Keystone Clearwater Solutions 401(k) Plan

Report on the 2019 Financial Statements

We were engaged to audit the accompanying financial statements of Keystone Clearwater Solutions 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Reliance Trust Company, the former trustee of the Plan, and AdvisorTrust, Inc. the current custodian of the Plan, except for comparing such information with the related information included in the 2019 financial statements. We have been informed by the plan administrator that Reliance Trust Company held the Plan's investment assets as of December 31, 2018 and executed investment transactions from January 1, 2019 through October 31, 2019 and that AdvisorTrust, Inc. held the Plan's investment assets as of December 31, 2019 and executed investment transactions from November 1, 2019 through December 31, 2019. The plan administrator has obtained certifications from the former trustee and current custodian as of December 31, 2019, and for the year then ended, that the information provided to the plan administrator by the former trustee and current custodian is complete and accurate.

Disclaimer of Opinion on the 2019 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter, 2019 Supplemental Schedules

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, as of or for the year ended December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter, 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the former trustee. Their report, dated October 14, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statement and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the former trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content of the 2019 Financial Statements in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the former trustee and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Keystone Clearwater Solutions 401(k) Plan

Notes to Financial Statements
December 31, 2019 and 2018

1. Description of the Plan

The following description of the Keystone Clearwater Solutions 401(k) (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Keystone Clearwater Solutions, LLC (the Company) who have completed two months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

On December 12, 2019, the plan sponsor was acquired by SC Water, LLC.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company contributes 100 percent of the first 5 percent of base compensation that a participant contributes to the Plan. In addition the Company may contribute a profit sharing amount at the option of the Board of Directors of the Company. There were no profit sharing contributions to the Plan during the year ended December 31, 2019. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contribution, as well as allocations of the Company's profit sharing contribution and the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in both the Company's matching and any discretionary contributions portion of their accounts is based on the five year vesting schedule below.

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 years	0 %
1 years	20

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25 percent to 7.50 percent at December 31, 2019, which are commensurate with local prevailing rates at inception of the loan as determined quarterly by the plan administrator. Principal and interest is paid ratably through weekly payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in their account. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

At December 31, 2019 and 2018, forfeited nonvested accounts totaled \$12,421 and \$267,933, respectively. These accounts will be used to reduce future Company contributions or administrative expenses paid by the plan. In 2019, either the Company's contributions or administrative expenses were reduced by \$574,982 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the former trustee and current custodian and recordkeepers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Standard

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU No. 2018-13 modifies the disclosure requirements for fair value measurements in *Topic 820, Fair Value Measurement*. The amendments are based on the concepts in the FASB Concepts Statement, *Conceptual Framework for Financial Reporting—Chapter 8: Notes to Financial Statements*, which the Board finalized on August 28, 2018. ASU No. 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. Management is currently assessing the impact that ASU No. 2018-13 will have on the Plan's financial statements.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through October 8, 2020, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Keystone Clearwater Solutions 401(k) Plan

Notes to Financial Statements
December 31, 2019 and 2018

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

The money market fund is valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

Assets at Fair Value as of December 31, 2019				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 46,599	\$ -	\$ -	\$ 46,599
Mutual funds	6,006,882	-	-	6,006,882
Total investments at fair value	<u>\$ 6,053,481</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,053,481</u>
Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 273,274	\$ -	\$ -	\$ 273,274
Mutual funds	5,113,943	-	-	5,113,943
Total investments at fair value	<u>\$ 5,387,217</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,387,217</u>

For the years ended December 31, 2019 and 2018, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

4. Administration of Plan Assets

The Plan's assets were administered under a contract with Reliance Trust Company, the former trustee of the Plan, and are currently administered under a contract with AdvisorTrust, the current custodian of the Plan. The prior trustee and current custodian invest funds received from contributions, investment sales, interest and dividend income and make distribution payments to participants.

5. Related-Party and Party in Interest Transactions

As of December 31, 2019 and 2018, no Plan investments were managed by the prior trustee or current custodian of the Plan. Fees incurred by the Plan for the investment manager services, if applicable, are included in net appreciation the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their Company contributions.

7. Tax Status

The Plan is currently operating under a volume submitter profit sharing plan with cash or deferred arrangement provision, prepared by Professional Capital Services, LLC (PCS), whom use AdvisorTrust, Inc. as custodian to the Plan. The prototype plan obtained its latest opinion letter dated November 30, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable sections of the IRS. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2019 and 2018, the Plan had investments of \$2,228,118 and \$2,958,431 that were concentrated in three and four funds, respectively.

9. Information Certified by Custodian/Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2019 and 2018. Accordingly, Reliance Trust Company, the former trustee of the Plan as of December 31, 2018, and for the period from January 1, 2019 through October 31, 2019, and AdvisorTrust, Inc., the current custodian of the Plan, as of December 31, 2019 and for the period from November 1, 2019 through December 31, 2019 have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2019 and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

10. Delinquent Participant Contributions

For the year ended December 31, 2019, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, which totaled \$266,682, were corrected in 2020 and the Company has compensated participants for lost earnings resulting from the delay in contributions.

11. Subsequent Events

On January 3, 2020, the Plan was amended to change the minimum age requirement to participate in the Plan from 21 years of age to 18 years of age and removed the automatic enrollment provisions.

In April 2020, the Company amended the plan to adopt the provisions provided under the Coronavirus Aid, Relief and Economic Security (CARES) Act that allows impacted participants, as defined by the CARES Act, to take penalty free withdrawals with a limit of \$100,000 through December 2020, loan limit increases to \$100,000 for 2020, deferral of certain existing loan repayments during 2020, and the suspension of required minimum distributions for 2020.

On July 1, 2020, the Hydro Recovery LP 401(k) Plan merged into the Plan. Effective July 1, 2020, the Plan was also amended to incorporate the following changes: (1) to allow in-service withdrawals due to disability, (2) allow deemed severance distributions, (3) allow in-plan Roth rollovers, (4) to change the six year graded vesting schedule back to a five year graded vesting schedule and (5) to reduce the Company's matching contributions from 5 percent to 3 percent.
