Report on Financial Statements

We were engaged to audit the accompanying financial statements of Rizzetta & Company, Inc. 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Life Insurance Company, the Trustee of the Plan (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2019 and 2018, and for the year ending December 31, 2019 that the information provided to the plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 11 to the financial statements, in March 2020 the World Health Organization declared COVID-19 a global pandemic. As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen, triggering volatility in financial markets and a significant negative impact on the global economy. As a result, the Plan's investment portfolio has seen significant volatility subsequent to December 31, 2019. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. Our opinion is not modified with respect to this matter.

Other Matters

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with the DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RIZZETTA & COMPANY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 1—Description of the Plan

The following is a description of the Rizzetta & Company, Inc. 401(k) Profit Sharing Plan (the “Plan”) and provides only general information of the major plan provisions. Participants should refer to the amended and restated plan agreement for a more complete description of the Plan’s provisions.

Plan Description – The Plan was established by Rizzetta & Company, Inc. (the “Company” or “Plan Sponsor”) as a defined contribution plan effective January 1, 2002. The Plan was amended and restated effective November 15, 2017, due to the change in trustee. Such amendment was to adopt the restatement of the volume submitter plan more fully described below. There were no changes to any major plan provisions. The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participation – All employees of the Company who have completed at least one year of continuous service, 1,000 hours of service within any anniversary year, and have attained the age of 21 are eligible to participate in the Plan.

Contributions – Contributions to provide benefits under the Plan are made by participants and the Company. Participants may contribute the maximum allowed under Section 402(g) of the Internal Revenue Code (“IRC”). Participants who have attained the age of 50 are eligible to make pre-tax catch-up contributions, subject to certain limitations. In addition, the Plan accepts rollovers from other tax-qualified plans. The Company may, at its discretion, make profit sharing contributions to the Plan for those employees who have completed one year of service, as defined. There were no profit sharing contributions for the year ended December 31, 2019.

Participant Accounts – Each participant’s account is credited and/or reduced with the participant’s contribution and withdrawals, employer matching contributions, and allocations of plan earnings or losses; and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant investment account earnings, elective contributions, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant’s account. All participant accounts are maintained by Transamerica Life Insurance Company (the “Trustee”) as of December 31, 2019 and 2018, and for the year ending December 31, 2019.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the profit sharing contributions, plus actual earnings thereon, is based on years of continuous service as defined by the Plan. Vesting is determined according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%

Upon employee normal retirement, death, disability, or termination of the Plan, profit sharing contributions become 100% vested.

Notes Receivable from Participants – Participants may borrow from their fund accounts the lesser of 50% of their vested account balance or \$50,000, less the participant’s highest outstanding loan amount during the prior 12 months. Loan terms generally range from one to five years, although, they can be extended up to 30 years for the purchase of a primary residence.

RIZZETTA & COMPANY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 1—Plan description (continued)

Investment Options – Upon enrollment in the Plan, a participant may direct employee and employer contributions into various investment options. Participants may change their investment options periodically as permitted by the Plan.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive an amount not to exceed the value of the participant's vested interest in his or her account in either a lump-sum amount or direct rollover. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures – Pursuant to the plan document, the nonvested portion of discretionary, nonelective employer contributions credited to the accounts of participants who withdraw from the Plan are forfeited and held as nonparticipant-directed investments. These amounts may be allocated to qualifying participants as an additional discretionary nonelective contribution or pay for plan expenses. Forfeited accounts and amounts used to reduce plan expenses as of December 31, 2019 and 2018 and during the year ended December 31, 2019 were de minimis.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting.

Investments, Investment Valuation, and Income Recognition – Investment contracts held by a defined-contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations are made based upon a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Three levels of inputs may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. The NAV is based on the value of underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

RIZZETTA & COMPANY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 2—Summary of significant accounting policies (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with that of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Benefits Paid to Participants – Benefits are recorded when processed and paid by the Plan.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Subsequent Events – Management has evaluated subsequent events through July 16, 2020, in connection with the preparation of these financial statements, which is the date the financial statement were available to be issued.

Note 3—Investments/financial data certified by the Plan's Trustee (unaudited)

The following information included in the accompanying financial statements as of December 31, 2019 and 2018 and for the year ended December 31, 2019 was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as permitted by Section 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RIZZETTA & COMPANY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 4—Fair value of financial investments, carried at fair value

The following summarizes the Plan's investments based upon the fair value hierarchy levels described in Note 2:

As of December 31, 2019	Level 1	Level 2	Level 3	Total Fair Value
Mutual funds ^(*)	\$ 1,336,056	\$ -	\$ -	\$ 1,336,056
Total assets	\$ 1,336,056	\$ -	\$ -	\$ 1,336,056
As of December 31, 2018				
Mutual funds ^(*)	\$ 1,010,521	\$ -	\$ -	\$ 1,010,521
Total assets	\$ 1,010,521	\$ -	\$ -	\$ 1,010,521

(*) Amounts are unaudited, see Note 3.

Note 5—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the employer contributions in their accounts.

Note 6—Administrative expenses

Administrative expenses are comprised primarily of investment fees and are paid by the Plan. Additionally, any professional fees incurred on behalf of the Plan are paid by the Company. During the year ended December 31, 2019, approximately \$9,000 in professional fees were paid by the Plan Sponsor on behalf of the Plan.

Note 7—Income tax status

The Plan adopted a Florida Retirement Consultants Defined Contribution Volume Submitter Plan and Trust ("Volume Submitter Plan") approved as to form by the Internal Revenue Service ("IRS"). The Volume Submitter Plan is a qualified plan under Section 401(k) of the IRC and, as such, is exempt from federal income taxes under Section 501(a) of the IRC. The Volume Submitter Plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and has no unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8—Party-in-interest transactions

Administrative fees paid by the Plan during the year ended December 31, 2019 were based on customary and reasonable rates. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. While these transactions qualify as party-in-interest activity, they are expressly exempted from the prohibited transaction rules (ERISA, Title I, Section 408(b)).

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 9—Reconciliation of financial statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 and 2018 to net assets available for benefits per the Form 5500:

	December 31,	
	2019	2018

Net increase in net assets available for benefits per the financial statements	\$ 344,058

Note 10—Risks and uncertainties

The Plan provides for various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 11—Subsequent events

The Plan evaluated its December 31, 2019 financial statements for subsequent events through the date the financial statements were available to be issued. As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen, triggering volatility in financial markets and a significant negative impact on the global economy. As a result, the Plan's investment portfolio incurred a significant decline in fair value since December 31, 2019. However, because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.
