NOTE 1 - CERTIFIED INVESTMENTS

As permitted under such election, the investment information that was certified by Fidelity Management Trust Company, the trustee of the Plan, including notes receivable from participants, net appreciation/(depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2019, was not subjected to any auditing procedures performed by the independent public accountants. Fidelity Management Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, and the supplemental Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2019; the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019; the information reflected on the supplemental Schedule H, line 4i - schedule of assets (acquired and disposed within year) for the year ended December 31, 2019; and the information reflected on the supplemental Schedule H, line 4j - schedule of assets (reportable transactions) as of December 31, 2019.

NOTE 2 - DESCRIPTION OF PLAN

The following description of **Robinson Mills & Williams Profit Sharing 401(k) Plan** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all of the employees of Robinson Mills & Williams (the Plan Sponsor) who have completed at least three months of service. Participants may begin deferring a portion of their compensation into the Plan following eligibility. Leased employees, independent contractors, and residents of Puerto Rico are specifically excluded from participating in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

All of the Plan's assets are invested, as directed by the participant, as pooled funds. A participant's account balance is derived through an allocation of these funds. Each participant's account is credited with the participant's contributions, Plan Sponsor profit sharing contributions, and related investment earnings and losses pursuant to the participant's investment allocations. Allocations of income are based strictly on the participant's selection of investments and timing of purchase.

NOTE 2 - DESCRIPTION OF PLAN - *continued*

Contributions

Participants may defer a portion of their compensation to the Plan subject to certain anti-discrimination tests and to a maximum contribution of $19,000 per year (for 2019). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, not to exceed $6,000 (for 2019). The Plan sponsor has the option under the Plan to make discretionary profit sharing contributions. Employees are eligible for an allocation of these profit sharing contributions providing they are employed by the employer on the last day of the Plan year and have completed at least 3 months of service during the Plan year. Profit sharing contributions are allocated based on the participant's compensation as compared to total compensation for all eligible participants.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant vests in the Plan's contributions at the rate of 20% per year after the second year of service.

Forfeited Accounts

At December 31, 2019 and 2018, the Plan's forfeiture account, comprised of forfeited nonvested accounts and the earnings thereon, totaled $9,969 and $15,419, respectively. Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan.

Payment of Benefits

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distribution from the participant's deferral portion of their account balance is permitted providing the participant has attained age 59½ and completed five years of service in the Plan. Participants who qualify for benefits and withdrawals may elect to receive their benefits in the form of a joint survivor annuity, installment payments, or a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant's account. Participants who separate from service during the year and have vested account balances of $1,000 or less are subject to an administrative distribution at the discretion of the Plan administrator.

NOTE 2 - DESCRIPTION OF PLAN - *continued*

Employer Contributions Receivable
An employer contribution in the amount of $135,000 was elected for the year ended December 31, 2018 and was funded to the Plan on May 31, 2019, allocated at a rate of 1.36% of eligible compensation. This allocation percentage includes $10,000 of forfeited funds that were also contributed. No employer contributions have been elected for the Plan year ending December 31, 2019.

Notes Receivable from Participants
Participant loans are stated at cost, which approximates fair value. Increases or decreases in fair value are recognized currently. The Plan permits loans to its participants based upon their vested account balance. Loans are limited to the lesser of 50% of the participant's vested account balance or $50,000, and the minimum loan amount is $1,000. Loans bear a fixed rate of interest at rates ranging from 4.25% to 6.25%, determined on the date of advance by the Plan administrator. All borrowings are payable through regular payroll deductions made at least on a quarterly basis. Loans are generally due within 5 years unless they are used to acquire a principle residence. All loans are immediately offset against the participant's account balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review
Subsequent events were evaluated through October 6, 2020, which is the date the financial statements were available to be issued.

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value. See Note 4 for discussion of fair value measurements.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *continued*

Investment Valuation and Income Recognition
The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Notes receivable from participants are stated at cost, which approximate fair value. Increases or decreases in fair value are recognized currently. All of the Plan's assets are invested in the market, which is subject to volatility.

Payment of Benefits
Benefits are recorded when paid.

Operating Expenses
Since the inception of the Plan, the Plan Sponsor has absorbed most of the administrative expenses of operating the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS AND PLAN INVESTMENT IN A COMMON COLLECTIVE TRUST

The Plan holds an investment in Managed Income Portfolio Class 1, a common collective trust (CCT). This fund is valued using the net asset value, referred to as NAV. The NAV is provided by the trustee and is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, and then divided by the number of shares outstanding. The NAV is calculated daily, and this practical expedient is used for valuation unless it is probable that the fund will sell a portion of the investment at an amount different from the NAV.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than the quoted prices included in Level 1; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

NOTE 4 - FAIR VALUE MEASUREMENTS AND PLAN INVESTMENT IN A COMMON COLLECTIVE TRUST - *continued*

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All of the Plan's investments were measured using Level 1 inputs. Mutual funds were valued at quoted market prices.

Financial assets measured at fair value on a recurring basis as of December 31, 2019 were as follows:

Investments measured at quoted prices in active markets (Level 1):	
Money market	$ 762,844
Mutual funds	21,696,413
Investments measured at net asset value (NAV):	
Common collective trusts	2,723
Total investments	$ 22,461,980

Financial assets measured at fair value on a recurring basis as of December 31, 2018 were as follows:

Investments measured at quoted prices in active markets (Level 1):	
Money market	$ 833,656
Mutual funds	17,076,263
Investments measured at net asset value (NAV):	
Common collective trusts	2,672
Total investments	$ 17,912,591

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all non-vested account balances would become 100% vested in their accounts.

NOTE 6 - RELATED PARTY TRANSACTIONS

Substantially all of the Plan's assets are invested in shares of registered investment companies (mutual funds) managed by Fidelity Management Trust Company, the Plan's trustee. Accordingly, all transactions with Fidelity Management Trust Company qualify as party-in-interest transactions. A substantial portion of the income or loss of the Plan is derived from these investments. Fees paid by the Plan to the trustee for certain investment management fees were deducted from the net asset values of the registered investment companies held by the Plan. The various funds' net operating expense ratios ranged from 0.015 percent to 1.050 percent. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Fidelity Management Trust Company is also the recordkeeper for the Plan and also performs certain administrative services to the Plan. Accordingly, Fidelity Management Trust Company is a related party to the Plan.

Fees paid by the Plan for the administrative services amounted to $631 for the year ended December 31, 2019.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by letter dated June 8, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan received an updated letter dated March 31, 2014, via Fidelity Management for its Volume Submitter Profit Sharing Plan with CODA. Although the Plan has been amended since receiving the determination letter, the Plan's administrator and the Plan's ERISA counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2012.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RISKS AND UNCERTAINTIES - *continued*

As a result of the COVID-19 pandemic, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

NOTE 9 - EVALUATION OF SUBSEQUENT EVENTS

As noted above in Note 8, the COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market prices of the Plan's investments. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted at this time.

The Plan may implement certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws will make changes to the Plan. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan has evaluated subsequent events through October 6, 2020, the date which the financial statements were available to be issued, and no other subsequent events were identified except those noted above.
