Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the 403(b) Thrift Plan of Murtis Taylor Human Services System (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Bases for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Bases for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Trust Company and Mutual of America Life Insurance Company, the Custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the Custodians as of December 31, 2019 and 2018, and for the years then ended, that the information provided to the plan administrator by the Custodians is complete and accurate.

In addition, because of inadequacies in the Plan's records for the periods prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2019 and 2018, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the years then ended.

Disclaimer of Opinion

Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2019 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

403(b) THRIFT PLAN OF MURTIS TAYLOR HUMAN SERVICES SYSTEM

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the 403(b) Thrift Plan of Murtis Taylor Human Services System (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of the Murtis Taylor Human Services System ("MTHSS"), established as of January 1, 2006. Employees are eligible to participate in the Plan on the first day of the month coinciding with or immediately following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make contributions up to 100% of their eligible earnings on a "pre-tax" basis subject to certain limitations of the Plan and the IRC. MTHSS will contribute a matching amount equal to 100% of up to 3% of participant eligible earnings. MTHSS also provides a non-discretionary contribution to all eligible employees of an amount equal to 1% of eligible earnings. Participants will be eligible for employer contributions after having attained age 18 and upon completion of one year of service, defined as 1,000 hours.

Participants' Accounts

Principal Trust Company ("Principal") and Mutual of America Life Insurance Company ("Mutual") (collectively, the "Custodians") maintain individual accounts for each participant. These accounts are credited with participants' contributions, MTHSS contributions and related earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of \$50,000 or 50% of the participant's total vested account balances. The loans are secured by the balance in the participant's account. The interest rate is determined by the plan administrator based on prevailing market conditions and is fixed over the life of the loan. Principal and interest is paid ratably through monthly payroll deductions.

Vesting

Participants are vested immediately in their elective and voluntary contributions and earnings thereon. Participants vest in MTHSS contributions 20% after two years of service, 40% after three years, 60% after four years and 100% after five years of service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)**Payment of Benefits**

A participant, upon severance of employment due to death, disability, termination or retirement, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly payments as specified by the participant. In the case of a severe financial hardship, MTHSS, in its sole discretion, may direct distribution of all or a portion of the participant's elective and/or voluntary contributions, subject to certain restrictions of the Plan document. Additionally, the Plan has provisions for an active participant to make withdrawals from his or her account, subject to limitations and restrictions.

Termination Provisions

MTHSS anticipates and believes that the Plan will continue indefinitely; however, MTHSS reserves the right to terminate the Plan at any time by an action of its Board of Directors subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their account balance and the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Forfeitures

Any forfeitures during the year are used to pay administrative fees or to be applied as a credit against employer contributions to the Plan, at the discretion of MTHSS. Forfeitures used to credit against employer contributions for the years ended December 31, 2019 and 2018 totaled \$145,419 and \$49,915 respectively. No forfeitures were used to pay administrative fees during the years ended December 31, 2019 and 2018. At December 31, 2019 and 2018, the remaining unallocated forfeiture balance was \$12,214 and \$74,262, respectively. Forfeitures were used to fund December 31, 2018 and 2019 employer receivable balances.

Note 2. Summary of Significant Accounting Policies**Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Basis of Accounting (Continued)

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, MTHSS has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and Custodians. See Note 3 and Note 5 for discussion of fair value measurements and Guaranteed Investment Contracts, respectively.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid by the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by MTHSS. Expenses that are paid by MTHSS are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through October 7, 2020, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used from 2019 to 2018.

Pooled Separate Accounts – The investments in Pooled Separate Accounts are held and managed by Mutual. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

Registered Investment Companies – Mutual funds are held at Principal. They are valued at their quoted closing market prices in active markets for identical investments and classified as Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

403(b) THRIFT PLAN OF MURTIS TAYLOR HUMAN SERVICES SYSTEM

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

Assets at Fair Value as of December 31, 2019				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total	<u>\$ 6,605,627</u>	<u>\$ 23,539</u>	<u>\$ -</u>	<u>\$ 6,629,166</u>

Assets at Fair Value as of December 31, 2018				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Registered Investment Companies	<u>5,938,919</u>	<u>-</u>	<u>-</u>	<u>5,938,919</u>
Total	<u>\$ 5,938,919</u>	<u>\$ 19,810</u>	<u>\$ -</u>	<u>\$ 5,958,729</u>

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2019 and 2018, the supplemental schedule of assets (held at end of year) at December 31, 2019, the related investment activity and loan interest reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2019 and 2018 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 5. Guaranteed Investment Contracts

The Plan holds investment contracts which meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest, less participant withdrawals, and administrative expenses.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Investment Contracts (Continued)

The investment contracts held by the Plan are Guaranteed Investment Contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but is guaranteed to be between 1% and 3%. The crediting rate is reviewed on a quarterly basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Income Tax Status

The Plan has been designated to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

The Plan's assets are held in Pooled Separate Accounts and a Guaranteed Investment Contract of Mutual of America Life Insurance Company and Registered Investment Companies and a Guaranteed Investment Contract of Principal Life Insurance Co. which is an affiliate of Principal Trust Company. During 2019 and 2018, administrative expenses of \$58,624 and \$49,032, respectively, were paid to the Custodians. These transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 9. Reconciliation of Financial Statements to Form 5500

Differences exist between the accompanying financial statements and the amounts reported in the fiscal years 2019 and 2018 Form 5500 as a result of deemed distributions recognized on the accrual basis of accounting for financial statement purposes and the cash basis used for Form 5500 purposes.

The following is a reconciliation of notes receivable from participants per the financial statements to the Form 5500 at December 31, 2019 and 2018:

Note 10. Subsequent Event - COVID-19 Global Pandemic

On January 30, 2020, the World Health Organization declared the outbreak of the coronavirus disease 2019 ("COVID-19") a global health emergency and subsequently declared the COVID-19 outbreak a global pandemic in March 2020. The pandemic has adversely affected domestic and global economic activity and the full impact continues to evolve as of the date of this report. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact of the Plan's liquidity cannot be determined at this time.
