relief for participants and beneficiaries who may have been impacted by the coronavirus. The Plan Sponsor has stated the Plan will not be amended for the CARES Act provisions.

Effective January 1, 2020, the Plan was amended to allow service with Western Ohio Anesthesia Associates, LLC to count as service with the Employer for all purposes of the Plan.

NOTE 8 - DATE OF MANAGEMENT'S REVIEW AND SUBSEQUENT EVENT

Management has evaluated subsequent events through October 8, 2020, the date on which the financial statements were available to be issued. There were no additional subsequent events other than those discussed in Note 7 from December 31, 2019 thru October 8, 2020.

NOTE 1 - PLAN DESCRIPTION

The following description of the Seven Hills Anesthesia, LLC 401(k) Plan (the "Plan") is provided for general purposes only. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 401(k) defined contribution plan covering all employees of Seven Hills Anesthesia, LLC (the "Company"). Employees are eligible to make elective contributions as long as the employee is at least 21 years of age and has worked one hour of service prior to a plan entry date. Employees are eligible for a discretionary employer profit sharing and a safe harbor elective contribution as long as they have completed one year of service (with a minimum of 1,000 hours of paid compensation during the plan year) and have attained 21 years of age. Each employee who has met the eligibility requirement will automatically become a participant on the first entry date which occurs after satisfying the requirements. The Plan entry dates are January 1, and July 1 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

The Company's contribution is determined at the discretion of the directors of the Company. During 2019 the Company made no matching contribution but did make a safe harbor non-elective contribution along with a profit-sharing contribution for a combined contribution of \$6,191,604. During 2018 the Company made no matching contribution but did make a combined safe harbor non-elective contribution and a profit-sharing contribution of \$5,207,261. The safe harbor non-elective contribution and the profit-sharing contribution is allocated among participants eligible to share in the contribution for the plan year. The maximum annual addition (allocation of employer profit sharing contribution, forfeitures and employee contributions) to the participant's account is limited to the lesser of 100% of the individual's salary, or \$56,000 or if eligible for catch-up contributions \$62,000.

Participants may contribute through payroll deduction in either a pre-tax deferral or Roth deferral (after-tax) by a specific percentage or dollar amount of the participant's compensation. Employees can contribute up to \$19,000 to the Plan annually. Employees over the age of 50 are allowed an additional \$6,000, to be deferred based on Internal Revenue regulations. These amounts are treated as tax deferred compensation (if pre-tax deferral elected) and are exempt from federal taxation until they are withdrawn from the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any employer's contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 - PLAN DESCRIPTION (Continued)

SELF-DIRECTED ACCOUNTS

The Plan allows for self-directed accounts which allow participants to invest their account balances in any investment desired within certain specified limitations. Participants are allowed to place investments into self-directed accounts in addition to or in place of the general accounts available through the Plan.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. Interest rates are set by the Plan Administrator upon the date of the loan application based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

VESTING

Participants' contributions, rollover contributions, safe harbor contributions and earnings are fully vested at all times. The Company's matching contributions, profit-sharing contributions and earnings thereon vest as follows:

Years of Service	Percentage
Less than 2 years	0%
2 but less than 3	20%
3 years and over	100%

FORFEITURES

Any portion of a participant's account which is not vested at the time of termination from the Plan is forfeited immediately at the date of termination. Forfeitures are allocated to participants as part of the Company's annual contribution or utilized for Plan expenses. The participant's balance will be reinstated if the participant returns to service within five years from the original termination date. There were forfeitures of \$1,663 and \$0 for 2019 and 2018, respectively. Forfeitures were utilized to pay for administrative expenses of \$2,167 and \$0 for the years ended 2019 and 2018, respectively. Balance remaining in the forfeitures account at December 31, 2019 was \$21,412.

PAYMENT OF BENEFITS

The Plan provides for distribution of a participant's account upon termination of employment, retirement, death or disability under several options. If the participant's vested interest is greater than \$5,000, the participant may choose to receive his benefit in the form of cash, an annuity, or a combination of these. If the vested interest is less than \$5,000 then the vested account balance may only be distributed in a single lump-sum payment in cash or in property.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles with the applicable accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at either fair value or contract value depending on the investment. Participants investing in the general Plan can select from a variety of mutual funds offered through the Charles Schwab platform and the Vanguard platform. The participants invest directly in mutual funds and exchange traded funds and those funds have quoted market prices which are used to value the investments.

Self-directed brokerage accounts are also stated at fair value using quoted market prices to value investments in publicly traded securities.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on an accrual basis. The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and losses on disposition of investments are recognized at the time of disposition with the amount of gain or loss determined on an average cost basis.

ADMINISTRATIVE EXPENSES

The administrative expenses for the Plan are either paid by the Company or the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

BENEFIT PAYMENTS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred-percent (100%) vested in their accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The United States generally accepted accounting principles provide a framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no level 3 investments in 2019 or 2018.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Mutual funds and Exchange Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and exchange traded funds held by the Plan are deemed to be actively traded (Level 1).

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as categorized between general and self-directed brokerage investments.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Plan's financial instruments, including cash, participant notes receivable, employer contributions receivable and employee contributions receivable approximate fair value due to the short maturities of these financial instruments.

NOTE 4- INCOME TAX STATUS

The Plan is a prototype plan offered by Katz, Teller, Brant & Hild. In which the Internal Revenue Service has determined and informed the Company that its volume submitter plan is designed in accordance with the Internal Revenue Code (Code) sections 401(a). Although the Plan has been amended since the determination by the Internal Revenue Service, the prototype sponsor believes it continues to be designed in compliance with the Internal Revenue Code (Code) section 401(a). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

NOTE 5 - RELATED PARTY TRANSACTIONS

Charles Schwab is one of the custodians of the general plan assets of the Plan which qualifies as a party-in-interest with the related mutual funds offered by Charles Schwab. Vanguard is the other custodian of the general plan assets of the Plan. Vanguard is also a party-in-interest with the related mutual funds offered by Vanguard.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - SUBSEQUENT EVENTS

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern." COVID-19 continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses, such as, mandated "Stay at Home" orders, cancellation of elective surgeries, social distancing and wearing masks have impacted the Plan Sponsor's operations. The Plan Sponsor continues to stay abreast of the fluid environment and adopts best practices to keep employees and patients safe.

The Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. This new law allowed employers to modify their retirement plans to provide certain relief for participants and beneficiaries who may have been impacted by the coronavirus. The Plan Sponsor has stated the Plan will not be amended for the CARES Act provisions.

Effective January 1, 2020, the Plan was amended to allow service with Western Ohio Anesthesia Associates, LLC to count as service with the Employer for all purposes of the Plan.

NOTE 8 - DATE OF MANAGEMENT'S REVIEW AND SUBSEQUENT EVENT

Management has evaluated subsequent events through October 8, 2020, the date on which the financial statements were available to be issued. There were no additional subsequent events other than those discussed in Note 7 from December 31, 2019 thru October 8, 2020.
