CATHOLIC SOCIAL SERVICES OF THE MIAMI VALLEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Catholic Social Services of the Miami Valley 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Catholic Social Services of the Miami Valley (the Plan Sponsor) and covers substantially all eligible employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Under the terms of the Plan, covered employees are eligible to become participants on the first day of the month following or coincident with completion of 90 days of service and upon reaching age 21.

Contributions

- (a) *Participant's voluntary salary reductions.* Participants may elect to contribute up to 100% of their compensation, as defined by the Plan. Each participant's contribution may not exceed the federal maximum amount pursuant to Section 402(g)(5) of the Internal Revenue Code. Pre-tax elective deferrals and after-tax Roth contributions are available. Additionally, the Plan provides for catch-up contributions for participants age 50 or older.
- (b) *Discretionary employer-matching contributions.* The Plan Sponsor may make discretionary matching contributions. The Plan provides that catch-up contributions are not considered when determining matching contributions. To qualify for the matching contribution, a participant must have completed at least one hour of service and be employed on the last day of the election time period, which is defined as a Plan Year quarter. Employees who become retired, disabled, or deceased during the Plan Year are also eligible to receive the contribution. For the years ended December 31, 2019 and 2018, the Plan Sponsor matched eligible employees' contributions up to 2% of compensation. The Plan Sponsor accrued matching contributions of \$50,655 and \$50,332 for 2019 and 2018, respectively.
- (c) *Discretionary nonelective contributions.* The Plan Sponsor may make discretionary nonelective contributions. This amount will be allocated among three groups of participants classified by rank and then proportionately based on compensation of all participants within each group. To qualify for the discretionary nonelective contribution, a participant must have completed at least 1,000 hours of service and be employed on the last day of the Plan Year. Employees who become retired, disabled, or deceased during the Plan Year are also eligible to receive the contribution. For the years ended December 31, 2019 and 2018, the Plan Sponsor made no nonelective contributions.

DECEMBER 31, 2019 and 2018

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited or charged with the above contributions, rollover contributions, Plan earnings, and Plan expenses.

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of twenty-eight pooled separate account, money market, or guaranteed investment contract options.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the USA Today prime rate plus 2.0%, as set by the Plan. Principal and interest are paid ratably through payroll deductions.

Vesting

Participant vesting is based on service years. A year of service is defined as at least 1,000 hours worked. Participants are 100% vested in their voluntary salary deferral contributions. The discretionary employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Non-Forfeitable Percentage</u>
Less than 3	0%
3 or more	100%

Forfeited Accounts

Forfeitures of non-vested contributions will be used to reduce future employer contributions or to pay plan expenses. No forfeitures were used during the year ended December 31, 2019. Unallocated forfeitures at December 31, 2019 and 2018, were \$3,373 and \$1,757, respectively.

DECEMBER 31, 2019 and 2018

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Benefits are recorded when paid. Rollovers are not included when determining whether a cash-out distribution may be paid to a terminated participant. Upon termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If a participant is age 62 or older with a vested account balance greater than \$5,000, the participant may elect to receive a distribution in substantially equal annual installments over a period not to exceed the joint life expectancy of the participant. All involuntary distributions greater than \$1,000 and less than \$5,000 are paid as a direct rollover to an individual retirement plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

CATHOLIC SOCIAL SERVICES OF THE MIAMI VALLEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unit Values

Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from the funds are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan payments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2019, \$7,673 was accrued on the statement of net assets available for benefits for excess contributions payable to participants. The Plan distributed the excess contributions to the applicable participants before March 15, 2020.

Administrative Expenses

Certain Plan fees and administrative expenses are paid by the Plan Sponsor.

NOTE C - CERTIFIED INVESTMENTS

Certain information related to the investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2019 and 2018, and net appreciation in fair value of investments and interest income for the year ended December 31, 2019, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company (the Trustee of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below.

Level 1: Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodologies include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodologies are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Pooled separate accounts: Valued at the net asset value (NAV) of shares held by the Plan at year-end. The NAV, as provided by the investment's trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the pooled separate accounts, the investment advisor reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities' liquidations will be carried out in an orderly business manner.

Money market funds: Valued at the daily closing price as reported by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018.

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Money market funds	\$ 2,163	\$ 0	\$ 0	\$ 2,163
Investments at net asset value:				
Pooled separate accounts*				2,114,642
Total investments at fair value				\$ 2,116,805

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Money market funds	\$ 558	\$ 0	\$ 0	\$ 558
Investments at net asset value:				
Pooled separate accounts*				1,663,929
Total investments at fair value				\$ 1,664,487

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

CATHOLIC SOCIAL SERVICES OF THE MIAMI VALLEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (the Trustee). The contract is a guaranteed investment contract. The Trustee maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the Trustee. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rate was 1.0% for 2019. The crediting interest rate is based on a formula agreed upon with the contract issuer, but may not be less than 1.0%. Such interest rates are reviewed periodically for resetting.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendment to the Plan Document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs or a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The contract issuer has the option to payout 100% of the current value of the contract or convert the current value to another contract issued by the Trustee after completion of five contract years.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain administrative services are provided by the Plan Sponsor at no cost to the Plan, and certain administrative costs incurred by the Plan are paid by the Plan Sponsor.

The Plan's administrative expenses result from services rendered by parties-in-interest.

Certain Plan investments are units of pooled separate accounts and investment contracts managed by Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company is the Plan Trustee; therefore, these transactions qualify as party-in-interest transactions.

CATHOLIC SOCIAL SERVICES OF THE MIAMI VALLEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018

NOTE G - INCOME TAX STATUS

The Plan Sponsor has adopted the Clark Schaefer Hackett & Company Volume Submitter Profit Sharing Plan document which has received an opinion letter dated March 1, 2017, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE K - SUBSEQUENT EVENTS

On January 30, 2020, the World Health Organization (the WHO) announced a global health emergency stemming from a new strain of coronavirus that was spreading globally (the COVID-19 outbreak). On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

NOTE K - SUBSEQUENT EVENTS (Continued)

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which are laws that change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Effective April 1, 2020, the Plan Sponsor acquired Life Essentials, Inc., and substantially all of its employees. Effective March 30, 2020, the Plan was amended and restated to (1) credit all service for all purposes for employees of Life Essentials, Inc., employed on March 31, 2020; and (2) change the allocation conditions to require a participant be employed on the last day of the Plan Year in order to qualify for employer-matching contributions.

Subsequent events were evaluated through October 7, 2020, which is the date the financial statements were available to be issued.
