The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). T. Rowe Price Trust Company (the “Trustee”) is the Trustee of the Plan. The Plan is periodically amended to comply with applicable laws.

Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Participation: The Plan is available to all eligible employees of Covanta Babylon, Inc., Covanta Bristol, Inc., Covanta Hennepin Energy, Inc. (through March 2, 2018, the date of the service contract expiration), Covanta Huntington LP Resource Recovery Facility, Covanta MacArthur Renewable Energy Inc., Covanta Long Beach Renewable Energy, and Covanta Marion, Inc. who have met the requirements set forth in the collective bargaining agreement entered into by the respective Designated Unit. These employees are not eligible to participate in the Covanta Energy Savings Plan.

Contributions: Under the Plan, employees may contribute up to 15% of their annual compensation on a pre-tax basis, considering Internal Revenue Service (“IRS”) limitations. Eligible participants, age 50 or older as of December 31, 2019, can make pre-tax catch-up contributions to the Plan. These employees can contribute an additional \$6,000 in 2019 to the Plan if, by the end of the Plan year, they have met the lesser of the IRS salary deferral limit or the 15% pre-tax plan limit. The catch-up contribution limit may be adjusted for inflation in accordance with Section 414(v) of the Internal Revenue Code (the “Code”). Salary deferral and catch-up contributions can be made concurrently.

Employer contributions may be made from time to time, for each of its taxable years equal to the amount as stipulated by the respective collective bargaining agreement for such Participant’s Designated Unit which is in effect for such taxable year.

A participant’s elective contributions and employer contributions are invested at the direction of the participant.

Vesting: The Plan provides for immediate vesting of all employee contributions, employer contributions, rollover contributions, and any investment earnings on these amounts.

Administrative Expenses: Administrative expenses of the Plan are paid by either the Plan or the Plan’s sponsor as provided in the Plan document.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable From Participants: Loans are made to participants at a minimum of \$500 and up to the lesser of (i) 50% of the vested balance or (ii) \$50,000 reduced by the highest outstanding balance of loans during the one-year period ending on the day before the date the loan is made. Loans cannot exceed the limitations of the Tax Reform Act of 1986. The maximum repayment period for a loan is 5 years (10 years if used to acquire a principal residence), however, prepayments of the full loan balance are permitted. The maximum number of loans outstanding at one time for an employee is two loans with only one of the outstanding loans being a residential loan for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a rate of interest equal to the prime rate plus 1% on the first business day of the month during which the loan is made.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Company's contributions, and Plan earnings and is charged with his or her withdrawals and an allocation of expense and losses which are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Employees may elect to invest their contributions among the various investment alternatives offered under the Plan. If a participant fails to make an investment election under the Plan, such participant's account shall be invested in the Plan's default investment funds, which fund is intended to constitute a "qualified default investment alternative (QDIA)" under Department of Labor Regulations.

Payment of Benefits: A participant shall be entitled to a distribution of the vested portion of his or her account upon termination of employment, retirement or death. Benefits shall be payable in single lump sum distributions only. If the value of the participant's vested account balance is greater than \$1,000, but less than \$5,000, and the participant does not elect to have the distribution paid directly to him or to an eligible retirement plan in a direct rollover, the Plan will distribute the participant's account in a direct rollover to an IRA designated by the Plan Administrator. If the value of the participant's vested account balance is greater than \$5,000, a distribution shall be made at the election of the participant. If the value of the participant's vested account balance is \$1,000 or less, and the participant does not elect to have a direct rollover to an eligible retirement plan, the Plan will automatically distribute the participant's entire account as a lump sum cash payment to the participant as soon as administratively practicable. The Plan also permits in-service withdrawals upon a participant's attainment of age 59½.

