MANCO ABBOTT, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Manco Abbott, Inc. 401(k) Plan (the Plan) is a defined contribution plan effective January 1, 1993, which covers substantially all employees of Manco Abbott, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been restated for final PPA regulations effective January 1, 2015. The Plan's purpose is to enable eligible employees to defer a portion of their salary to provide for their retirement.

Eligibility

An employee becomes eligible to participate in the Plan when at least 21 years old and has completed one year of service. A participant may not make withdrawals from their account prior to attaining age 59½ except in the event of death, total or permanent disability, retirement, termination of employment, or proven hardship.

Employee contributions

An employee will be eligible to elect to make a pre-tax or Roth salary deferral on the first day of the month following completion of the age and service requirements. Plan participants may contribute a percentage of their annual compensation to the Plan up to the maximum determined annually by the Internal Revenue Service. If the participant is age 50 or older, the participant may elect to defer additional amounts as defined by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation. Effective January 1, 2016, the Plan has an auto escalation feature whereby participants that were automatically enrolled will have an annual 1% increase in deferrals up to a maximum deferral rate of 5%.

Employer contributions

The Company makes a matching contribution equal to fifty (50) percent of the first four (4) percent of the participant's compensation which is contributed as an elective deferral.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and plan earnings. Allocations of plan earnings are based on participant account balances. Participants may direct the investment of their contributions, and any employer contributions, into a variety of mutual funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow a minimum of $500 up to the lesser of $50,000 or 50% of the participant's vested account balance. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid with interest in a time period comparable to the repayment period permitted by commercial lenders for similar loans, not to exceed 15 years. Participant loans bear a reasonable interest rate which is defined by the Loan Policy as the prime rate plus 1 percent. Principal and interest is paid ratably through semi-monthly payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of benefits

Upon retirement, death or disability, distributions may be made in the form of a lump sum of the participant's vested account balance, or a single lump sum distribution of a portion of the participant's vested account balance.

Vesting

Each participant is 100% vested in his or her contributions plus earnings thereon. Employer matching contributions are based on a six-year graded vesting schedule. An employee becomes 100% vested for employer matching contributions if employed while attaining early retirement age or if deceased or disabled.

Forfeitures

Forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) are used to reduce future employer contributions. If a participant does not receive a distribution of their vested account balance, the nonvested portion is forfeited at the end of the plan year during which the participant incurs their fifth consecutive one-year break in service. At December 31, 2019 and 2018, forfeited nonvested accounts totaled $0 for each year. In 2019 and 2018, employer contributions were reduced by $1,006 and $1,273, respectively, from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability. The Plan distributed the 2019 and 2018 excess contributions to the applicable participants prior to March 15th of the following year.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are not directly observable for the asset but are derived principally from or corroborated by observable market data through correlation or by other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There were no transfers of Plan assets between levels.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Level 1 fair value measurements

Mutual funds: The fair value of the mutual funds held by the Plan at year-end are based on the closing price reported on the active market where the individual mutual funds are traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 3 fair value measurements

The CUNA Mutual Group guaranteed account is a deposit administration group annuity contract. The contract value approximates fair value. It provides guaranteed protection of principal with a set rate of return. The fund seeks a high level of current income consistent with preservation of capital by investing primarily in corporate bonds, mortgage-backed securities, collateralized obligations, high quality commercial mortgage loans, municipal bonds and other high-grade fixed income securities.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2019 and 2018.

Assets at Fair Value as of December 31, 2019

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,919,124	$ -	$ -	$ 3,919,124
Guaranteed account	-	-	17,424	17,424
Total assets at fair value	$ 3,919,124	$ -	$ 17,424	$ 3,936,548

Assets at Fair Value as of December 31, 2018

	Level 1	Level 2	Level 3	Total

Total assets at fair value	$ 2,944,584	$ -	$ 17,066	$ 2,961,650

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the guaranteed account for the years ended December 31, 2019 and 2018.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the agent on behalf of the custodian.

	2019	2018
Investments at fair value:		
Mutual Funds	$ 3,919,124	$ 2,944,584
Guaranteed account	$ 17,424	$ 17,066
Interest and dividends	$ 120,239	$ 127,875
Net appreciation (depreciation) in fair value of investment funds	$ 604,541	$ (327,549)

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 – ALLOCATION OF ASSETS

Net assets available in the amount of $121,536 and $160,616 for the years ended December 31, 2019 and 2018, respectively, have been allocated to the accounts of employees who have separated service with the employer. Non-vested amounts subject to forfeiture total $3,131 and $2,921 as of December 31, 2019 and 2018, respectively.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Plan's assets are managed by MG Trust Company dba Matrix Trust Company. Plan management includes recordkeeping and investment services related to contributions received, plan earnings and distributions. Fees associated with each managed fund are built into the expense ratio for that fund. Broker commissions paid by MG Trust Company dba Matrix Trust Company related to the Plan totaled $3,497 and $8,000 for the years ended December 31, 2019 and 2018, respectively. Shuster Financial provided investment advisory services. The services to the Plan qualify as party-in-interest transactions. Third party administrative services are paid for by the Plan. Third party administrative compensation paid by MG Trust Company dba Matrix Trust Company was $22,931 and $19,512 for the years ended December 31, 2019 and 2018, respectively.

Administrative functions are jointly performed by employees of the Company and CPI Qualified Plan Consultants, Inc. No employee receives compensation from the Plan. The independent auditor’s fees are paid directly by the Company.

NOTE 8 – TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PARTICIPANTS' RIGHTS TO ADDITIONAL INFORMATION

Plan participants have the right, upon request and at no charge, to examine or to receive copies of the statements from the regulated financial institutions describing the qualifying plan assets or evidence of the required fiduciary bond. If plan participants are unable to examine or obtain copies of the regulated financial institution statements or evidence of the required bond, participants should contact the Regional Office of the US Department of Labor's Employee Benefits Security Administration closest to you. The DOL EBSA Regional Offices are located in Atlanta, Boston, Chicago, Cincinnati, Dallas, Kansas City, Philadelphia, Los Angeles, New York City and San Francisco.

Plan participants also have the legally protected right to examine the Plan's annual report at 7511 N. Remington Suite 101, Fresno, CA, 93711 and at the US Department of Labor in Washington DC, or obtain a copy from the US Department of Labor upon payment of copying costs. Requests to the Department should be addressed to: US Department of Labor, Employee Benefits Security Administration, EBSA Public Disclosure Room, 200 Constitution Avenue, NW, Room N-1515, Washington DC, 20210.

NOTE 11 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 8, 2020, the date the financial statements were available to be issued.

NOTE 11 – SUBSEQUENT EVENTS (Continued)

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses and shelter in place orders. As a result, equity markets have declined from their historically high levels. While the business disruption is currently expected to be temporary and markets typically recover, there is considerable uncertainty around the duration of the closings and shelter in place orders and the shorter-term market volatility. It is at least reasonably possible that this matter will negatively impact the Plan. However, the financial impact and duration cannot be reasonably estimated at this time.
