Independent Auditor's Report

Board of Trustees
The Altenheim 401(k) Plan
Strongsville, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of The Altenheim 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Altenheim 401(k) Plan as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2019 on page 10 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THE ALTENHEIM 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2019 AND 2018

1. Description of the Plan:

General:

The Altenheim 401(k) Plan (the "Plan") is a 401(k) profit sharing plan that covers all eligible employees of The Altenheim (the "Organization" and "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Organization's Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

Participants may elect to contribute a percentage of their compensation into the plan on a pre-tax or post-tax basis. The amount participants can contribute on an annual basis is limited to the amount set by the Internal Revenue Service. The post-tax contributions by participants are Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Employees must be 21 years of age and complete six months of service in order to be eligible to participate in the Plan.

The Organization may make discretionary contributions based on a percentage of participants' compensation and provides for 100% safe harbor matching contributions on a maximum of 4% of participant elective deferrals. Employer matching contributions totaled \$198,105 in 2019 and \$182,823 in 2018.

Additional employer discretionary contributions may be made by the Organization. The Organization did not make any additional employer discretionary contributions in 2019 and 2018. These contributions would be allocated among the participants based upon annual compensation.

Participant accounts:

Each participant's account is credited with employer and participant contributions. Plan earnings are allocated based upon account balances.

Vesting:

Participants are immediately vested in the value of their account attributable to the employee contributions, employer contributions and investment earnings/losses.

THE ALTENHEIM 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

1. Description of the Plan (continued):

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death and will be distributed as a single lump sum.

Benefits are recorded when paid.

Investment options:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's portion into a number of investment options. Participants may change their investment elections daily.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

Investment valuation and income recognition:

The Plan's investments are recorded at fair value, which is determined by net asset values of the mutual funds and face value of the money market fund at December 31, 2019 and 2018. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transactions between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net increase (decrease) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

THE ALTENHEIM 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

2. Summary of significant accounting policies (continued):

Recent accounting pronouncement:

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Changes to the Disclosure Requirements for Fair Value Measurements*. This standard intended to modify requirements and improve effectiveness of disclosures on fair value measurements included in Accounting Standards Codification Topic 820, *Fair Value Measurements*. The ASU will be effective for fiscal years beginning after December 15, 2019, with early adoption permitted. The Plan is currently evaluating the impact of this ASU and will implement the ASU upon its effective date.

3. Investments:

The following table represents the fair value of investments at December 31, 2019 and 2018. All investments of the Plan were participant directed at December 31, 2019 and 2018.

	<u>2019</u>	<u>2018</u>
Mutual funds	\$ 4,239,360	\$ 3,455,806
Money market fund	<u>1,994</u>	<u>1,978</u>
	<u>\$ 4,241,354</u>	<u>\$ 3,457,784</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

THE ALTENHEIM 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

4. Fair value (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2019 and 2018 were as follows:

	2019		2018	
	(Level 1)	Total	(Level 1)	Total
Mutual funds	\$ 4,239,360	\$ 4,239,360	\$ 3,455,806	\$ 3,455,806
Money market fund	<u>1,994</u>	<u>1,994</u>	<u>1,978</u>	<u>1,978</u>
	<u>\$ 4,241,354</u>	<u>\$ 4,241,354</u>	<u>\$ 3,457,784</u>	<u>\$ 3,457,784</u>

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The money market fund is valued at its face value which approximates its estimated fair value.

5. Administrative expenses:

Certain administrative functions are performed by employees of the Organization. No such employee, nor the Organization, receives compensation from the Plan for these services.

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in net increase (decrease) in fair value of investments in the statements of changes in net assets available for benefits.

6. Income tax status:

The Internal Revenue Service has determined that the prototype plan under which the Altenheim 401(k) Plan is organized is designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The Plan is required to operate in conformity with the Code to maintain its qualification and the prototype plan received a favorable determination letter from the Internal Revenue Service dated September 30, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

THE ALTENHEIM 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

7. Plan termination:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the individual accounts of the affected participants become nonforfeitable and fully vested.

8. Risks and uncertainties:

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Party-in-interest transactions:

Fees paid during the year for services rendered by a party in interest were based on customary and reasonable rates for such services and are paid by the mutual funds in which the Plan uses as investment options. Certain fees related to the administration of the Plan were paid by the Plan or Plan Sponsor, which qualify as party-in-interest transactions.

10. Subsequent events:

In March 2020, the World Health Organization categorized the COVID-19 as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. As a result, economic uncertainties have arisen which has contributed to significant volatility for businesses and in financial markets. The pandemic may have continued adverse impact on economic and market conditions that could result in a global economic slowdown for an extended period of time. Consequently, there is and will continue to be uncertainty and risk with respect to the Plan Sponsor, the Plan, and its investments and its financial results. Management has, and will continue to, monitor the situation and make operational changes in an attempt to minimize any future financial impact.

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through October 7, 2020, the date the Plan's financial statements were available to be issued.
