Plan Administrator  
APS Medical Billing Savings Plan  
Toledo, Ohio

### Report on the Financial Statements

We were engaged to audit the accompanying financial statements of APS Medical Billing Savings Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to information summarized in Note C, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes related transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

## **Disclaimer of Opinion**

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements referred to in the first paragraph.

## **Other Matter - Supplemental Schedules**

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2019 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedules referred to above.

## **Other Matter - 2018 Financial Statements**

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to information certified by Ascensus Trust Company, the trustee of the Plan. Their report dated September 20, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**APS MEDICAL BILLING SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2019 and 2018**

**Note A – Description of Plan**

The following description of the APS Medical Billing Saving Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which covers all eligible employees of the plan sponsor, Hospital Service Associates, Inc. dba APS Medical Billings (the “Company”). Employees must be at least 21 years of age and have completed one month of service in the year ending December 31. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trust Agreement

Assets of the Plan at December 31, 2019 and 2018 are held for safekeeping and investment by Ascensus Trust Company (the “Trustee”), under an agreement with the Trustee.

Contributions

Each year participants may contribute up to 80% of annual compensation, exclusive of insurance reimbursements, as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows Roth after-tax contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. Contributions are automatically invested in a designated fund until changed by the participant. The Company makes matching contributions to the Plan equal to a discretionary percentage determined annually by the Company. In 2019 and 2018, the Company made matching contributions for all elective deferrals equal to 15% of the first 6% of compensation.

Contributions received from participants for 2019 and 2018 are net of excess contributions payable of \$21,606 and \$19,239, respectively, to certain active participants for excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan. These amounts are paid in the year subsequent to the contribution and have been reflected as a liability in the statements of net assets available for benefits at December 31, 2019 and 2018.

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common collective trust as investment options for participants.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Company’s matching contribution and an allocation of Plan earnings. Allocation of Plan earnings are based on participant account balances, as defined in the Plan. Participants who initiate a loan or benefit payment are charged a fee for that transaction. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**APS MEDICAL BILLING SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2019 and 2018**

**Note A – Description of Plan (continued)**

Vesting

Participants are immediately vested in their 401(k) voluntary contributions plus actual earnings thereon. The Company's matching contributions and Company discretionary contributions (when made), plus actual earnings thereon, are vested based on years of service. A participant is vested 20% after two years of service, vesting by 20% for each additional year of service up to 100% vesting after the sixth year of service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which are commensurate with local prevailing rates at the time the notes are issued, as determined by the Trustee. Principal and interest are paid ratable through payroll deductions.

Under U.S. Department of Labor regulations, the Plan must identify each calendar quarter any participant loan in default. The participant has until the end of the following quarter to pay the overdue amounts. If not paid, a taxable distribution of the unpaid participant loan balance plus accrued interest will be declared.

Payment of Benefits

Upon termination of service due to death, disability, normal retirement at age 65 or other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or installments payments over a specified period of time. If the participant's vested account balance is \$1,000 or less, payment will be made in an immediate lump-sum without the participant's consent. If the balance is greater than \$1,000 but less than \$5,000, payment will be made to an individual retirement account at a provider selected by the Plan administrator without the participant's consent, unless the participant requests a different disposition of his or her account balance within the applicable election period.

In-service withdrawals of vested account balances may be elected by participants who have reached 59-1/2 years of age. The Plan also permits withdrawals from participant pre-tax deferral balances and vested matching contributions in amounts necessary to satisfy financial hardship as defined by the Plan agreement.

Forfeited Amounts

At December 31, 2019 and 2018, there were non-vested forfeited accounts of \$18,882 and \$7,417, respectively. These accounts will be used to pay Plan expenses or reduce Company contribution. In 2019, forfeitures of \$8,865 were utilized to pay Company contributions.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan agreement. Certain administrative expenses, including an allocation of salaries related to Plan administration, and audit and legal costs, are paid by the Company and qualify as party-in-interest

transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for custodial and record keeping services are paid by the Plan. Participants are charged directly for loan fees and fees related to certain distribution types.

