Independent Auditor's Report

To the Plan Administrator and Participants of
Telestream 401(k) Employee Savings Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Telestream 401(k) Employee Savings Plan (the "Plan") which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6 which was certified by Standard Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the 2019 financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of December 31, 2019 and for the year then ended, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2019 and schedule of delinquent participant contributions for the year ended December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter—2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report, dated September 16, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

TELESTREAM 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

1. Plan Description

The following description of Telestream 401(k) Employee Savings (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan established March 1, 1998 by Telestream, LLC ("Telestream" or the "Company") under the provisions of 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. Standard Insurance Company ("Standard") serves as the custodian of the Plan. The Plan is administered by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was amended effective July 20, 2019 to exclude residents of Puerto Rico.

b. Eligibility

Employees of the Company who are 18 years or older are eligible to participate in the Plan upon completion of 3 months of service except nonresident aliens, part time, temporary or seasonal employees unless regularly scheduled service for the Plan year is at least 1,000 hours, interns and on-call employees, and residents of Puerto Rico.

c. Contributions

Participants may contribute a percentage of their eligible compensation as a pre-tax or Roth deferral, as defined in the Plan document, subject to certain limitations under the Internal Revenue Code ("IRC"). Participants who are 50 years of age or older during the Plan year may also make catch-up contributions as allowed by the IRC.

The Company, at its discretion, may make matching contributions. During 2019 and 2018, the Company matched 50% of the first 6% of a participant's elective contributions. Participants may also contribute amounts representing distributions from other qualified plans.

d. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by Standard. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are fully vested at all times in the portion of their accounts attributable to their own contributions and earnings thereon. Participants vest in employer matching contributions as follows:

Year of Service	Vesting Percentage
1	30%
2	60%
3 or more	100%

f. Notes Receivable from Participants

Participants may borrow from their accounts a maximum of $50,000 not to exceed 50% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Loan terms may not exceed 5 years unless the purpose of the loan is for the purchase of a primary residence in which case the term may be extended. The interest rate on notes receivable from participants as of December 31, 2019 ranged from 3.25% to 5.50% and the loans mature through 2028.

g. Payment of Benefits

On termination of service, death, or attainment of age 59½, a participant or their beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial distribution subject to a minimum of $1,000 or substantially equal installments.

Terminated participants with a vested account balance less than $5,000 may have their balance distributed in the form of a direct rollover to an individual retirement account designated by the Plan Administrator.

h. Hardship Withdrawals

Upon certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, a portion of their pre-tax elective deferrals as a result of an immediate and heavy financial need. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of natural disaster clean-up on the participant's principal residence or to prevent eviction or foreclosure from the participant's principal residence.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

b. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value, except for the guaranteed investment contract which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

d. Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants may be treated as a distribution based on the terms of the Plan document.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Administrative expenses, including custodial, recordkeeping, legal and accounting fees, are paid by the Company. Direct expenses totaling approximately $7,000 and $6,000 were paid by the Plan during 2019 and 2018, respectively, representing transactional fees incurred and allocated to specific participants. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

g. Forfeitures

At December 31, 2019 and 2018, unallocated forfeited nonvested accounts totaled approximately $6,000 and $51,000, respectively. Forfeitures are used to pay administrative expenses. During 2019 and 2018, respectively, $54,000 and $1,000 of forfeitures were utilized to reduce employer contributions and to pay administrative expenses.

h. Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. This ASU modifies the disclosure requirements on fair value measurements in Topic 820, including the removal, modification to, and addition of certain disclosure requirements. This ASU will be effective for fiscal years beginning after December 15, 2019 with early adoption permitted. The majority of the disclosure changes are to be applied on a prospective basis. The Plan adopted the ASU during 2019. Its adoption did not have a significant impact on the financial statements.

3. Investments

Plan investment assets are held by Standard. Participants can direct their accounts among various pooled separate accounts and a guaranteed investment contract.

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard, the Guaranteed Interest Fund ("GIF"). The assets of the GIF are held in the general assets of Standard. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Effective January 1, 2018, as part of the Ineoquest Technologies, Inc. 401(k) Plan merger which was reported at December 31, 2017, the Plan assumed a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company ("Great-West"). Great-West maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but could not be less than 0%. The crediting rate was reviewed on a quarterly basis for resetting. The guaranteed investment contract did not permit Great-West to terminate the agreement prior to the scheduled maturity date. The Plan was able to transact at contract value through the contract termination in 2019.

4. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Pooled separate accounts: The Plan's interest in the pooled separate accounts is valued at the net asset value ("NAV") of each pooled separate account's underlying investments as based on information reported by the investment advisor using the daily reported NAV of the pooled separate account at year-end.

The following table provides information regarding redemption of investments where the NAV has been used to measure fair value at December 31, 2019 and 2018:

	2019			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts	$ -	$ 37,116,064	$ -	$ 37,116,064

	2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts	$ -	$ 26,276,471	$ -	$ 26,276,471

5. Risks and Uncertainties

The Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participant account balances.

6. Information Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedules was provided and certified by Standard Insurance Company, the custodian of the Plan, as of December 31, 2019 and 2018, and for the years then ended, as complete and accurate:

- Investments, at fair value
- Investment, at contract value
- Notes receivable from participants
- Investment income (loss)
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

7. Related-Party Transactions

The Plan's investments are offered by Standard. Standard is the custodian of the Plan. Certain investment fees are paid by the custodian and are reflected in the investment income or loss for the year. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in interest transactions, which are exempt from the prohibited transaction rules.

The Plan sponsor, Telestream, is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan which are exempt transactions.

8. Income Tax Status

The Plan has been restated using the Standard Retirement Services, Inc. Volume Submitter 401(k) Profit Sharing Plan prototype document which received a favorable opinion letter dated March 31, 2014. The Plan has been amended since the date of the opinion letter. However, management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, management believes that the Plan is qualified and the related trust is tax exempt as of and for the years ended December 31, 2019 and 2018.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants would become 100% vested in all their accounts.

10. Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500 as of December 31:

	2019	2018
Net assets available for benefits per the financial statements	$ 43,441,612	$ 33,348,882
Contributions receivable	(15,440)	(37,599)
Net assets available for benefits per the Form 5500	$ 43,426,172	$ 33,311,283

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	2019	2018
Net increase (decrease) in net assets available for benefits per the financial statements	$ 10,092,730	$ (998,000)
Net change in contributions receivable	22,159	(37,599)
Net increase (decrease) in net assets available for benefits per the Form 5500	$ 10,114,889	$ (1,035,599)

11. Subsequent Events

Management has evaluated the potential recognition and disclosures in the financial statements of subsequent events that have occurred through October 12, 2020, which is the date the financial statements were available to be issued.

12. Non-exempt Transactions

Certain participant contributions that occurred in 2019 were identified that were not remitted to the Plan by the Company within the time period required by the Department of Labor. These late remittances constitute prohibited transactions as defined by ERISA. Management plans to remit the lost earnings to the Plan related to these late contributions during 2020.
