The Jet Edge 401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Jet Edge 401(k) Profit Sharing Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Transamerica, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter

The Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2019 and the Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter – 2018 Financial Statement

The financial statement of the Plan as of December 31, 2018 was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 8, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statement, and (b) the form and content of the information included in the financial statement other than that derived from the certified investment information was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2019

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Jet Edge 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of The Jet Edge 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General – The Plan is a 401(k) profit sharing plan covering substantially all employees of Jet Edge Corporation, and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Jet Edge Corporation (the Company) is the Plan's sponsor and serves as plan administrator.

Eligibility – Employees of the Company are eligible to participate in the Plan after completing 90 days of service.

Contributions – *Participant contributions* – Each year, participants may contribute pre-tax and Roth deferrals up to 100 percent of their compensation, as defined by the Plan and subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for safe harbor matching contributions equal to 100 percent of the first three percent of compensation deferred by a participant and 50 percent of the next two percent of compensation deferred by a participant. The Company made safe harbor matching contributions of \$770,207 for the year ended December 31, 2019. The Plan also provides for discretionary Company matching and profit sharing contributions. There was no discretionary Company matching or profit sharing contributions for the year ended December 31, 2019. Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions and Company contributions, plus actual earnings thereon.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All loans must be repaid within a period of five years. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. As of December 31, 2019, the rates of interest on outstanding loans ranged from 4.5% to 6.5%, with various maturities through September 1, 2024.

Payment of benefits – On termination of service for any reason, a participant or their beneficiaries, as applicable, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installment payments, in accordance with the Plan.

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from information provided by Transamerica Life Insurance Company (the “Custodian” or “Transamerica”).

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan’s investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the “exit price”) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain administrative expenses incidental to the administration of the Plan, including fees of the Custodian and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan. Most investment options have fees which reduce the overall return on assets. The net depreciation of investments is inclusive of these fees.

The Jet Edge 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 3 – Fair Value Measurements

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable.

The three levels of the fair value hierarchy are the following:

- **Level 1** – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- **Level 3** – Inputs to the valuation that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2019 and 2018.

Pooled Separate Accounts – Valued at the net asset value (“NAV”) of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

All of the Plan's investments at fair value are measured at NAV as a practical expedient.

The PSA can be redeemed daily, and there are no redemption restrictions or notice requirements.

The Jet Edge 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4 – Guaranteed Investment Contract with Transamerica Corporation

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica totaling \$934,683 for 2019 and \$717,156 for 2018. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Transamerica. Such interest rates are reset on a semi-annual basis.

The Transamerica Stable Value Core Option meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Transamerica's ability to meet its financial obligations. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Transamerica, such as a significant decline in the credit worthiness of Transamerica. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Transamerica and that would also limit the Plan's ability to transact at contract value with participants.

Note 5 – Tax Status

The Plan is a prototype plan that is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System. The plan administrator believes the Plan is currently being operated in accordance with the applicable provisions of the IRC and, accordingly, the plan administrator believes that the Plan is exempt from income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Jet Edge 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 – Information Certified by the Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018.
- Net depreciation in fair value of investments, dividends, and interest, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2019.
- Pooled separate accounts, fully benefit-responsive investment contract, and participant loans as of December 31, 2019 as listed in the accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

Note 8 – Party-In-Interest Transactions

Certain Plan investments are managed by Transamerica. Transactions with the Custodian qualify as party-in-interest transactions for which exemptions exist.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.