**Note B – Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The current value in units of common collective trust funds is based on the fair market value with any investments held in fully benefit responsive contracts adjusted to contract value (see below). Plan management determines the Plan’s valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurement.

In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 962 – *Plan Accounting – Defined Contribution Plans*, investment contracts held by defined contribution plans are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As required by ASC 962, the statements of net assets available for benefits present the fair value of the investment contracts held by common collective trust funds. At December 31, 2019 and 2018, fair value of the common collective trust funds approximates its contract value and no adjustment of the fully benefit responsive investment contracts from fair value to contract value is presented in the statements of changes in net assets available for benefits.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan’s aggregate gains and losses on such investments bought and sold as well as held during the year.

Investment Valuation and Income Recognition (continued)

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned daily and are not separately reflected. Consequently, such management fees and operating expenses are reflected as a reduction of net appreciation or an addition to net depreciation in the fair value of such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant does not make loan repayments and the Plan administrator deems the note receivable to be in default, the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

**Note C – Certified Investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company ("Ascensus"), as trustee, has certified the completeness and accuracy of the investment information reflected in (1) the accompanying statements of net assets available for benefits, (2) the December 31, 2019 schedule of assets (held at end of year), and (3) the related investment activity reflected in the statements of changes in net assets available for benefits. Ascensus has also certified the completeness and accuracy of notes receivable from participants and the related interest income as of and for the years ended December 31, 2019 and 2018.

**Note D – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**APS MEDICAL BILLING SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2019 and 2018**

**Note D – Fair Value Measurements (continued)**

- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability; and
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. For financial assets recorded at fair value, the description includes an indication of the level of the fair value hierarchy in which the assets are classified.

*Mutual funds:* Shares held in mutual funds are valued at quoted market prices that represent the net asset value ("NAV") of shares held by the Plan at year end and are classified as Level 1. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, then divided by the number of shares outstanding. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price and, therefore, are deemed to be actively traded.

*Common collective trust funds:* The common collective trust funds are valued at the NAV of units of the collective trust. The NAV, as provided by the custodian of the trust, is used as a practical expedient to estimate fair value and, as a result, is not assigned a level in the fair value hierarchy. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note E – Related Party and Party-in-Interest Transactions**

Ascensus, Inc. is the trustee as defined by the Plan. Fees paid by the Plan to Ascensus, Inc. amounted to \$29,902 and \$24,804 for the years ended December 31, 2019 and 2018, respectively. Fees paid by the Plan for investment management services are included as a reduction of net appreciation or an addition to net depreciation in fair value of mutual funds and the common collective trust fund.

**Note F – Tax Status**

The Company's Board of Directors adopted the Ascensus Inc. Prototype Non-Standardized Profit Sharing Plan prototype plan document. The prototype plan document has received an opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and that any employer adopting this form of the plan will be considered to have a plan qualified under 401(a) of the Code. The Plan is required to operate in conformity with the Code to maintain its qualification.

The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore, that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

**Note G – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**Note H – Risks and Uncertainties**

The Plan invests in various investment options including mutual funds and common collective trust funds. The underlying investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note I – Delinquent Participant Contributions**

As required by ERISA, the Employer is required to segregate employee contributions and loan repayments to the Plan from its general assets as soon as practical. During 2019, the Employer failed to remit to the Plan's custodian certain employee contributions totaling \$111 within the period prescribed by the Department of Labor regulations. The contributions were remitted to the Plan's custodian in 2019 when discovered by management.

Plan management has evaluated events subsequent to December 31, 2019 to determine the need for any adjustment to and/or disclosures within these financial statements for the year ended December 31, 2019. Plan management has performed their analysis through September 30, 2020, which was the date that the financial statements were available to be issued, there are no subsequent events that require disclosure except for the following.

As a result of the COVID-10 coronavirus pandemic during 2020, economic uncertainties have arisen as of the date of the financial statements. The extent to which the coronavirus may impact the Plan's operational and financial performance and investment results or estimates used to prepare the financial statements will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.
