Independent Auditor's Report

To the Plan Administrator
SCA 401(k) Plan

We have audited the accompanying financial statements of SCA 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of December 31, 2019 and the changes in net assets for the year then ended in accordance with accounting principles generally accepted in the United States of America.

December 31, 2019**Note 1 - Plan Description**

The following description of SCA 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Sweep America Intermediate Holdings, LLC (SCA Intermediate); Sweeping Corporation of America, Inc. (SCA); Sani-Tech JetVac Services, LLC (SJS); SCA of OH, LLC (f.k.a. SCA Sky Sweeping, LLC) (SOH); Hy-Tech Property Services, Inc. (HTP); and USA Services of Florida, Inc. (USA) (collectively, the "Companies") who have completed six months of service and are age 18 or older. Eligibility becomes effective on the first day of the month immediately following completion of six consecutive months of employment. Employees who perform services subject to the Service Contract Act, Davis-Bacon Act, or similar federal, state, or municipal prevailing wage statutes, may also participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee pretax and Roth salary deferral contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Companies may make discretionary matching and discretionary profit-sharing contributions to the Plan. Participants who have attained the eligibility requirements specified above and remain employed by the Companies through the last day of the plan year are eligible to receive employer discretionary matching contributions. Participants who have attained the eligibility requirements specified above, have completed 1,000 hours of service during the plan year, and remain employed by the Companies through the last day of the plan year are eligible to receive employer discretionary profit-sharing contributions. No employer discretionary matching or discretionary profit-sharing contributions were made during the year ended December 31, 2019.

The Companies make qualified nonelective employer contributions (QNEC) to the Plan based on state and federal prevailing wage jobs. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the IRC. No qualified nonelective employer contributions were made during the year ended December 31, 2019.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. Note terms are not to exceed five years. The notes receivable are secured by the participant's vested account balance and bear interest at rates that are commensurate with local prevailing rates determined periodically by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

December 31, 2019**Note 1 - Plan Description (Continued)*****Participant Accounts***

Each participant's account is credited with the participant's contributions, discretionary matching contributions, allocations of the QNEC, discretionary profit-sharing contributions, and any earnings thereon and charged with an allocation of administrative expenses. Discretionary profit-sharing contributions are allocated as a percentage of compensation of eligible participants for the plan year. QNEC contributions are allocated based on the fringe benefit amount determined by the prevailing rate schedule for the participant, reduced by contributions made to other plans that count toward fringe rates. Allocations of earnings and expenses are based on the participant's account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

Termination

While it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Companies. These transactions qualify as party-in-interest transactions. Administrative expenses of \$8,230 for the year ended December 31, 2019 were paid by the Companies.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures at the date of the financial statements and during the reporting period. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2014. The Plan has not individually sought its own determination letter.
