We have audited the accompanying financial statements of the Sky Ranches, Inc. 403(b)(7) Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Sky Ranches, Inc. 403(b)(7) Plan as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SKY RANCHES, INC. 403(b)(7) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sky Ranches, Inc. 403(b)(7) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering eligible employees of Sky Ranches, Inc. and related organizations; Sky Ranch at Ute Trail, Inc., Sky Ranch Horn Creek, Inc., and Sky Ranch at Caves Springs, Inc. There is no age or service requirement for salary reductions; however, for employer contributions the minimum age is 21 and the service requirement is one year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Sky Ranches, Inc. ("Organization") is the Plan Sponsor.

CONTRIBUTIONS

Eligible participants may elect to contribute on a pre-tax basis and/or after-tax Roth basis a minimum of $200 up to the lesser of 100% of compensation, as defined by the Plan, or the annual limit permitted by the Internal Revenue Code. Participants may also make eligible rollover contributions. Additionally, participants that are age 50 or over before the end of the Plan year are eligible for catch-up contributions.

The Organization has an option to provide matching contributions to eligible participants equal to a matching percentage which the Organization, from time to time, deems advisable. In addition, the Organization may make a non-elective contribution as determined by the Organization's Board of Directors. Highly compensated employees are excluded from receiving employer contributions. Seasonal and part time employees who complete 1,000 hours of service within the initial computation period become eligible for employer contributions. For the years ended December 31, 2019 and 2018, the Organization provided a percentage match of up to 3% of eligible compensation. The Organization did not make a non-elective contribution for participant accounts for the years ended December 31, 2019 and 2018.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions as well as employer contributions, if any, to investment options provided by the Plan. Participants may modify investment elections or transfer existing account balances on a daily basis. The Plan offers mutual fund investments with GuideStone Funds, which is affiliated with GuideStone Financial Resources of the Southern Baptist Convention ("GuideStone").

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (1) the Organization's matching and non-elective contribution and (2) Plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITED ACCOUNTS

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's matching contribution and non-elective contribution forfeits these amounts. For the year ended December 31, 2019 forfeitures totaled $2,716. The Plan has unallocated forfeitures of $1,283 and $1,095 as of December 31, 2019 and 2018, respectively. Forfeitures may be used to pay administrative fees or reduce employer contributions. During the year ended December 31, 2019, the Plan utilized forfeitures of $2,535 to cover Plan fees.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

PAYMENT OF BENEFITS

Upon termination of service due to death, disability or retirement, a participant may elect to receive distributions in a single lump-sum payment or in monthly, quarterly, or annual installments over a period not to exceed the assumed life expectancy of the participant. Terminated employees with participant vested balances of $1,000 or less are distributed as a lump sum distribution to the participant by the Plan Administrator.

HARDSHIP WITHDRAWALS

Hardship withdrawals are allowed at any time under the Plan from participant salary deferrals for qualified expenses, subject to satisfaction of certain conditions and approval by the Plan Administrator.

PLAN ADMINISTRATION

The Board of Directors of the Plan Sponsor appoints the Plan Administrator and Plan Trustees. The Plan Administrator is an employee of the Plan Sponsor. Certain administrative duties are performed by GuideStone.

VESTING

Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. The value of the participant's account attributable to employer contributions vests in accordance with the table below:

Years of service	% Vested
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Full vesting also occurs at death or disability.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from vested account balances, subject to certain conditions. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

NOTES RECEIVABLE

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Any such expenses not paid directly by the Plan Sponsor will be paid from the Plan and allocated against participant accounts on a pro-rata basis. Certain expenses are incurred at the participant level and are charged against the respective participant accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lower priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2019.

Mutual funds: Mutual funds are valued at the net asset value based on closing prices as reported by the fund and are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018.

	(Level 1)
December 31, 2019	
Mutual funds	$ 2,291,832

	(Level 1)
December 31, 2018	
Mutual funds	$ 1,641,063

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under U.S. Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. All Plan investments are shares of mutual funds managed by GuideStone Funds and, therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 5 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code ("Code"). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - SUBSEQUENT EVENTS

Subsequent to the financial statement date but before the financials were available to be issued, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. As a result of the COVID-19 virus pandemic, there has been disruption in businesses and markets world-wide. Current economic and financial market conditions related to the COVID-19 virus pandemic have affected and may continue to affect Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security ("CARES Act"). The CARES Act, among other things, includes provisions relating to refundable payroll tax credits and deferment of employer social security payments. The Plan has implemented certain requirements by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan has evaluated subsequent events through October 12, 2020, the date the financial statements were available to be issued.