Plan Termination: Any Designated Unit may terminate its participation in the Plan by giving the Administrative Committee prior written notice specifying the termination date which shall be the last day of a month at least 60 days subsequent to the date such notice is received by the Administrative Committee. The Administrative Committee may terminate any Designated Unit's participation in the Plan, as of any termination date specified by the Administrative Committee, for the failure of the Designated Unit to comply with any provision of the Plan and shall terminate a Designated Unit's participation upon complete and final discontinuance of the contributions. The Board of Directors or the Administrative Committee may amend the Plan at any time. No such amendment, however, may retroactively impair any right to any benefit under the Plan which any Participant, Beneficiary or Surviving Spouse would otherwise have had at the date of such amendment. The Board of Directors or the Administrative Committee may, however, make such amendment to the extent required to conform the plan to ERISA or to maintain the continued qualified status of the Plan under the Code.

The Company expects to continue the Plan indefinitely, but reserves the right to suspend contributions or to modify or terminate the plan at any time. In the event of the Plan's termination, the interest of each participant to benefits accrued to such date, to the extent then funded, is fully vested and non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation: All investments as of December 31, 2019 and 2018 are carried at fair value. Refer to Note 3 for further details related to the Plan's valuation methods.

Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Principal and interest is paid ratably through payroll deductions. Participant loan discharges, if any, represent unpaid loan balances written off by the Plan upon participant termination. These amounts are treated as taxable benefits to the participant.

Net Appreciation (Depreciation) in Fair Value of Investments: In the statement of changes in net assets available for benefits, the Plan presents the net appreciation (depreciation) in the fair value of investments which consists of the net realized gains (losses) and the net unrealized appreciation (depreciation) on those investments.

Security Transactions and Investment Income: Purchases and sales of securities are recorded on the trade date of the transactions. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on the accrual basis. Realized gains and losses from security transactions are reported on the average cost method.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value is the exit price associated with the sale of an asset or transfer of a liability in an orderly transaction between market participants at the measurement date.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Assets recorded at fair value are categorized using defined hierarchical levels directly related to the amount of subjectivity associated with the inputs to valuation of an asset. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 (unadjusted quoted prices in active markets); Level 2 (observable inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2019 and 2018:

	Fair Value Measurements as of December 31,			
	2019		2018	
	Total	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Total	Quoted Market Prices in Active Markets for Identical Assets (Level 1)
Mutual Funds	\$ 3,226,953	\$ 3,226,953	\$ 2,378,074	\$ 2,378,074
Collective Trust Funds*	<u>2,806,000</u>	<u>-</u>	<u>2,031,532</u>	<u>-</u>
Total Investments, at fair value	<u>\$ 6,032,953</u>	<u>\$ 3,226,953</u>	<u>\$ 4,409,606</u>	<u>\$ 2,378,074</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 4 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held, notes receivable from participants, net realized and unrealized appreciation in fair value of investments, interest (including that earned on notes receivable from participants), and dividends for the year ended December 31, 2019, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee. This certified information has not been audited by independent accountants.

NOTE 5 - TAX STATUS

The Plan received a determination letter from the IRS dated November 6, 2015 stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receipt of the determination letter; however, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by the Department of Labor or Internal Revenue Service, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some party-in-interest transactions are exempt from the prohibited transaction rules under ERISA, including: (i) expenses paid for by the Plan, (ii) the Plan's investments in mutual funds issued by an affiliate of the Plan's Trustee, (iii) the collective trusts managed by the Trustee, and (iv) notes receivable from participants.

NOTE 8 - SUBSEQUENT EVENTS

The Company has evaluated all significant activities through October 8, 2020, the date these financial statements were available to be issued.

In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

NOTE 8 - SUBSEQUENT EVENTS (Continued)

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted on March 27, 2020. The CARES Act includes several provisions that affect benefit plans. The Plan has adopted some of the optional changes permitted by the CARES Act including allowing eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permitting suspension of loan payments through December 31, 2020, and permitting individuals to stop receiving 2020 required minimum distributions.

Effective January 1, 2020, the plan was amended to allow for hardship distributions.

Effective January 1, 2020, the account balances of certain participants in the Plan that were former participants in the Covanta Energy Savings Plan or Covanta Environmental Solutions 401(k) Plan may be transferred from such former plans to the Plan. Amounts transferred to the Plan will be subject to the same vesting provisions that previously applied to the account balances under the former plans.
