The following description of the Trenton Technology 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code. The Plan is funded by employee and employer contributions and covers substantially all eligible employees of Trenton Technology, Inc. (the "Company"). There is no minimum age requirement or service requirement in order to be eligible to participate. Employees may enter the plan on the first day of the quarter coinciding with or following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator is responsible for oversight of the Plan. Plan management determines the appropriateness of the Plan's investment offerings and monitors the investment performance.

Contributions

Participants may authorize an elective deferred contribution of eligible earnings in 1% increments, up to 90% or the maximum annual contribution limitations as provided by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Participants may change their options on a daily basis. The Company matches 100% of employee contributions up to the first $500, plus 50% in excess of $500, up to a maximum Company match of $1,200 for the Plan year. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN – Continued

Vesting

Participants are immediately 100% vested in their contributions plus earnings thereon. Participants hired on or before June 30, 2016 are immediately 100% vested in the employer's matching contribution plus actual earnings thereon. Participants hired after June 30, 2016 are subject to a 5 year graded vesting schedule. A participant is fully vested after five years of employment service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum amount of the lesser of $50,000 or 50% of their vested account balance. Terms of notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, ranging from 4.25% to 6.50% at December 31, 2019. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service, participants may elect to receive a distribution of their vested account balance in the form of a lump-sum payment or rollover contribution to another qualified plan. A participant of at least 59-1/2 years of age may also be eligible to receive in-service distributions subject to other requirements. The participant's benefit will be paid in a lump sum, installments, or partial withdrawals as soon as administratively feasible. If the participant's account balance exceeds $5,000, the participant may elect to defer distribution until a later date as defined by the Plan. Hardship withdrawals from the Plan are permitted under certain circumstances.

Forfeitures

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may be used to reduce employer contributions or pay Plan expenses. Forfeitures of $2,102 and $1,830 were used to offset employer contributions during 2019 and 2018, respectively. At December 31, 2019 and 2018, forfeited non-vested accounts totaled $37 and $25, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases or sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Plan advisory fees are paid by the Plan.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certification from the Trustee that all of the information provided by them is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by Reliance Trust Company, the Trustee, for the years ended December 31, 2019 and 2018.

	2019	2018
Investments, at Fair Value	$ 6,792,465	$ 5,495,718
Notes Receivable from Participants	$ 152,701	$ 190,012
Investment Income (Loss)	$ 1,075,926	$ (304,316)

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Units of the Fund are valued each day on which the New York Stock Exchange (NYSE) is open for trading in accordance with the valuation procedures established by the Trustee. The NAV per unit is calculated as of the close of trading on the NYSE (generally, 4:00 p.m. U.S. Eastern time). The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

Assets at Fair Value as of December 31, 2019

	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Fair Value
Mutual Funds	$ 5,859,548	$ 0	$ 0	$ 5,859,548
Common Collective Trust	0	932,917	0	932,917
Total Investments at Fair Value	$ 5,859,548	$ 932,917	$ 0	$ 6,792,465

Assets at Fair Value as of December 31, 2018

	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Fair Value
Mutual Funds	$ 4,514,628	$ 0	$ 0	$ 4,514,628
Common Collective Trust	0	981,090	0	981,090
Total Investments at Fair Value	$ 4,514,628	$ 981,090	$ 0	$ 5,495,718

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2019 and 2018 are reported in net appreciation (depreciation) in fair value of investments.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the Trustee of the Plan's assets. As such, transactions between Reliance Trust Company and the Plan qualify as party-in-interest transactions. Transactions involving participant loans also qualify as party-in-interest transactions. As described in Note 2, the Company or the Plan paid certain expenses related to plan operation and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA and are exempt from prohibitive transaction rules.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in the value of their accounts.

NOTE 7 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company through a prototype plan opinion letter dated July 16, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and Plan management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak. Because of the uncertainty of the economy as a result of COVID-19, Plan management is unable to estimate the total impact the pandemic will have. No adjustments have been made to these financial statements as a result of this uncertainty. The Plan's investment position presented in these financial statements reflect market conditions in effect at December 31, 2019.

In response to the COVID-19 pandemic, Congress passed the CARES Act to provide financial aid for individuals and companies impacted by the coronavirus. Certain coronavirus-related relief provisions available to Plan participants are summarized below:

Withdrawals: The Plan offers coronavirus-related distributions in 2020 to participants who meet certain coronavirus eligibility requirements. These distributions include a waiver of the 10% early distribution penalty tax (for distributions before age 59-1/2), as well as provisions for a 3-year repayment of the distribution. Participants can elect to have the regular income taxes on the distribution spread over three years and the standard 20% withholding tax is not required.

Loans: For participants who meet the coronavirus eligibility requirements, the Plan offers a one-year suspension of outstanding loan payments due from March 27, 2020 to December 31, 2020. The Plan also provides for delayed repayment options for new coronavirus-related loans taken prior to September 23, 2020. Subsequent payments will be adjusted to reflect such delay in due dates and the delay will be disregarded for purposes of determining the 60-month maximum repayment period.

The Plan has approved a number of transactions relating to the CARES Act in 2020. A plan amendment will be executed no later than the last day of the plan year that begins in 2022.

Plan management has evaluated subsequent events through October 8, 2020, which is the date the financial statements were available to be issued.
