INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Worcester Area Plumbers and Pipefitters
Union Local No. 4 Annuity Plan

We have audited the accompanying financial statements of the Worcester Area Plumbers and Pipefitters Union Local No. 4 Annuity Plan (the Plan), formerly the Worcester Area Plumbers and Pipefitters Union Local No. 4 Money Purchase Pension Fund, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Worcester Area Plumbers and Pipefitters Union Local No. 4 Annuity Plan as December 31, 2019 and the change in net assets available for benefits for the year then ended in accordance with generally accepted in the United States of America.

Other Matter - 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Prudential Insurance Company of America, the custodian of the Plan. Their report, dated October 2, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The 2018 financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The 2019 supplemental Schedules of Administrative Expenses and the Schedule of Assets Held at End of Year, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements. The Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended. Supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The 2018 supplemental Schedules of Administrative Expenses was subjected to auditing procedures applied to the 2018 audit of the basic financial statements by other auditors, whose report did not express an opinion on such information.

UNION LOCAL NO. 4
ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

NOTE 1. DESCRIPTION OF PLAN

In 2019, the name of the Plan was changed from the Worcester Plumbers Local Union No. 4 Money Purchase Pension Plan to the Worcester Area Plumbers and Pipefitters Union Local No. 4 Annuity Plan (the Plan).

The following description of the Worcester Area Plumbers and Pipefitters Union Local No. 4 Plan provides only general information. Participants should refer to the Fund agreement for a more complete description of the Plan's provisions.

General - The Plan was effective January 1, 1987. The Plan is a defined contribution retirement plan.

The Plan covers employees working under the terms of the collective bargaining agreement between the Union and the employers, which participate in the Plan. Union officials and employees of the Union may also be eligible if contributions are made to the Plan by the Union on their behalf pursuant to a participation agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Covered employment means employment with a signatory contractor pursuant to the collective bargaining agreement or employment with any employer (including the Union) who has agreed to contribute to the Annuity Plan based on a participation agreement.

Participant Accounts - An employee becomes a participant in the Plan on the day the participant works at least one hour in covered employment. Covered employment means employment with a contributing employer in a category of work covered by a collective bargaining or participation agreement requiring contributions to the Plan. Participants may direct the investment of employer contributions made on their behalf to any investment option offered under the Plan. If the participant has not specified the allocation into a specific investment type, the contributions will be invested in the guaranteed income fund. Each participant's account is credited with employer contributions and adjusted by investment results and expenses. Administrative expenses are allocated to the participant's account. Net earnings or losses are allocated on a daily basis based upon the investment results of the investment options in a participant's account.

NOTE 1. DESCRIPTION OF PLAN (continued)

Employers' Contributions - Contributions to the Plan are made by contributing employers at rates established by collective bargaining agreements. The collective bargaining agreement for Worcester Area Plumbers and Pipefitters Union Local No. 4 provides for an hourly contribution rate of $5.00 increasing to $5.70 effective September 1, 2019. Contributing employers primarily conduct business in the Worcester Massachusetts area. Employer contributions are accounted for as exchange transactions.

Eligibility of Benefits Distribution -Participants are eligible to receive a distribution of their Annuity money under the following circumstances:

- Normal, late or disability retirement
- Pre-retirement termination of employment
- Death
- Hardship distribution
- In service withdrawals

Retirement Benefits - On termination of service due to total and permanent disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The normal retirement date is the first month coinciding with or succeeding the date the employee attains age 60. Employees may choose to retire at age 55, provided they are no longer working in covered employment. Employees may retire (at any time) if they become permanently and totally disabled under the plan.

At retirement, employees are entitled to 100% of all the balances in their account. They can receive the balances in one of the following ways:

- Lump sum
- Life annuity
- A combination of cash and life annuity
- Some other method that is arranged by the Plan administrator

Pre-retirement Termination of Employment - If an employee leaves the Plan prior to his or her eligibility for retirement or disability benefits, he or she is entitled to receive 100% of the balances in his or her account. The Trustees need to verify that the employee has not been a member of the Plan for a period of 12 consecutive months. The account balances can be received in one of the following ways:

- Lump sum
- Life annuity
- A combination of cash and life annuity

Death Benefits - Should a member receiving benefits die, the full value of their account will be paid to their beneficiary as a death benefit. If the designated beneficiary is not living at the time of the participant's death, or if no beneficiary was named, the death benefit will be paid to the decedent's estate.

NOTE 1. DESCRIPTION OF PLAN (continued)

Hardship/In-Service Withdrawals - Participants are entitled to receive hardship withdrawals subject to specified IRS restrictions. The withdrawal must be for a minimum of $1,000 and have been in the account for at least two years.

In-Service Withdrawals - Members are entitled to a withdrawal of up to 50% of their account balance up to a maximum amount of $20,000, if they are separated from employment for 90 consecutive days or more.

