I.C. THOMASSON ASSOCIATES, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of I.C. Thomasson Associates, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan, covering substantially all eligible employees of I.C. Thomasson Associates, Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan Administrator is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility

All employees, other than leased employees and interns, are eligible to participate in the Plan beginning immediately after completing 6 months of service, as defined in the Plan document.

Contributions

Each year, participants may elect to defer up to 75% of their compensation, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans. Participants may change their salary deferral percentage at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer matches 100% of a participant's contribution on the first 3% of the participant's compensation and 50% of the next 2% of the participant's compensation. The Employer may also make certain discretionary contributions, as defined in the Plan document. Additionally, the Company elected to make a discretionary contribution in the amount of \$300,000 for the year ended December 31, 2019.

Contributions are subject to certain limitations in accordance with applicable regulatory requirements.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows participants to self-direct their investments.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of Employer contributions, and Plan earnings, and reduced by an allocation of administrative expenses, any distributions and Plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

I.C. THOMASSON ASSOCIATES, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer contributions is based on years of continuous service. Participants vest 20% after completion of two years of credited service, and 20% per year for the next four years, resulting in 100% vesting after 6 years of credited service.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% which are commensurate with local prevailing rates as determined by the Plan Administrator. Loan terms are for a maximum of 5 years, or longer if used for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon normal retirement (age 65), death, disability or termination of employment. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan.

Forfeitures

Forfeitures result from termination of employment under circumstances which do not entitle the participant to be fully vested in his Employer contributions and are available to be used to pay Plan expenses or offset Employer contributions.

In-service withdrawals

In-service withdrawals are permitted by participants who have reached the age of 59 and 1/2. Earlier withdrawals may also be made in the case of financial hardship, as determined by the Employer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisers and Trustee. See Note 4 for discussion of fair value measurements.

I.C. THOMASSON ASSOCIATES, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses as incurred.

No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefit payments are recognized in the year paid.

Expenses

The Plan is responsible for its administrative expenses unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Recent authoritative accounting guidance

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The Plan is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date. The Plan is currently evaluating the impact of this new standard on its financial statements.

Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2019 and October 6, 2020, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator has elected that the information certified by the Trustee, Fidelity Management Trust Company, not be subjected to any auditing procedures, except for comparing such information to the related information contained in the financial statements and supplementary information.

The Trustee has certified to all investments and notes receivable from participants (individually and in summary) as of December 31, 2019 and 2018. The Trustee has also certified to all investment and notes receivable transactions for the year ended December 31, 2019, including investment income, realized and unrealized gains and losses, interest income on notes receivable and all supplementary information.

NOTE 4 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Mutual funds	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
Self-directed brokerage accounts	Consist of interest-bearing cash and common stocks. Interest-bearing cash is valued at cost plus accrued interest. Common stocks are valued based on the closing price reported on the active market on which the individual securities are traded.
Collective trust funds	Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

There have been no changes in the valuation methodologies used at December 31, 2019 and 2018.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of December 31, 2019 and 2018:

	2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,535,341	\$ -	\$ -	\$ 29,535,341
Self-directed brokerage accounts	683,265	-	-	683,265
Total investments in the fair value hierarchy	30,218,606	-	-	30,218,606
Investments measured at net asset value (a)				1,773,669
Investments, at fair value	<u>\$ 30,218,606</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 31,992,275</u>
	2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,021,202	\$ -	\$ -	\$ 23,021,202
Self-directed brokerage accounts	428,315	-	-	428,315
Total investments in the fair value hierarchy	23,449,517	-	-	23,449,517
Investments measured at net asset value (a)				1,480,714
Investments, at fair value	<u>\$ 23,449,517</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,930,231</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or the equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

Investment	Fair Value at December 31, 2019	Fair Value at December 31, 2018	* Unfunded Commitment	* Redemption Frequency	* Redemption Notice Period
Collective trust fund	\$ 1,773,669	\$ 1,480,714	\$0	Immediate	12 months

*Information noted in these columns is the same for each investment type for 2019 and 2018.

There are no participant redemption restrictions for these investments; the notice period is applicable only to the Plan. If the Plan initiates a full redemption of the account, the issuer reserves the right to require 12 months' notification in order to ensure that security liquidations will be carried out in an orderly business manner.

The description of the significant investment strategies for each category of investment in the collective trust fund follows:

- (a) The collective trust fund invests in the Stable Value Return Fund M which invests all of its assets in the Wells Fargo Stable Value Fund G that holds investment contracts and security backed contracts at December 31, 2019 and 2018. The fund seeks safety of principal and consistency of returns while attempting to maintain minimal volatility.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2019, a concentration of investments did not exist. At December 31, 2018, the Plan had a concentration of investments in one fund, which represented approximately 13% of total investments.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had, and are expected to continue to have, an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Plan operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Plan, to date, the Plan is experiencing increased volatility in the fair value of investments. These conditions make it reasonably possible that the Plan is vulnerable to the risk of a near-term severe impact. Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near-term as a result of these conditions. Participants who are impacted by the coronavirus are allowed to take distributions up to \$100,000, without a 10% early withdrawal penalty, through December 31, 2020. In addition, the maximum loan limit for impacted participants is increased to the lesser of 100% of their vested account balance or \$100,000 for loans made from March 27, 2020 through September 23, 2020. Loan repayments that would otherwise be due between March 27, 2020 and December 31, 2020, can be delayed by qualifying participants.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a volume submitter plan document (Volume Submitter). The Volume Submitter received its latest opinion letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated the Volume Submitter, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not applied for a separate determination letter.

The Volume Submitter has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe the Plan and Volume Submitter are designed and have been operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been provided in the financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax asset or liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

NOTE 7 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Plan investments are held by the Trustee, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, rather than a direct payment.

These party-in-interest transactions are exempt from the prohibited transactions provisions of ERISA and the IRC.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