Participant Administrative Fees - The Plan charges an annual fee of $125 per participant to cover administrative costs of the Plan. For the years ended December 31, 2019 and 2018, the plan collected $36,689 and $38,272, respectively.

Vesting - Participants' rights in the net value of his account shall be fully vested and non-forfeitable at all times.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Fund administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value as determined by quoted market prices. See Note 8 for discussion of investment contract with insurance company and Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions - Employer contributions due and not paid prior to year-end are recorded as receivable. The allowance for doubtful accounts represents the estimated losses that may be incurred in the collection of employer contributions receivable. There was no allowance established for the years ended December 31, 2019 and 2018.

Contributions from 5 employers comprised 78% of total contributions for the year ended December 31, 2019.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reciprocal contributions represent amounts received from other U.A. Local Fund offices for paid hours worked by electrical workers who are members of the Plan.

Reclassifications - Certain amounts in the 2019 financial statements have been reclassified to conform with the 2018 presentation with no effect on previously reported net income.

NOTE 3. PLAN TERMINATION

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it. Upon termination of the Plan or complete discontinuance of contributions, each participant or beneficiary will have unforfeitable rights to their account, after providing for all of the expenses of the Plan at termination.

NOTE 4. TAX STATUS

The Plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC") and the related trust is exempt from federal income tax under Section 501(a).

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Subsequent to year end, the Fund has been amended since receiving the determination letter. However, the Plan's legal counsel believes that the Plan is currently designed, and the Plan's administrator believes that the trust is currently being operated, in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are mutual funds managed by Prudential Insurance Company of America. Prudential is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedules of assets held at end of year.

NOTE 7. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

> Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
>
> If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Registered Investment Companies ("RIC") - the registered investment companies' investments are valued at the net asset value of shares held by the Plan at year end and are classified within level 1 of the valuation hierarchy.

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

The following table presents assets measured at fair value on a recurring basis at December 31, 2019:

	Fair Value Measurements at December 31, 2019			
	Total	Level 1	Level 2	Level 3
Registered investment companies	$ 27,300,904	$ 27,300,904	$ -	$ -
Total assets in the fair value hierarchy	$ 27,300,904	$ 27,300,904	$ -	$ -

In 2018, the Plan had elected the method of compliance permitted by 29 CFR 250.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted, the 2018 investments and the related income (loss) were certified by Prudential Insurance Company of America, the custodian of the Plan, and was not subjected to any auditing procedures performed by the former independent public accountants.

The following table presents assets measured at fair value on a recurring basis at December 31, 2018:

	Fair Value Measurements at December 31, 2018			
	Total	Level 1	Level 2	Level 3
Registered investment companies *	$ 21,053,281	$ 21,053,281	$ -	$ -
Total assets in the fair value hierarchy	$ 21,053,281	$ 21,053,281	$ -	$ -

* The Plan has corrected the presentation of the blended funds within the Plan's investment fair value disclosure. This investment, valued at $2,421,349 was previously reported as Level 2 investments and now is presented as a Level 1.

NOTE 8. INSURANCE COMPANY ISSUED EVERGREEN GROUP ANNUITY PRODUCT

The Plan has an insurance company issued evergreen group annuity product with Prudential Retirement Insurance and Annuity Company ("Prudential"). Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Contract value is also often referred to as "Book Value". The contract is effected directly between the plan sponsor (or their trustee) and the issuer. The repayment of principal and interest credited to participants is a financial obligation of the issuer. Given these provisions, this contract is considered to be fully benefit responsive.

Generally there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid over time.

There are not any events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

NOTE 9. CONTRACT ADMINISTRATION

The Plan has a contract with Zenith American Solutions (Zenith), a third-party administrator, to administer the Plan at a monthly rate of $2,060. The agreement extends automatically thereafter in one year increments, without further action by either party unless terminated.

NOTE 10. REVENUE SHARING

There is no revenue sharing agreement with Prudential Retirement Insurance and Annuity Company.

The Plan had a revenue sharing agreement with the previous record keeper Mass Mutual, to offset the Plan's cost of providing administrative services to its participants. The reimbursement was in accordance with the terms set forth in the Administrative Services Agreement. The amounts received from the Mass Mutual totaled $91,198 for the year ended December 31, 2018.

NOTE 11. NEW ACCOUNTING PRONOUNCEMENT

In May 2014, FASB issued ASU 2014-09 - Revenue from Contracts with customers (Topic 606). The objective of the disclosure requirements in this Topic is for an entity to disclose sufficient information to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. In accordance with the modified retrospective approach, the comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods. Adoption of the ASU did not have a material effect on the financial statements.

NOTE 12. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 30, 2020, which is the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.

Due to the heightened uncertainty related to the potential impacts of the novel coronavirus (COVID-19) on its operations, the Plan's revenues and its operations are subject to risks, uncertainties and changes in circumstances that could significantly affect its future results and business operations.
